In this deeply reflective book, Roche Uccello redefines leadership as an inner practice before it becomes an outer role. Through powerful insights, real-world reflections, and spiritual depth, she reveals how to anchor purpose, navigate seasons of change, and embody the quiet strength that sustains true legacy. Each chapter invites you to pause, realign, and remember that leadership begins in the unseen—your thoughts, beliefs, and daily intentions. More than a book—it's a call to conscious action. The Inner CEO reminds us that legacy isn't built by status or speed, but by the quiet consistency of living what we believe.

The Code Mukta Mahajani,2019-02-05 Stories to guide you to success Awaken the hidden wisdom of your heart Live free of the seven deadly behavioral attributes that threaten to disrupt our lives! We can resolve most problems by applying the wisdom of our heart; all we have to do is listen carefully. However, in practice, a range of detrimental yet common attributes that we experience in large doses prevent us from listening to our inner voice. In The Code, author Mukta Mahajani identifies these negative attributes as the Ego, Over-Competitiveness, Jealousy, Overexpectations, Overambition, Anger and Procrastination. These attributes flare up when we face challenging situations. We explode when the world does not go our way and our relationships with others suffer as a result. Based on meaningful quotes from world leaders and revered religious texts, this book weaves short stories about the impact of these attributes. These narratives are designed to help us reset our mindset and resolve the issues we face in our day-to-day life. They help us understand that we have the inherent power to make the right choice at all times. Mukta Mahajani is an author and international speaker on Alternate Dispute Resolution methods with degrees in psychology, anthropology and law. In a career spanning over 20 years, Mukta has worked with the World Bank Group where her research has been published, and also guest lectured at New York City Bar Association, Mumbai University, ICADR Hyderabad and IIT Bombay among other institutions.
