The Lost Art of Happiness Arthur Dobrin, Arthur Dobrin, D.S.W., Professor Emeritus of University Studies, Hofstra University, 2011-10-31 The key to the good life is compassion. Drawing on recent findings, Dobrin convincingly shows that compassion is built into human nature. When we act upon this inherent moral instinct, individuals find what they want most--to be happy.

Proceedings of the 2023 2nd International Conference on Educational Innovation and Multimedia Technology (EIMT 2023) Chew Fong Peng, Adelina Asmawi, Chuanjun Zhao, 2023-07-04 This is an open access book. As a leading role in the global megatrend of scientific innovation, China has been creating a more and more open environment for scientific innovation, increasing the depth and breadth of academic cooperation, and building a community of innovation that benefits all. Such endeavors are making new contributions to the globalization and creating a community of shared future. To adapt to this changing world and China's fast development in the new era, 2023 2nd International Conference on Educational Innovation and Multimedia Technology to be held in March 2023. This conference takes bringing together global wisdom in scientific innovation to promote high-quality development as the theme and focuses on cutting-edge research fields including Educational Innovation and Multimedia Technology. EIMT 2023 encourages the exchange of information at the forefront of research in different fields, connects the most advanced academic resources in China and the world, transforms research results into industrial solutions, and brings together talent, technology and capital to drive development. The conference sincerely invites experts, scholars, business people and other relevant personnel from universities, scientific research institutions at home and abroad to attend and exchange!

Worship Sound Spaces Christine Guillebaud, Catherine Lavandier, 2019-11-18 *Worship Sound Spaces* unites specialists from architecture, acoustic engineering and the social sciences to encourage closer analysis of the sound environments within places of worship. Gathering a wide range of case studies set in Europe, Asia, North America, the Middle East and Africa, the book presents investigations into Muslim, Christian and Hindu spaces. These diverse cultural contexts demonstrate the composite nature of designing and experiencing places of worship. Beginning with a historical overview of the three primary indicators in acoustic design of religious buildings, reverberation, intelligibility and clarity, the second part

of this edited collection offers a series of field studies devoted to perception, before moving onto recent examples of restoration of the sound ambiances of former religious buildings. Written for academics and students interested in architecture, cultural heritage, acoustics, sensory studies and sound. Revolutionize Youth Book Clubs Stacy Brown, 2024-11-28 Learn to facilitate modern book clubs devoted to elevating the reading experience through active engagement, resulting in long-term commitment to book club events. How do you get the kids in your library to read? The benefits of reading are plentiful, especially for youth – it improves vocabulary, helps them become more empathetic and inclusive, and expands exposure to academic opportunities. In an age of digital distractions, book clubs can be a catalyst for encouraging youth to prioritize reading. These tried and tested strategies help even reluctant readers develop a love of reading through book club participation. Author Stacy Brown, who has facilitated book clubs for more than twenty years, shows you how to build active engagement through hands-on activities, reflective discussions, and theme-related tips and tricks, even in the face of time and budget constraints. Learn how to attract participants, brand and market your book clubs, and keep attendees returning for more. You'll be changing the world – one book club at a time.

Shane Meadows Martin Fradley, 2013-07-22 "From his breakthrough short films in the early 1990s and feature debut *TwentyFourSeven* (1997) through to the BAFTA-winning *This Is England* (2007) and hit television spin-off, director Shane Meadows has emerged as one of the most distinctive and influential voices in contemporary British cinema. Danny Perkins, CEO of StudioCanal UK, credits Meadows as the key figure in British film's contemporary renaissance, with *This Is England* "doing more than any other [film] to change British audiences' attitudes" to home-grown cinema. This book will explore the full range of Meadows' work, from its origins in local D.I.Y. media through to international festival acclaim. Over the course of its 15 chapters, it will present a comprehensive analysis of Meadows' oeuvre to date, situating it in the context of British cinema history as well as wider cultural changes from the nineties to now."
