BM King

The Trade Ki Stephens, 2023-07-18 JADE Jennings is tired of her day-to-day life-from the boring, senseless boys at Dayton U to the repetitive beats her editor assigns. She's looking for excitement, novelty, a good story to sink her teeth into, and a boy she can write home about. She's a driven and ambitious journalist, and she has an innate love for the game of football. She's also the younger sister to an NFL superstar, which means she's not interested in the aimless, student-athletes at her school. But maybe, for entertainment purposes, she could spend just one night trying them on for size. THEO Westman-Cooke, aka West, has one goal in this life: to be drafted into the NFL. But his coach doesn't support an early declaration, his grades (and scholarship) are slipping, and he only has one more year to make his college career count for something. Oh, wait. There is one other thing that West might want-a chance to spend the night with his favorite red-headed cheerleader. When the opportunity suddenly strikes, it's nearly impossible to pass up the perfect trade. In just a few months, Dayton U's football team is hosting their annual spring banquet. The catch? Players must go home with another teammate's date. To the rest of the team, it's a simple, secret trade. But for Jade and West, it's the night that everything changed.

Game On Ki Stephens, 2025-08-14 'The perfect combination of heat and humour!' Hannah Grace 'A fresh, fun and fast-paced sports romance that readers won't be able to put down' Becka Mack _____ Ella Davies didn't trade her life in England for a year in Nashville to let anything--or anyone--throw her off her game. She only has one goal: to prove herself on her new school's elite cheer squad. What she hadn't planned for was meeting a gorgeous stranger on her first evening in America. Hudson Fox is Whitland's prized possession, a star quarterback who's never lacked admirers. But this year, he's sworn off temptation--especially the new English cheerleader who's proving impossible to ignore. When Ella and Hudson are forced to spend more time together, their just one night pact shatters. Soon, tumbling from the pyramid becomes the least of Ella's worries. Because instead of hitting the mat, she's falling hard for the quarterback. . . _____ Praise for *Game On*: 'Sexy, fun and sprinkled with the best things of a sports romance, I devoured *Game On*!' Elena Armas 'A spicy and tender romance' Hannah Bonam-Young 'Hot. Classics major. Quarterback. Need I say more? Hudson Fox is my new book boyfriend obsession!' Grace Reilly 'A sweet and spicy romance that will have your heart tumbling. . . a unique and electrifying addition to the genre!' Peyton Corrine 'Game On tackles new beginnings, healing, and the thrill of unexpected

love' Bal Khabra 'Game On flies high and lands with grace, the kind of sports romance that has you rooting for both leads--as individuals and as a couple--from the first page until the last' Simone Soltani 'Game On had me doing backflips from the very first page. Get ready, Booktok - Ki Stephens is about to be your next obsession!' Chip Pons

Muiwlanej kikamaqki "Honouring Our Ancestors" Janet E. Chute,2023-11-01 Drawing upon oral and documentary evidence, this volume explores the lives of noteworthy Mi'kmaw individuals whose thoughts, actions, and aspirations impacted the history of the Northeast but whose activities were too often relegated to the shadows of history. The book highlights Mi'kmaw leaders who played major roles in guiding the history of the region between 1680 and 1980. It sheds light on their community and emigration policies, organizational and negotiating skills, diplomatic endeavours, and stewardship of land and resources. Contributors to the volume range from seasoned scholars with years of research in the field to Mi'kmaw students whose interest in their history will prove inspirational. Offering important new insights, the book re-centres Indigenous nationhood to alter the way we understand the field itself. The book also provides a lengthy index so that information may be retrieved and used in future research. *Muiwlanej kikamaqki - Honouring Our Ancestors* will engage the interest of Indigenous and non-Indigenous readers alike, engender pride in Mi'kmaw leadership legacies, and encourage Mi'kmaw youth and others to probe more deeply into the history of the Northeast.
