The Academy Bentley Little, 2008-08-05 “Master of the macabre” Bentley Little offers a new lesson in fear with this terrifying horror novel. With a promise of more freedom and a chance to get out from under the thumb of a reactionary school board, the teachers of Tyler High have voted to become a charter school. Instructors and parents alike are thrilled with the prospect of independence. And yet.... The formerly laid-back principal has become unusually strict. And with her toadying secretary, she seems to be running the show. That isn't all. The janitors no longer work nights because of what they hear. The students are frightened by what they see. And things are happening on school grounds that defy rational explanation. But there is an explanation. It's just not anything that anyone can begin to believe—or hope to survive.

The Haunted Bentley Little, 2012-04-03 With his “ability to disgust (and delight) even the most seasoned horror enthusiast” (Publishers Weekly), Bentley Little conjures up your greatest fears as he dares you to spend a night with the haunted.... Julian and Claire Perry and their two children, Megan and James, have made the move to a bigger, nicer home in their city's historic district. But something isn't right. The neighbors seem reluctant to visit. Claire can't shake the feeling that someone is watching her. Megan receives increasingly menacing and obscene texts. And James is having terrible dreams. No wonder, considering what he's seen in the corner of the basement, staring at him and shuffling closer ever so slowly. Pity no one warned the family about the house. Now it's too late. Because the darkness at the bottom of the stairs is rising....

The Vanishing Bentley Little, 2007-08-07 With his novels, “Bentley Little has created nothing less than a nightmarishly brilliant tour de force of modern life in America.”—Publishers Weekly (starred review) In Beverly Hills, a wealthy CEO goes on a bloody rampage and videotapes the slaughter. He leaves behind a chilling cryptic message...“This is where it begins.” Miles away, an alarmed mother receives an unsettling letter from her estranged husband, stained with bloody fingerprints. And all across California, children are becoming affected by a monstrous change—and their parents, by a mounting fear. Social worker Carrie Daniels and reporter Brian Howells are determined to find the link between these baffling crimes. But

they shouldn't look too deeply into the lives of the victims. It's quite dark there. And God help them, they won't like what they find.

The Disappearance Bentley Little, 2010-09-07 The perfect getaway turns into a nightmare when a girl vanishes without a trace in this horror novel that could only have come from the mind of Bram Stoker Award-winning author Bentley Little. Gary, his girlfriend, Joan, and their friends intend to make the most of their three day vacation from UCLA partying at Burning Man. But soon after they arrive at the festival in the remote desert, Joan disappears. Calls to her parents' home yield only dead air. Her school records are gone. And there's no evidence that Joan, or even her roommate, ever existed. Most disturbing of all is what they do find. Among Joan's belongings is a prayer written on a small scroll. It's a safeguard—and a warning—from something called The Outsiders. For Gary and his friends it's the only clue. Now, if they want to find out exactly what happened to Joan, they must follow it. But they may not like what they uncover....

The perfect summer read."—Los Angeles Times Juniper, Arizona, is an off-the-map desert town the retail giant called The Store has chosen for its new location. Now everything you could possibly want is under one roof, at unbelievable prices. But you'd better be careful what you wish for. This place demands something of its customers that goes beyond brand loyalty. At The Store, one-stop shopping has become last-stop shopping. Bill Davis is the only one in town who senses the evil lurking within The Store. But he can't stop his two teenage daughters from taking jobs there and falling under the frightening influence of its sadistic manager. The Reata is an exclusive spa isolated in the Arizona desert—a perfect getaway from the city for people like Lowell Thurman and his family, booked for a relaxing five-day retreat. But what unfolds is anything but tranquil...unnerving encounters with strange employees, wild parties in empty rooms, something unspeakable in the pool.

Then one by one, guests begin disappearing. The Thurmans are afraid—because out in the middle of nowhere, with no escape, and no one to hear them scream, they're left with only one terrifying choice: unlock the dark secrets of The Reata themselves before the real carnage begins. *Stephen King

Population: 200...199...198...197... Gregory Tomasov has returned with his family to the quaint Arizona community of his youth. In McGuane, the air is clean, the land is unspoiled. Nothing much has changed. Except now, no one goes out after dark. And no one told Gregory that he shouldn't have moved into the old abandoned farm on the edge of town. Once upon a time something bad happened there. Something that's now buried in its walls. Something now reborn in the nightmares of Gregory's young son. Something about to be unleashed.

His Father's Son Bentley Little, 2009-09-01 "On a par with such greats as Stephen King, Clive Barker and Peter Straub" (Midwest Book Review), Bentley Little brings his unnerving talents to the terrifying story of a dysfunctional family in crisis. Steve Nye writes for an alumni magazine and his long-term relationship is on the steady path to marriage. But his quiet life takes an unexpected turn when he receives a phone call from his mother. His father attacked her and has been committed to a mental asylum. The doctor says he's suffering from dementia. But Steve's father seems so calm, clear-eyed, and perfectly lucid when he whispers, "I killed her..." Is it simply another symptom of delusion and madness? To find the answer, Steve investigates the cryptic message leading him down a terrifying path of his own making—and of his own nightmares....
