

Be Nice Or Else Book

Cece Kae

Be Nice (or Else!) Winn Claybaugh, 2004 If you've tried it all-being smart, driven, healthy, clever, beautiful, first, fastest-don't forget the one thing that will give you what you really want. You know those moments when time stands still and you feel good about yourself and the life you're living? That's exactly what Be Nice is all about. It's your natural ability to experience that irresistible sense of joy, freedom, and contentment-anywhere, anytime, and with anyone. Of course, being nice also makes you more likable, looked up to, and sought after. But the real reason to Be Nice is that it's the one thing you can do today, right now, that will make you and anyone around you genuinely happy. The Be Nice revolution does come with a few new rules. For starters, it's not about being a doormat. You can say no-a lot-and still Be Nice. You can speak up, be funny, disagree, and even be completely honest (well, almost), and still Be Nice. Wouldn't you like to be the one to ... Inspire others, Build business, Defuse anger, Bring hope, Heal pain. Change the world-for the better! Add nice to whatever you're good at, and watch your relationships flourish, your career skyrocket, and opportunities for happiness and success open up all around you! Book jacket.

Be Nie (or Else!) Winn Claybaugh, 2021-06-15 Congratulations! You're about to join the planet's largest celebration of Be Nice! This exquisitely irresistible and highly practical guide shows you how to start your own be nice revolution at home, at work, and even with total strangers. You work hard at so many things-getting ahead, being successful, and even feeling happy. As it turns out, being nice is the one to absolutely guarantee a life you love. Besides, being nice is easy, and the rewards are immeasurable.

Everybody's ,1922

Everybody's Magazine ,1923

On Me, Myself, and Everything Else Cece Kae, 2009-07 Cleo Patricia Jones is not your typical young lady. Some might say that her ample supply of self-love is borderline obnoxious, but she's not one to be bothered by that. She is determined to make something of herself, but she can't seem to get away from loathing the job she has at the local grocery store, where she works in the hours off from her schedule of college courses. Cleo is not the kind of girl to down herself over a few extra pounds; she is proud of her curvy body and relishes in the attention she receives from it. She has dozens of guys at her beck and call, but she comes to find that she is still lonely. In this modern self-discovery novel, Cleo comes to terms with her past

and her present in order to figure out what she is going to do in the future.

The Book of Dust: La Belle Sauvage (Book of Dust, Volume 1) Philip Pullman, 2017-10-19 NEW YORK TIMES BESTSELLER Philip Pullman returns to the parallel world of His Dark Materials to expand on the story of Lyra, “one of fantasy’s most indelible heroines” (The New York Times Magazine). Don’t miss Volume II of The Book of Dust: The Secret Commonwealth! Malcolm Polstead and his daemon, Asta, are used to overhearing news and the occasional scandal at the inn run by his family. But during a winter of unceasing rain, Malcolm finds a mysterious object—and finds himself in grave danger. Inside the object is a cryptic message about something called Dust; and it’s not long before Malcolm is approached by the spy for whom this message was actually intended. When she asks Malcolm to keep his eyes open, he begins to notice suspicious characters everywhere: the explorer Lord Asriel, clearly on the run; enforcement agents from the Magisterium; a gyptian named Coram with warnings just for Malcolm; and a beautiful woman with an evil monkey for a daemon. All are asking about the same thing: a girl—just a baby—named Lyra. Lyra is at the center of a storm, and Malcolm will brave any peril, and make shocking sacrifices, to bring her safely through it. “Too few things in our world are worth a seventeen-year wait: The Book of Dust is one of them.” —The Washington Post “The book is full of wonder. . . . Truly thrilling.” —The New York Times “People will love the first volume of Philip Pullman’s new trilogy with the same helpless vehemence that stole over them when The Golden Compass came out.” —Slate
