**The Book Writer Breakthrough - Your Guide For Overcoming The Resistance To Finally Write, Publish & Launch Your Book (paperback)** Dave Thompson, 2019-01-02 MILLIONS OF PEOPLE WANT TO WRITE A BOOK. MOST DON'T. HERE'S WHY. If you're a coach, practitioner, expert, speaker, personal brand or entrepreneur, you know the value of writing, publishing and launching a best-selling book. Credibility, authority, leads, speaking engagements, media appearances, new business opportunities - a book is like a golden handshake to take you to the next level. So why, with so much at stake, do so many highly talented, hard working, ambition people struggle for years to finish their book? In this book, coach and founder of the Inspirational Book Writers Program Dave Thompson examines the 12 major obstacles that stop people from writing their book and launching it to the world. This book takes you into the heart of the book writing journey, bringing you awareness so you can navigate your way to great success with your book.

**Nobel Writers on Writing** Ottar G. Draugsvold, 2000 When in 1901 Alfred Nobel bequeathed to the world the funds to support the Nobel Prize, one of his few directives for the category of literature was that the artists selected be of idealistic tendency. Since its inception, the prize has given a very public voice to some of the world's greatest writers, and their responses to the honor-their acceptance speeches-have themselves often been epochal within each author's body of literature. From the famed call to arms by William Faulkner to the multicultural song of Derek Walcott, from 1903's Bjørnstjerne Bjørnson to 1999's Günter Grass, this collection traces the ideals of the artists and the selection committee itself throughout the entirety of the 20th century. Interestingly, writes Draugsvold, none [of the writers] discuss the more technical aspects of their craft. Equally striking is the strength of the common thread of idealism found in these addresses-a firm belief in humankind and the power of art, in its role in the service of truth and the service of liberty as Albert Camus said in 1957. I decline to accept the end of man wrote the Old Man, William Faulkner. The speeches presented here were chosen not by subjective but rather by substantive criteria, with biographical presentations and brief statements of gratitude omitted. Included are an introduction to each of the 28 writers chosen, an excerpted copy of the speech or lecture and a bibliography of works in English. The work concludes with a complete list of prize winners in literature and a bibliography of sources cited in the writer's introductions.

**The Writer on Her Work** Janet Sternburg, 2000 Published to high praise--groundbreaking . . . a landmark (Poets and

Writers)--this was the first anthology to celebrate the diversity of women who write.

*The Basic Writer's Book* Anne Agee, Gary Kline, 1981

*Our Prince of Scribes* Nicole Seitz, Jonathan Haupt, 2018-09-15 Acclaimed writers, family, friends, and more pay homage to the celebrated Southern author of *The Prince of Tides* and *The Great Santini*. New York Times–bestselling writer Pat Conroy (1945–2016) inspired a worldwide legion of devoted fans, but none are more loyal to him and more committed to sustaining his literary legacy than the many writers he nurtured over the course of his fifty-year career. In sharing their stories of Conroy, his fellow writers honor his memory and advance our shared understanding of his lasting impact on literary life in and well beyond the American South. Conroy’s fellowship drew from all walks of life. His relationships were complicated, and people and places he thought he’d left behind often circled back to him at crucial moments. The pantheon of contributors includes Rick Bragg, Kathleen Parker, Barbra Streisand, Janis Ian, Anthony Grooms, Mary Hood, Nikky Finney, Nathalie Dupree and Cynthia Graubart, Ron Rash, Sandra Brown, and Mary Alice Monroe; Conroy biographers Katherine Clark and Catherine Seltzer; his longtime friends; Pat’s students Sallie Ann Robinson and Valerie Sayers; members of the Conroy family; and many more. Each author in this collection shares a slightly different view of Conroy. Through their voices, a multifaceted portrait of him comes to life and sheds new light on who he was. Loosely following Conroy’s own chronology, the essays herewith wind through his river of a story, stopping at important ports of call. Cities he called home and longed to visit, along with each book he birthed, become characters that are as equally important as the people he touched along the way.
