Taking on even a small section of theology is a massive undertaking, and honestly, it's just a mess of different versions of all kinds of stories and beliefs. So that being said, let's talk about some of the bad boys of several religions: fallen angels. Everyone knows what angels are - wings, halos, all kinds of bright light and grace. The Book of Enoch - God, Angels, Devils, Fallen Angels, Giant Nephilims, Aliens, Magic, Humans and Hell R. H. Charles, 2019-01-20 This is a compilation about the book of Enoch first of all, Enoch is mentioned in Genesis, Luke, and Hebrews; and the book of Enoch was quoted by both Jude and Peter. It is not included in the Bible we have today, but there's a good reason for that. It was completely unknown prior to the KJV Bible and all of the pre-KJV translations and collections of scripture, so there could be no way for it to have been included in the Bible we have today. Enoch, like Elijah, was taken to heaven by God without having to die in this life: Gen 5:24 And Enoch walked with God: and he was not; for God took him. - and - Heb 11:5 By faith Enoch was translated that he should not see death; and was not found, because God had translated him: for before his translation he had this testimony, that he pleased God. The book of Enoch was first discovered in Africa (Ethiopia) in the mid-1700s and then also found among the Dead Sea Scrolls. Enoch was the great grandfather of Noah. He gave his writings to Methuselah (the son of Enoch and grandfather of Noah), and Noah to preserve them so they can be delivered to the generations of the world. Is it a book we should study and consider as the word of God just like the other major prophets? I can't answer that question for you, but I have read it, have found no direct contradictions to the Bible in it, find that many places confirm and expand on what we have in the Bible, and find the prophecies fascinating, such as the prophecy of the flood and how it gives us a greater understanding of the world prior to the flood. And, the 10 weeks prophecy where each week is an era or period of time (looks like they are about 600-800 years each). Since Enoch is mentioned several times in the Bible, was a man of God, and the book of Enoch was quoted by Jude and Peter, I tend to lean toward it being authentic and inspired by the Spirit like the rest of the Bible. It goes into great detail about the angels who sinned: Genesis 6:4 and 2 Peter 2:4...And it gives us an understanding of where evil spirits come from, where magic first came from, etc...Plus

it explains hell much more fully. I recently did a study on hell and determined through the Bible that it (Sheol and/or Hades) is the place of the dead, not just for the wicked but it has several parts including a good part for the righteous dead. In Enoch, it gives us even more information! I recommend giving it a read if you have not already. Thank You

The Book of Enoch - The Book of Watchers Steven Ashe,2008-06 The Book of Enoch describes the fall of the Watchers who fathered the Nephilim. The fallen angels then went to Enoch to intercede on their behalf with God. The remainder of the book describes Enoch's visit to Heaven in the form of a vision, and his revelations. The Book of Enoch, written during the second century B.C.E., is one of the most important non-canonical apocryphal works, and probably had a huge influence on early Christian, particularly Gnostic, beliefs. Filled with hallucinatory visions of heaven and hell, angels and devils, Enoch introduced concepts such as fallen angels, the appearance of a Messiah, Resurrection, a Final Judgement, and a Heavenly Kingdom on Earth. Interspersed with this material are quasi-scientific digressions on calendrical systems, geography, cosmology, astronomy, and meteorology. With an introduction by Steven Ashe, author of 'Qabalah of 50 Gates'.

The Books of Enoch Enoch,History Academy,2020-09-04 The study of Enoch's words awakened the desire to explore spiritual dimensions in a deeper way. Enoch once said: I write not for my own, but for the extreme future generations, for you human beings who will come. Enoch, the seventh of Adam's descendants describes his journey through the seven heavens,

where he receives revelations like when he is described the creation of the world and the secrets of the future. Enoch's journey culminates with the encounter with God after a life that lasted 365 years. From the mists of time he has shown humanity a luminous path to follow. Enoch goes back to the causes of evil and great are his sufferings for human wickedness and his exhortations to cultivate good and wisdom. All his writings, which are reported alongside the interpretation of History Academy, were found and collected in the time before the birth of Christ. Not recognized by the Church and ignored in the Old Testament collection, they are now published for everyone to read. Besides giving us a clear overview of the extraordinary civilization that flourished on Earth in those times, they offer clear explanations of the beginning of sin, the angels' fall, the intervention of the archangels on the future of humanity, the apocalypse and the arrival of the Messiah and the kingdom of God on Earth. Why do angels and archangels interact with high-minded human beings? The Ancient Book of Enoch tells the history of the angels who fell in the days of Jared, Enoch's father, who married human women and conducted genetic experiments. This commentary includes a previously unknown chapter from the Dead Sea Scrolls that explains how they did their genetic tampering. Enoch's Books are among the most relevant apocryphal texts in religious history. They are presented here for the first time in a restored and uncensored complete edition, translated from their original versions in Hebrew and Greek. The text is also accompanied by a rich theological, scientific, archaeological and esoteric analysis that explains its contents in detail. It is a necessary resource for those who want to know more about Angels, Demons, Watchers, Nephilim, Melchizedek, the angel Metatron and the Merkabah. This volume is an indispensable resource for those engaged in the study of religion, religious history, angelology, demonology, mysticism or the Kabbalah. In every period of crisis in human history, when morality is despised and wickedness reigns everywhere, divine help is invoked that will make its supreme justice prevail against all the diabolical and materialistic oppositions of earthly justice

Enoch Insights S N Strutt,2018-04-18 Every chapter of the book of Enoch, with commentaries, opinions, speculations and theories. The verses are reproduced together with extensive commentaries, references, and ideas for follow-up. ENOCH INSIGHTS gives great insight into the book of Enoch itself, which is an ancient book of around 5000 years old and apparently the very first book ever written. The book of Enoch was banned for 1000 years during the Dark Ages, on the threat of one

being burned at the stake. Why was it banned? Enoch lived in a Prediluvian world where 'Fallen Angels' came down from heaven and were seduced by the most beautiful women who had ever lived. The fruit of this 'forbidden union' were the Giants and Titans, who became cannibals and devoured mankind. Perhaps that is why we find many prediluvian cities underground? Were the prediluvian peoples hiding from man-eating giants and other monsters, such as dragons, dinosaurs and also chimeras of many types? How did the chimeras come into existence? During his lifespan which reached 365 years old, Enoch had many visions and dreams of heaven. He also visited hell and other dimensions. He prophesied about the entire '7000-year-History' of mankind from the beginning to the very end with stunning accuracy

The Book of Enoch J Norman Myers, 2025-09-28 The Book of Enoch: The Fallen Angels who Corrupted Humanity and the Symbolism behind their Rebellion Step into one of humanity's most haunting crossroads of faith, mystery, and forbidden knowledge. The Book of Enoch invites readers to rediscover the seventh patriarch-not as a quiet footnote of Genesis, but as a heavenly scribe whose visions shaped apocalyptic thought and echoed into early Christianity. Guided by a confident, storyteller's voice, this work traces the descent of the Watchers, the birth and brutality of the Nephilim, and the cosmic judgment that followed. You'll meet the archangels-Michael, Gabriel, Raphael, and Uriel-see Enoch intercede between heaven and earth, and explore the Astronomical Book's solar calendar that once challenged religious power. Each chapter pairs vivid

narrative with lucid interpretation, revealing how Enoch's imagery-thrones, books, the Son of Man-became a scaffold for later biblical language and Christian hope. More than retelling, this edition decodes symbols, restores context, and presses the timeless questions Enoch raises: What happens when knowledge breaks its boundaries? How does justice arrive in a world bent by pride? Where does mercy meet judgment? Inside, you'll find: A clear, engaging roadmap through Enoch's major sections Concise explanations of angelic hierarchies and apocalyptic motifs Insight into Enoch's influence on the Dead Sea Scrolls and the New Testament Reflective guidance for drawing meaning today-without sensationalism Premium, reader-friendly design that balances narrative flow with scholarly clarity Whether you come as a scholar, seeker, or captivated newcomer, this book opens a door long kept shut-showing why Enoch's voice refuses to die. Magic and the Supernatural in Medieval English Romance Corinne J. Saunders,2010 This study looks at a wide range of medieval English romance texts, including the works of Chaucer and Malory, from a broad cultural perspective, to show that while they employ magic in order to create exotic, escapist worlds, they are also grounded in a sense of possibility, and reflect a complex web of inherited and current ideas. --Book Jacket.
