*The Wiley Blackwell Companion to Christian Martyrdom* Paul Middleton, 2020-01-27 A unique, wide-ranging volume exploring the historical, religious, cultural, political, and social aspects of Christian martyrdom. Although a well-studied and researched topic in early Christianity, martyrdom had become a relatively neglected subject of scholarship by the latter half of the 20th century. However, in the years following the attack on the Twin Towers on September 11, 2001, the study of martyrdom has experienced a remarkable resurgence. Heightened cultural, religious, and political debates about Islamic martyrdom have, in a large part, prompted increased interest in the role of martyrdom in the Christian tradition. The Wiley Blackwell Companion to Christian Martyrdom is a comprehensive examination of the phenomenon from its beginnings to its role in the present day. This timely volume presents essays written by 30 prominent scholars that explore the fundamental concepts, key questions, and contemporary debates surrounding martyrdom in Christianity. Broad in scope, this volume explores topics ranging from the origins, influences, and theology of martyrdom in the early church, with particular emphasis placed on the Martyr Acts, to contemporary issues of gender, identity construction, and the place of martyrdom in the modern church. Essays address the role of martyrdom after the establishment of Christendom, especially its crucial contribution during and after the Reformation period in the development of Christian and European national-building, as well as its role in forming Christian identities in Asia, Africa, and the Americas. This important contribution to Christian scholarship: Offers the first comprehensive reference work to examine the topic of martyrdom throughout Christian history. Includes an exploration of martyrdom and its links to traditions in Judaism and Islam. Covers extensive geographical zones, time periods, and perspectives. Provides topical commentary on Islamic martyrdom and its parallels to the Christian church. Discusses hotly debated topics such as the extent of the Roman persecution of early Christians. The Wiley Blackwell Companion to Christian Martyrdom is an invaluable resource for scholars and students of religious studies, theology, and Christian history, as well as readers with interest in the topic of Christian martyrdom.

Freedom and Destiny Patricia Uberoi, 2006 Freedom and Destiny depicts the figure of the woman as an icon of national society and the religious pantheon. It also takes up the iconization of the child and the family in the Indian national imaginary. Book jacket.

**America and the Cold War, 1941-1991** Norman A. Graebner, Richard Dean Burns, Joseph M. Siracusa, 2010-05-05

Three distinguished diplomatic historians offer an assessment of the Cold War in the realist tradition that focuses on balancing the objectives of foreign policy with the means of accomplishing them. *America and the Cold War, 1941-1991: A Realist Interpretation* is a sweeping historical account that focuses on the policy differences at the center of this conflict. In its pages, three preeminent authors offer an examination of contemporary criticism of the Cold War, documenting the views of observers who appreciated that many policies of the period were not only dangerous, but could not resolve the problems they contemplated. The study offers a comprehensive chronicle of U.S.-Soviet relations, broadly conceived, from World War II to the collapse of the Soviet Union. It places the origins of the Cold War as related to the contentious issues of World War II and stresses the failure of Washington to understand or seriously seek settlement of those issues. It points out how nuclear weaponry gradually assumed political stature and came to dominate high-level, Soviet-American diplomatic activity, at the same time discounting the notion that the Cold War was a global ideological confrontation for the future of civilization. A concluding chapter draws lessons from the Cold War decades, showing how they apply to dealing with nation-states and terrorist groups today.
