John Albert Sleicher

Rain In the Wind "A Collection of Art and Poetry" Deneene Collins,2011-08-20 Rain in the Wind brilliantly transforms two of the most life-giving elements in the universe; water and air, so they can be presented to you in a poetic and artistic form. The distinct relationship between poetry, art, and nature is displayed in a way that will heighten the passion of your awareness for what is truly beautiful. This piece of a literary dream touches the senses of humanity with enlightenment and a great refreshing for dry and weary souls. Rain in the Wind is an innovative collaborative work that shares the art of Dhanaraj Keezhara of India and the poetic and inspirational writings of local Tucson, AZ author Deneene A. Collins. The artwork exhibited in this book are embellished by the lively words that describe them and communicate their deep-seated meanings. The overall theme of this collection of creative masterpieces is the theoretical effect of rain upon our lives. In this book you will see pictures and read words that detail the influences and expressions of rain.

Dogman Kurt F. Suss,2023-05-10 Dogs have been integrated into human society since before recorded history and have played important roles as hunters, protectors, guides, and most of all, companions. No one knows this better than Kurt F. Suss, a professional trainer and life-long dog lover. These stories look at the many ways dogs have affected his life, from memories of his grandfather's beloved spaniel through his four decades training professional animals. He has worked with tracking and search dogs, narcotics dogs, and family dogs in need of a nudge in the right direction. Collected here are the lessons he's learned along the way, including training tips, hilarious adventures, and memories of the pups that have become family. This book is an offering to anyone with a love of dogs and everything they do to make our lives better.
