**Keto Diet** Dr. Josh Axe, 2019-02-19 From the author of the national bestseller *Eat Dirt*, a 30-day healthy plan -- including more than 80 delicious recipes -- to burn fat, fight inflammation, and reverse disease using the keto diet. Today, the ketogenic diet is the world's fastest growing diet, and with good reason. When practiced correctly, it has been proven to burn fat, reduce inflammation, fight cancer, balance hormones and gut bacteria, improve neurological diseases, and even increase lifespan. Unfortunately, many people remain unaware of several key factors that are crucial to the diet's success, setting them up for frustration, failure, and relapse. In *Keto Diet*, bestselling author Dr. Josh Axe sets the record straight, offering thorough, step-by-step guidance to achieving lifelong health. Unlike other books on the subject, *Keto Diet* identifies and details five different ketogenic protocols and explains why picking the right one for your body and lifestyle is fundamental to your success. *28-Day FAST Start Day-by-Day* Gin Stephens, 2023-12-26 Gin Stephens is unstoppable! And she won't even pause until she's introduced every potential reader to Intermittent Fasting. In her *28-Day FAST Start Day-By-Day*, she dispenses the "hows" and "whys" of IF day by day for a reader's first month, giving IFers what they need to know, when they need to know it. Supported throughout with inspirational case histories that add up to a troubleshooting primer, as well as tips, truths and tweaks, *28-Day FAST Start Day-By-Day* also has an important write-in aspect. Most IFers "fail" because they don't think the practice is working, or think it's only working because they are naturally reducing calories by time-boxing their daily eating. With simple, direct check-ins at the end of each of the first twenty-eight days, readers will stay on track by noticing how their bodies are reacting to IF, acknowledging "non scale victories" and setting a goal for the next day: it's Gin's version of habit formation, and it works! *28-Day FAST Start Day-By-Day* is a complete program. Almost everything except the time framework will feel new even to readers of *FAST. FEAST. REPEAT.*, from picking an entry speed ("Easy Does It", "Steady Build" or "Rip Off The Band-Aid") on Day One, to discovering your "Appetstat" (Appetite Thermostat) in the middle of the month, to "Master the Delay" on Day Twenty-Eight.
