

Heaven And Earth Designs Gratis

M Planty

The Morning Star and Free Baptist ,1897

The Works of Saint Augustine Saint Augustine (of Hippo),2001 Third volume of the longawaited translation of one of Augustines classics and a great work in Christian literature. Newly translated by Maria Boulding, O.S.B., whose masterful translation of Augustines Confessions in the same series has been praised as being of a different level of excellence from practically anything else in the market (Bishop Rowan Williams, Monmouth, England). As the psalms are a microcosm of the Old Testament, so the Expositions of the Psalms can be seen as a microcosm of Augustinian thought. They recapitulate and focus the experiences of Augustines personal life, his theological reflections, and his pastoral concerns as Bishop of Hippo.
