**Stop Translating, Start Connecting: Small Talk for Non-Native Speakers. The book that'll make you love small talk (even if you're an introvert)** Larisa Lubimova, 2025-09-18 It is not about grammar – it's about human alchemy. Designed for: Non-native speakers who want to ditch robotic phrases and speak with emotional fluency. Introverts ready to trade «awkward silence» for the magic of intentional listening. Expats and immigrants tired of feeling like outsiders in conversations. This book is your cheat code to: Turn cultural gaps into bridges using «imperfect» English as your secret weapon. It's for anyone who wants to stop being a «language robot».

In Love with Lewis Prescott Sarah Smith, 2023-02-21 A woman's peaceful life is turned upside down when a bad-boy TV star comes to town in Sarah Smith's new laugh-out-loud romantic comedy She needs a break Fed up with the long hours at her prestigious San Francisco architecture firm, Harper Ellorza has traded the overcrowded city for the sleepy seaside town of Half Moon Bay. Her plan to renovate her late grandparents' house has hit some snags, though: it's in worse condition than expected, the costs are piling up and her savings are dwindling—fast. He needs to hide out A chance encounter with TV hunk Lewis Prescott might be the solution to her problems. After a career-killing meltdown, he's desperate for a place to lie low for a while. He offers to help Harper remodel the house—for free—if she lets him stay there. He's famous, he's handsome and he's surprisingly good with his hands... They need each other As their living arrangements become more intimate, so do their conversations. Turns out, there's more to Lewis than she ever would have guessed, but Harper knows she needs to keep her hands—and her heart—to herself. After all, her hard-earned quiet coastal life could never be enough for a TV star determined to return to the A-list. Could it? I Heart SF Book 1: The Close-Up Book 2: In Love with Lewis Prescott

*From Dose to Doses* Mariam Dahham Almazrouie, 2025-08-13 What if addiction was never about weakness, but about wounds that no one dared to see? This book is not just about drugs. It is about the reasons we escape. The things we are taught not to feel. The pain that never found a language, so it found a substance. From childhood trauma to societal neglect, from corporate greed to state denial, this is a journey into the truth behind every pill, every sip, every silent scream. In the shadows of bright cities and behind perfectly filtered lives, millions are quietly unraveling. Addiction has become the background noise of a world that praises performance and punishes pain. And while some governments criminalize addicts and others glamorize collapse, one country is choosing a third path entirely. In the United Arab Emirates, addiction is not

treated as a crime or a marketing opportunity. It is treated as a wound that deserves healing. With rehabilitation centers rooted in science, care, and community, the UAE is building a system that fights for the human being, not just the statistics. It is not just about detoxing bodies, but about restoring dignity. This book blends lived stories, global case studies, and philosophical reflection. It is written for the ones who never felt seen. For the families who loved in silence. For the policymakers ready to do more than patch wounds. And for the societies willing to ask, “What happened to you?” instead of “What’s wrong with you?” From Dose to Doses is a manifesto, a mirror, and a map. It is your invitation to walk through the ruins and find the systems, stories, and strength that offer a way out. Because healing is not a miracle. It is a choice. And every nation must decide if it will bury its broken or help them rise.
