If We're Being Honest Cat Shook, 2023-04-18 For fans of *We Are the Brennans* by Tracey Lange and *All Adults Here* by Emma Straub, Cat Shook's debut novel *If We're Being Honest* is the snappy, smart, heartwarming story of the Williams family, and the sweltering summer that rewrote their history. When Gerry, the beloved Williams patriarch, dies suddenly, his grandchildren flock from across the country to the family home in Eulalia, Georgia. But when Gerry's best friend steps up to the microphone to deliver his eulogy, the funeral turns out unlike anyone expected. The cousins, left reeling and confused, cope with their fresh grief and various private dramas. Delia, recently heartbroken, refuses to shut up about her ex. Her sister Alice, usually confident, flusters when she spots her high school sweetheart, hiding a secret that will change both of their lives. Outspoken, affable Grant is preening in the afterglow of his recent appearance on *The Bachelorette* and looking to reignite an old flame with the least available person in town. Meanwhile, his younger brother Red, unsure of himself and easily embarrassed, desperately searches for a place in the boisterous family. The cousins' eccentric parents are in tow, too, and equally lost—in love and in life. Watching over them all is Ellen, Gerry's sweet and proper widow, who does her best to keep her composure in front of the leering small town. Clever and completely original, *If We're Being Honest* reminds you that while no one can break your heart like your family can, there's really no one better to put you back together.

Beloved Enemy Hywela Lyn, 2016-03-11 Cat Kincaid is obsessed with killing the man she believes is responsible for the torture and death of her sister, but when she eventually catches up with him, survival becomes a greater priority than revenge. Kerry Marchant, haunted by memories, regret, and self-blame, shields himself from the pain of the past by committing himself totally to the starship, *Destiny*, of which he is part owner. However, the beautiful, red-haired woman who reminds him of his lost love, and who he suspects is working for a corrupt regime, represents a possible threat not only to the ship, but to his heart. Marooned on an inhospitable planet, they need to work together to stay alive, fighting not only unknown assailants, but their growing attraction. But how can they learn to trust each other when he has vowed never to get close to a woman again, and she made a solemn pledge to destroy him?

Monk Chris Parker, 2021-05-17 An elite operative trained in both mysticism and murder has been assigned a mission—to recover the stolen Shroud of Turin . . . Many centuries ago, a secret sect of elite spies and killers was tasked with protecting the Church, its secrets, and its treasures. They are known as the MK—contemplative monks highly trained in mystical practises, espionage, and assassination, ready to do whatever task the Church demands. Raphael Ward is their most accomplished member, and now he is charged with the most important mission of his life: recovering the real Turin Shroud, secretly stolen from the Church by the Nazis during World War II. It is a mission that forces Raphael to engage with the world's darkest, most violent underbelly, and to question the very faith that has driven and sustained him for so long. When he finally discovers the shocking truth about the Shroud, he will be faced with a decision that could change the Church—and perhaps even the world—forever . . .

Humor Me Cat Shook,2024-07-09 For fans of Romantic Comedy by Curtis Sittenfeld, a hilarious, heartfelt novel about the healing power of female friendship, unexpected love, and stand-up comedy Presley Fry is not amused. She's been an assistant at the Late Night Show for way too long, she's adopted a "business casual" approach to dating to save herself from the embarrassment of seeking genuine connection, and she's content to let her gregarious roommate, Isabelle, orchestrate her entire social life. Not completely disillusioned, Presley is enamored with the world of stand-up comedy. The joy she finds in discovering up-and-coming comedians is enough for now. Presley is still reeling from her mother's death, which still knocks the wind out of her every time she reaches for the phone. Enter Susan Clark, her late mother's childhood best friend. Susan is married to the head of the network where Presley works, and is determined to take Presley under her wing. She's equally determined to connect Presley with her son, the bright and affable Lawrence, who couldn't be further from Presley's type. As Presley grapples with the loss of her mother and finds her people among those who seek out comedy to make the world a bit brighter, **Humor Me** reminds us that friendship can emerge from where you least expect it and that shared laughter can ease the deepest pain.
