In a Dark, Dark Wood Ruth Ware,2016-07-12 INSTANT NEW YORK TIMES BESTSELLER AND SOON TO BE A MAJOR MOTION PICTURE What should be a cozy and fun-filled weekend deep in the English countryside takes a sinister turn in Ruth Ware's suspenseful, compulsive, and darkly twisted psychological thriller. Sometimes the only thing to fear...is yourself. When reclusive writer Leonora is invited to a hen party in an eerie glass house deep in the English countryside, she reluctantly agrees to make the trip. But as the first night falls, revelations unfold among friends old and new and a haunting realization creeps in—they are not alone in the woods. Forty-eight hours later, Nora wakes up in a hospital bed injured but alive, with the knowledge that someone is dead. Wondering not “what happened?” but “what have I done?” she tries to piece together the events of the past weekend. Working to uncover secrets, reveal motives, and find answers, Nora must revisit parts of herself that she would much rather leave buried where they belong: in the past.

The Curse of the Dark Woods Brad Craddock,2012-11-01 In 1932 Laura Ingalls Wilder wrote a book about her life in the pioneering days that has charmed generations of children and adults. This is not that book. This book tells the story of Helena, a plucky pioneer girl, and her family as they run afoul of sinister blackberries, thwart bear attacks, and begin a family outing through a bloodthirsty forest hungry for their souls. The Curse of the Dark Woods is the first book in the Little House in the Dark Woods series.

In a Dark Wood Amanda Craig,2002-02-19 Thirty-nine, recently divorced, jobless, Benedick Hunter is an actor heading in the exact opposite direction of happily ever after: everything from spending time with his own children to the prospect of dating brings him down. So when he comes across a children's book his mother Laura wrote, he decides that her life and work--haunting stories replete with sinister woods and wicked witches and brave girls who battle giants--hold the key to figuring out why his own life is such a mess. Setting out to find out why Laura killed herself when he was six, Benedick travels from his native England to the U.S. in search of her friends and his own long-lost relatives. As he grows obsessed with Laura's books and their veiled references to reality Benedick enters into a dark wood—a dark wood that is both hilariously real and terrifyingly psychological. It is then that his story becomes an exploration not only of his mother's genius but also of

the nature of depression, and of the healing power of storytelling in our lives.

In the Dark Woods I Lost My Way Debbie Kupinsky, 2002

Machete Tomás Q. Morín, 2021-10-12 This fresh voice in American poetry wields lyric pleasure and well-honed insight against a cruel century that would kill us with a thousand cuts. Morín's writing uses the mundane details of everyday life...as a jumping-off point for creating fascinating and philosophical worlds. —LitHub Dios aprieta, pero no ahorca (God squeezes, but He doesn't strangle)--the epigraph of *Machete*--sets the stage for a powerful poet who summons a variety of ways to endure life when there's an invisible hand at your throat. Tomás Morín hails from the coastal plains of Texas, and explores a world where identity and place shift like that ever-changing shore. In these poems, culture crashes like waves and leaves behind Billie Holiday and the CIA, disco balls and Dante, the Bible and Jerry Maguire. They are long, lean, and dazzle in their telling: *Whiteface* is a list of instructions for people stopped by the police; *Duct Tape* lauds our domestic life from the point of view of the tape itself. One part Groucho Marx, one part Job, Morín considers our obsession with suffering--the pain in which we trust--and finds that the best answer to our predicament is sometimes anger, sometimes laughter, but always via the keen line between them that may be the sharpest weapon we have.

Fire in the Dark Woods Peter Lancett, 2010-03-30 The Dark Realm of Screams is part of an award-winning fiction series for young adults with a reading age as low as 5-7. Each book features Dark Man, a shadowy, brooding loner who has been recruited to play a part in a secret, cataclysmic struggle between good and evil. The Shadow Masters have opened a door. To the realm of screams. The Dark Man must close this door. Who will help him? Following on from the shorter stories of the first twelve titles, the new books offer the perfect 'next step up' with stories of around 1000 words. Written at much the same level of difficulty, the stories entice readers by delving that bit deeper into the Dark Man mythology. The simple, carefully written texts focus on the 200 key high frequency words, and to assist the reader they are left justified throughout and printed in a clear, legible font on off-white paper (ideal for dyslexic readers).

Revenge of the Dark Woods Brad Craddock, 2016-12-11 The comically gifted Brad Craddock is at it again with the second book in the Little House in the Dark Woods series. This time the forest is out for blood, as Helena and her family try to survive wolf attacks, suspicious Christmas gifts, and the grandest hootenanny ever thrown in the dark woods. *Revenge of the Dark Woods* continues the story of the plucky pioneer family from *The Curse of the Dark Woods*.
