**Walter B. Shurden**

*The Trail of Blood* Edward DeVries, J. M. Carroll, 2016-10-26 This is Dr. Carroll's classic work. The introduction was written by Dr. Edward DeVries when he was pastoring Oakland Baptist Church. Oakland was Dr. J. M. Carroll's very first pastorate. This very easy to read adjustable print-size edition of the Trail of Blood comes complete with Dr. Carroll's illustrated chart of Church History.

The Trail of Blood: ...Following the Christians Down Through the Centuries. Or, Or... the History of Baptist Churches from the Time of Chr J. M. Carroll, 2018-08-28 J. M. Carroll's excellent history of the Baptist church and movement illustrates events over the centuries, with references to a chart appended at the beginning of the book. First released in 1931, Carroll's superb church history attracted great praise for successfully summarizing all major events and turning points in the history of Baptism. The author sets out his work chronologically, from the time Jesus Christ lived and died upon the cross in 25 - 35 A.D., to the initial manifestations of organised Christianity, its growth during the Dark Ages, the Reformation, and finally the 19th and 20th centuries. Named The trail of blood, for the amount of hatred and persecution Baptists had endured over the ages, this book sets out to demonstrate how Baptism grew from a small niche of believers into an accepted movement firmly in the mainstream of Christian faith. Carroll identifies and explains a number of violent persecutions by the Roman Catholic Church, which disagreed broadly with Baptist doctrine.

**The Trail of Blood** J. M. Carroll, 2015-02-11 Table of Contents INTRODUCTION by Clarence Walker Marks of the New Testament Church FIRST LECTURE Some Unerring, Infallible Marks The Chart First Period: 30-500 A.D. SECOND LECTURE: 600-1300 A.D. The Trail of Blood THIRD LECTURE: 1400-1600 A.D. The Trail of Blood FOURTH LECTURE: 17th, 18th, 19th Centuries FIFTH LECTURE: Religion in the United States The Trail of Blood in America SOME AFTER WORDS FUNDAMENTAL DOCTRINES Dr. J. M. Carroll, the author of this book, was born in the state of Arkansas, January 8, 1858, and died in Texas, January 10, 1931. His father, a Baptist preacher, moved to Texas when Brother Carroll was six years old. There he was converted, baptized, and ordained to the Gospel ministry. Dr. Carroll not only became a leader among Texas Baptist, but an outstanding figure of Southern Baptists, and of the world. Years ago he came to our church and brought the messages found in this book. It was then I became greatly interested in Brother Carroll's studies. I, too, had made a special research in Church History, as to which is the oldest Church and most like the churches of the New Testament. Dr. J. W.

Porter attended the lectures. He was so impressed he told Brother Carroll if he would write the messages he would publish them in a book. Dr. Carroll wrote the lectures and gave Dr. Porter the right to publish them along with the chart which illustrates the history so vividly. However, Dr. Carroll died before the book came off the press, but Dr. Porter placed them before the public and the whole edition was soon sold. Now, by the grace of God, we are able to present this 66th edition of 20,000. I want to ask all who read and study these pages to join me in prayer and work that an ever-increasing number shall go forth. To make all men see what is the fellowship of the mystery which from the beginning of the world hath been hid in God, who created all things by Christ Jesus; to the intent that now unto the principalities and powers in Heavenly places might be known by the Church, the manifold wisdom of God ... unto Him be glory in the Church by Christ Jesus throughout all ages, world without end, Amen. (Eph. 3:9-10, 21) -Clarence Walker

*The Trail of Blood*, J. M. Carroll, 2017-02-22 This premium edition of J. M. Carroll's excellent history of the Baptist church and movement contains the large chart which illustrates events over the centuries, which is referred to throughout the text. First released in 1931, Carroll's superb church history attracted great praise for successfully summarizing all major events and turning points in the history of Baptism. The author sets out his work chronologically, from the time Jesus Christ lived and died upon the cross in 25 - 35 A.D., to the initial manifestations of organised Christianity, its growth during the Dark Ages, the Reformation, and finally the 19th and 20th centuries. Named -The trail of blood, - for the amount of hatred and persecution Baptists had endured over the ages, this book sets out to demonstrate how Baptism grew from a small niche of believers into an accepted movement firmly in the mainstream of Christian faith. Carroll identifies and explains a number of violent persecutions by the Roman Catholic Church, which disagreed broadly with the Baptist doctrine. The book itself is organised as a series of four lectures, adapted from speeches James Milton Carroll delivered in his role as a preacher and educator in the southern United States. Popular for their clarity, and novelty compared against traditional subjects, it was thus that Carroll had the idea to expand and publish his history in written form. As an introduction to Baptism, this book is a good choice: it is accessible, vivid, lively and without the dryness common to longer, more ponderous texts. The reader will emerge enlightened as to the major events in the establishment and growth of the Baptist tradition, and may harbor curiosity to explore certain incidents in greater detail. Baptists have an unbroken line of churches since Christ and have fulfilled His prophecy - I will build my church and the gates of hell shall not prevail against it.

**The Baptist Story** A. A. Davis, M. J. Lee, 2018-12-02 The Baptist Story is a story of struggle and triumph, victory and heartbreak. There have always existed, although sometimes in the most remote regions, those who sought to maintain pure New Testament practice in the face of all adversity. These believers were a simple people who led a simple life, and who sought to adhere to the simple, primitive practices of the New Testament. For their adherence to the simple truths of God's precious Word, these Godly saints suffered banishment, imprisonment, persecution, some even suffering death by fire and sword. Their persecutions were sanctioned by the pagan religious establishments of that day. But these saints endured because they loved not their lives unto the death. They counted the truth of God's Word more precious than family, friends, and their very lives. This excellent work, which is a series of sermons based upon The Trail of Blood by the revered J. M. Carroll, presents in a simple, enlightening, and easy to read fashion, the story of these precious souls who lived pure lives and died for the simple truths which are often taken advantage of today. Baptists of today need to become more aware of the struggles borne by their forefathers and the premium price paid for the maintenance of New Testament truth. Just as we owe the military soldiers a debt for the sacrifices they have made for the cause of personal freedom, so we owe an even greater debt to the soldiers of the cross who suffered and gave their lives to secure our religious freedom, which is taken for granted today. We present this book with the hope that it will be used to make God's people aware of their glorious past. We pray that the all-wise God will see fit to use this work to once again enlighten His people and to give them the courage to stand for the truths contained in His precious Word.

**Forgotten but Not Gone** James Hoyle Maples Jr., 2018-08-16 All of us are shaped in many ways by unseen markers in our DNA. Unknown ancestral traits contribute to determination of such things as eye and hair color, height, and even a certain propensity or susceptibility to certain diseases. To some extent religious bodies are similarly the product of their beliefs and doctrines, at times and in certain ways, to beliefs and doctrines buried in the inherited make-up of that body or denomination. Landmarkism is such a genetic-like marker in the Southern Baptist Convention yet is largely unknown, and its influence is barely recognized today as a contributing factor in much of Baptist practice and belief. This book seeks to trace the origin and transmission of landmark beliefs from the time of its greatest influence to the present day when it is largely unknown but certainly present in beliefs and practices that have developed and become part of the Southern Baptist body in many instances.

*Scholarship on Fire* Beau K. Brewer, 2021-11-12 *Scholarship on Fire: A History of the "Chair of Fire" and Southern Baptist Evangelism in Theological Education* takes a step back into early-twentieth-century Texas Baptist history and observes the unveiling of the crown jewel of the Southern Baptist Convention, the Southwestern Baptist Theological Seminary and the events that led the forward-thinking architect of theological education, Benajah Harvey (B. H.) Carroll, to the creation of the world's first endowed chair of evangelism and professorship of evangelism at his newly formed Texas seminary. This book carries the reader through a 112-year history of an academic chair and professorship that both educated men and women in the art of personal and mass evangelism and provided the necessary evangelistic spirit to forge the fervent pioneering, soul-winning denominational spirit that has thrust Southern Baptists to the forefront of evangelistic advancement since their inception in 1845. Studying the auspicious beginnings of evangelism taught in theological education will delve into the lives of the men who have taught Christians to reach their neighbors for Christ Jesus. The "Chair of Fire" has impacted all seminaries and Christian schools around the world because of the inclusion of evangelism in theological education.
