Die, My Love Kathryn Casey, 2009-10-13 The day before Halloween 2004 was the last day on Earth for respected, well-liked college professor Fred Jablin. That morning, a neighbor discovered his body lying in a pool of blood in the driveway of Jablin's Virginia home. Police immediately turned their attentions to the victim's ex-wife, Piper, a petite, pretty Texas lawyer who had lost a bitter custody battle and would do anything to get her kids back. But Piper was in Houston, one thousand miles away, at the time of the slaying and couldn't possibly have been the killer . . . could she? So began an investigation into one of the most bizarre cases Virginia and Texas law enforcement agencies had ever encountered: a twisted conspiracy of lies, rage, paranoia, manipulation, and savage murder that would ensnare an entire family—including two lethally close look-alike sisters—and reveal the shocking depravities possible when a dangerously disordered mind slips into madness.

Singularity Kathryn Casey, 2017-11-12 BOOKLIST: picked SINGULARITY, as one of the Best Crime Novel Debuts of the

year! An incredible honor! Vanity Fair: SINGULARITY is a recommended read in the magazine's HOT TYPE section! Lt. Sarah Armstrong balances the challenges of being the Texas Rangers' lone criminal profiler and a single mom in the riveting fiction debut from true-crime journalist Casey (A Descent into Hell).... Casey's solid research, smooth plotting and sensitive depiction of Sarah's relationship with her grieving daughter lift what could've been standard serial-killer fare into poignant, exciting family drama. Publisher's Weekly, a starred review. An impressive fiction debut for true crime author Casey (She Wanted It All, 2005), whose memorable heroine has brains, moxie, and heart. Happily for readers, this is the first in a series, wrote Allison Block for Booklist in another starred review. Casey is clearly talented and has the makings of a robust and long-lasting series character, the Baltimore Sun Not since Patricia Cornwell's 'Postmortem' has a crime author crafted such a stellar series debut. Kathryn Casey hits the right notes in her first novel, 'Singularity, ' a thriller with an insider's insight into the minds of psychopaths...think of [Sarah] Armstrong as a blending of Alex Cross and Kay Scarpetta, a tough cookie balancing her new role as a widow. Casey finds sympathy and strength in the female Texas Ranger as she struggles with sexism and politics at the heart of this crime, the Tampa Tribune The nuts-and-bolts of profiling - looking for patterns, digging for similar murders, identifying the signs of pleasure killing - is given gratifying play: The two profilers' probing of a small community in the Big Thicket with a long-ago matching murder is compelling. The string of murders that later unfold is also vivid, with the victims given poignant depth... Casey keeps a steady momentum building to the end, the Houston Chronicle Casey has a deft touch with dialogue and character development, the Cleveland Plain Dealer There's a new Ranger in town and she's profiler Sarah Armstrong...Let's hope she'll be around for a good long while...a harrowing debut, says C.J. Box, author of BLUE HEAVEN and BLOOD TRAIL Deadly Pleasures magazine ranks SINGULARITY as one of the Best First Novels of the year. SINGULARITY starts on a high note and never lets up. Kudos to Kathryn Casey for her creation of Sarah Armstrong, a complex and memorable character sure to appeal to all readers. SINGULARITY is a bright new star in the mystery genre, says Jessica Speart, author of UNSAFE HARBOR, RESTLESS WATER, AND BORDER PREY Speaking as a former cop, I'd work a case with Texas Ranger Sarah Armstrong any day. She's a smart and savvy investigator, definitely a force to be reckoned with. More importantly, Casey delivers a strong and chilling novel, proving that she can write fiction with the same compelling authority in which she pens true crime, Robin Burcell, author of COLD CASE, FATAL TRUTH and DEADLY LEGACY The Plot: The call comes in on a Friday afternoon, a bizarre double murder in Galveston, in a multimillion-dollar beach house. Local police hold the scene, moving nothing, until Texas Ranger Sarah Armstrong arrives. Even crime photos won't do these bloody murders justice. They're like nothing Armstrong has ever encountered as the Ranger's lone criminal profiler. Thus begins a whirlwind investigation into a string of murders that propels Armstrong across Texas, from a Fort Worth mansion to Texas' Rio Grande Valley, from a San Antonio barrio to the piney woods of the Big Thicket, and into the epicenter of Houston high society. Still reeling from a loss that fractured her family, Sarah Armstrong soon finds her

world spinning out of control and everything she holds dear threatened, even her very life.

Body Parts Caitlin Rother, 2025-02-25 Now updated with shocking details about the identity of Wayne Adam Ford's first victim – revealed 25 years after her death – the brand new edition of a true crime classic from New York Times bestselling author Caitlin Rother delves into the disturbing mind and brutal crimes of the Humboldt County serial killer now on Death Row. "I hurt some people." With these words, a tearful man hinted at a deadly crime, leading investigators to uncover a horrifying saga of abuse, tragedy, and serial murder . . . When Wayne Adam Ford walked into the Humboldt County Sheriff's Office in November 1998 with a woman's body part in his jacket pocket, the 36-year-old truck driver wasn't a suspect in any crime. After a lengthy investigation spanning four California counties and a sensational trial, he was convicted of the torture and murder of four women. His first victim, whom he dismembered, would remain unidentified for 25 years. While serving honorably in the Marine Corps, Ford had learned life-saving techniques that gave him structure and purpose. But a severe head injury worsened pre-existing emotional problems, rendering him unable to suppress his dark sexual impulses. Knowing he would kill again, he enlisted his brother's help to turn himself in. Award-winning investigative journalist Caitlin Rother drew on previously sealed testimony and interviewed key players in the case, including Ford's brother and father, to write this intimate and psychologically resonant narrative. Extensively updated with the inside details of how Ford's first victim was recently identified through DNA testing and forensic genealogy, this classic true crime story continues to haunt us.

A Descent Into Hell Kathryn Casey, 2009-10-13 Bright, attractive, and both from good families, University of Texas college student Colton Pitonyak and vibrant redhead Jennifer Cave had the world at their beckoning. Cave, an ex-cheerleader, had just landed an exciting new job, while a big-money scholarship to UT's prestigious business school lured Pitonyak to Austin. Yet the former altar boy had a dark, unpredictable streak, one that ensnared him in the perilous underworld of drugs and guns. When Jennifer failed to show up for work on August 18, 2005, her mother became frightened. Sharon Cave's search led to Colton's West Campus apartment, where Jennifer's family discovered a scene worthy of the grisliest horror movie. Meanwhile, Colton Pitonyak was nowhere to be found. *A Descent Into Hell* is the gripping true story of one of the most brutal slayings in UT history—and the wild Bonnie and Clyde-like flight from justice of a cold-blooded young killer and his would-be girlfriend, who claimed that her unquestioning allegiance to Pitonyak was just the way I roll.

Sleep In Heavenly Peace M. William Phelps, 2010-05-21 The New York Times–bestselling journalist and serial killer expert recounts a tragic case of infanticide—including an exclusive interview with the killer. It started with a horrifying discovery in an Arizona self-storage facility: the abandoned bodies of three infants wrapped in plastic. Dianne O'Dell, a mother of eight children, admitted the babies were hers. She claimed they'd died of natural causes; that she'd been impregnated by her father when young; that her own mother had forced her into teen prostitution. O'Dell's life story ran a

horrifying thread from tranquil Kauneonga Lake, New York, to the mountains of the Southwest. But would it lead a jury to grant her mercy? Or would she pay the price for committing the worst crime a mother can commit?

Too Young to Kill M. William Phelps, 2024-12-24 New and updated anniversary edition! As daily headlines about bullying and teen violence render it more timely than ever, this shocking true crime tale of a vulnerable small-town girl gruesomely murdered by the peers she called friends is now updated with chilling new details and insights from New York Times bestselling author, investigative journalist, and host of the hit podcast *Crossing the Line*, M. William Phelps. After leaving her troubled home life in Texas, 16-year-old Adrienne Reynolds hoped for a fresh start as part of her adoptive father's family in East Moline, Illinois, near the banks of the Mississippi River. Seeking acceptance, she was drawn to a trio of classmates steeped in, and obsessed with, the Juggalo culture—fans of the rap duo Insane Clown Posse. Though they bonded over their feelings of being outcasts, sporting dark clothing, “killer” clown makeup, tattoos, and piercings, Adrienne was ill-prepared to deal with the twisted tangles of jealousy and domination in her new social world. After a brutal murder stunned the community and was traced back to the teens, bonds were severed and loyalties tested . . . as the shocking truth finally emerged. In this updated edition of a true-crime classic, M. William Phelps revisits the alarming and timely saga of a girl who tried to find herself, the youths who befriended and then betrayed her, and the heartbreaking problems of bullying and teen-on-teen violence that continue to shock and bewilder us.

Crime Buff's Guide to Outlaw Washington, DC Ron Franscell, 2012-09-04 Washington D.C. isn't known as the District of Crime or Murder Capital of America for nothing. Though the capital city's motto is justice for all, D.C. has a darker side, including an extensive history of crimes and misdemeanors, some political and some not. The Crime Buff's Guide to Outlaw Washington D.C. is the ultimate guidebook to the criminal and seedy history of the nation's capital -- plus Maryland, Northern Virginia and (ironically) Arlington National Cemetery. It also contains an entire chapter pinpointing key and little-known sites in the Lincoln Assassination. With photographs, maps, directions, and precise GPS coordinates, this collection of outlaw tales serves as both a travel guide and an entertaining and enlightening read. It is a one-of-a-kind exploration into well-known and more obscure sites in D.C. that retain memories of bandits, corpse-snatchers, murderers, snipers, bootleggers, assassins, rogue scientists, spies, mobsters and corrupt politicians -- even a legendary serial killer dressed in a bunny suit -- and their scandalous deeds.

Murder In The Heartland M. William Phelps, 2010-04-19 The New York Times bestselling author examines the shocking

case of a Kansas woman who murdered to become a mother. On December 16th, 2004, a 911 operator in rural Missouri received a frantic call from the mother of twenty-three-year-old Bobbie Jo Stinnett. The eight-months-pregnant mother-to-be had been found bleeding on her family room floor—her unborn baby gone. More than 150 miles away, in Melvern, Kansas, Lisa Montgomery proudly showed off “her” new baby, duping many while arousing the suspicions of others. Across the nation, televisions broadcast the first Amber Alert for an unborn child. Here is the true story of the frantic search for a baby born under shocking conditions, of the lucky break that led to the killer, of a tortured history of sexual abuse, and the pain that lingers in two American towns. With the exclusive cooperation of key witnesses and participants, award-winning investigative reporter M. William Phelps reveals what really happened that fateful December day. “The most disturbing and moving look at murder in rural America since *In Cold Blood*.” —Gregg Olsen

Blood Lines Kathryn Casey, 2009-07-21 Readers loved Sarah Armstrong, the feisty and vulnerable profiler in Kathryn Casey’s first mystery, *Singularity*. She’s back in this second book in the series with her hands full with two cases at once: A persistent and potentially lethal stalker pursues pop mega-star Cassidy Collins, and a high-energy Houston businesswoman is found dead in her house. Though the businesswoman’s death is being called a suicide, when Sarah is shown photographs of the scene, something seems off. It looks too perfect, almost staged, and Billie Cox apparently had every reason to live. The victim’s sister is convinced Billie was murdered and urges Sarah to take a closer look. During her investigation, Sarah uncovers a multimillion-dollar scam and traces a trail of greed to Billie’s murderer. Meanwhile, teenage idol Cassidy receives threatening e-mails and text messages and hears creepy whispers over her headset at performances. Cassie’s next performance is at a Houston rodeo, for which her handlers request extra security. Sarah once again teams up with FBI agent David Garrity, and together they plot to outwit and capture the stalker, but at the concert the unthinkable happens. . . . Kathryn Casey spins a tight plot with memorable characters and great action scenes, while paying close attention to Sarah’s struggles as a widow and mother, to create a multilayered, exciting, and satisfying read.
