*Change Does Not Occur in a Flash* Darrell Gordon, 2018-09-13 We all need transformations at different points in our lives to reach our full potential. My mission in this book is to illuminate your path to reach lasting change. I want to inspire you

and to transform your life for the rest of your life. Most people are scared of being uncomfortable during the transition from our routines to new opportunities. I call this the in-between time. If you can get past this in-between time, you can accomplish change successfully. I want you to finish this and be a better person forever. This book is about giving you the tools and a road map to make life transformations. In doing so, I reflect back on the changes that have propelled me in my life. They carried me from the streets of New Jersey to a championship football experience, two degrees at Notre Dame, a law degree in Kentucky, and then to my current role as CEO of the Wernle Youth & Family Treatment Center in Richmond, Indiana. The common denominators to those transformations are numerous: determination, sacrifice, and support. Spirituality is at the forefront of them all.

*The 'Green Flash' Calabash* Dawn Fraser Kawahara, 2021-07-01 This book comes as your ticket to a virtual vacation, inviting you to dive into the heart of the tropical island of Kauaʻi, Hawaiʻi, U.S.A. Please come, especially if you are a “capital ‘T’ Traveler” who digs deeper than surface pleasures of a new place, connects with people of the land, and celebrates differences as well as similarities. You may explore from front to back, vice-versa, or spot-read whatever pages fall open to your touch. All will be right. By accepting the author’s invitation, you’re assured of eventual enjoyment of thought-provoking segments categorized as “Outdoor Discoveries,” “Island Celebrations,” “Eyes to Sky, & Sea,” “Umbilical Ties” and more, including a drink from “The Water of Life.” Kauaʻi island could be considered your adventure to “Anyplace, World.” Aside from particularities of discoverers and settlement, the foundational needs and desires of all peoples of the world hold true: A homeland—a place of freedom and peace; a place to work and sustain a healthy life, to play and recreate; a safe place to raise and educate children; a place to protect, preserve, love and pass forward to coming generations. The time span covered draws from the onset of swift modern development and increased tourism that threatens a cherished lifestyle to the threshold of COVID-19. The Afterword deals with the isolation the life-threatening pandemic imposes, and the economic and emotional challenges that stem from an isolation severely underlined when an island home already lies as a far speck within the wide Pacific Ocean. The guiding mantra throughout—“Believe in the Unexpected!”—from the author’s “Green Flash” experience shared with her “Dear Readers,” holds truer than true as we move with hope and courage into our globally-connected future.
