William Shakespeare

Karuna Sandra Ramos, Jorge A. Ramos, 2018-07-18 Karuna is an unusual book that unites scientific and spiritual knowledge, and presents a novel literary technique - Meditagination - through which the readers meditate while reading and imagining. This technique assists in the internal adjustments that re-establish the flow of life. Presented herein are 38 meditations focused on matters concerned with human development, such as: recovering from sexual abuse, exploring past lives, developing healthier relationships, self-compassion and addictions, abundance as a natural flow, self-exorcism, ascension of the kundalini, the power of language, and affinity with money. All the meditations work as a unique portal for the renovation of the heart, the integration of the mind, and help promote a blissful experience on this planet. This is a must-have book for anyone who wants to reshape their inner and outer worlds.

The Synchronicity Key David Wilcock, 2014-07-29 Unlock the key to a universal life-force in this astonishing book from the New York Times bestselling author of *The Source Field Investigations* and *Awakening in the Dream*. *The Source Field Investigations* was a New York Times, Wall Street Journal, and USA Today bestseller that uncovered hidden science and lost prophecies to illuminate an entirely new understanding of our world today. Now, in *The Synchronicity Key*, David Wilcock embarks on an astonishing investigation into what lies beyond—finding proof that everything in our lives is not only connected, but it also influences everything else. Using history, astrology, and synchronicity theory among other concepts, Wilcock shows that there is hidden architecture within time, guiding individuals and nations through a system of enlightenment Joseph Campbell called the Hero's Journey. Historical events occur in shockingly precise, repeating cycles of time as a result. Once we understand and identify the hidden laws of this seemingly random “synchronicity,” we are left with a remarkable blueprint of how best to lead our lives in this uncertain and confusing world.

I AM Unconditional Love Dash Trembley,2019-08 We may not be able to turn back the clock to rewind what's been said and done by others with our past, but we hold the present power to birth a whole new future generation of thinkers, doers, and world shapers with just one mindset-shift in this new millennium. Poverty has never existed due to a lack of resources, but rather, a person carrying a mindset of scarcity and negativity his whole life, then passing it down and over like a baton of a relay race that no new lease of life intended to partake in. — Dash Trembley *Mission: Eradicate Poverty On Planet Earth* #1billionhearts An original collection of 111 authentic quotes of carefully selected words that entails a journey of mindfully cultivated life lessons of gratitude and self-love. Also helping you sculpt and mold a willpower of your own to help you through significant decision-makings in life. It covers an overall well-being theme that is uplifting in nature and it will help create an inner environment that is well-rounded, engineering all aspects of your life. Boldly creating new revolutionary perspectives for our near future, against all odds of growing up within the internal conflicts, dysfunctions, and drama of family ties and relationships. Also skating through the whirlwind of emotional roller coaster rides to overcome all the obstacles, madness, and chaos of the heart and mind. The only way out is to eventually work your way in. This book is exceptional. I love everything that's in it. I highly recommend this if you're a quote lover. You'll fall in love with it. —Linsey Corbett An uplifting emporium of wisdom and life truths. Such fine compilations of thought in depth offered to illuminate the ponderous oceans within us all as a lighthouse would guide lost travelers. Experienced. Appreciated. Loved. —Kristian Markovic
