My Father's Son Terri Fields, 2008-09-02 WHAT IF YOUR FATHER ISN'T WHO YOU THOUGHT HE WAS? I turn up the volume as a woman at a news desk announces, 'This just in...the alleged DB25 monster has been arrested.' Good. The camera switches from the anchor to a mug shot...and it is my face—or at least my face as it will look thirty years from now...A new image replaces the full-screen mug shot as I see two cops hustling my handcuffed father into the back of a police car. Kevin has to face the worst imaginable possibility: that his father may be the man responsible for a series of vicious killings. How much does he really know about his father? A fast-paced and sometimes disturbing look at families and violent crime and its many victims, seen and unseen. - Kirkus Reviews

**My Conscience** Spensir T. Blake, 2011-09-29 Have you ever heard that little voice in your head? The one that tells you to go a certain way down the road, what to eat for dinner, who to trust or which answer to put down on a test? In this evolutionary tale, that little voice comes to life and becomes a larger than life character in one man's story. Tommy becomes aware of his conscience in tenth grade and from then on that 'little voice' guides him throughout his life, through the ups and the downs, giving him major help and advice along the way. Though he is tested the entire journey of his life; he is taught to deal with many challenges. His search for true love proves... it may be right in front of you. This story captures the growth of a young boy into a man with his conscience leading the journey.

**Son of Six Brothers** Gert Wolfsohn, 2017-03-05 Gert Wolfsohn, born in Windhoek now Namibia, in 1924, was the only child of wonderful parents who, I know, did not have a happy marriage but stuck it out as best they could though the ups and downs of life to give me, their son, the very best start in my life that they could. As I grew older I felt very deeply about that and my own aim in life was to be lucky enough to find a wife that I could love, respect and lean on at all times and who would love me. Although I got to know my Little girl when she was 6 years of age there was friendship but nothing more, I well remember her pushing her little blue dolls pram around her garden while we boys climbed the bordering trees ignoring her pleas to join us. Young boys just had to show off even at 9 years of age. You will read about what happened in my later life in this, my book of my life's memories. I am very, very proud of my own family whose love and togetherness has held us together so wonderfully well over so many years. I was fortunate to achieve the love in marriage that my parents did not have. My deep respect and thanks to my air force buddies who gave us all the courage to stick together through both the horrors and the few good times of WW2. WE "carried 'each other always, with a deep companionship using the skills that our instructors had drilled into each of us. WHY CAN WE NOT DO IT IN TIMES OF SO CALLED PEACE ???

Zakk Zakk Cloutier is young, hot, and likes the ladies that are drawn to his bad boy image. The problem is that none of them make his heart race the way the tall, redheaded

widow of his late coach does. She's the one woman he'd consider settling down for. Tiffany Marcus feels like her life is crumbling around her.
