**Governance at Work : The Social Regulation of Economic Relations** Richard Whitley,Peer Hull Kristensen,1997-06-26 Global pressures present similar challenges to companies in different countries, but how those organizations deal with them depends on the social and institutional framework in which they develop and operate. In this book, leading academics explore and explain variations in governance systems, focusing in particular on European trends. In Governance at Work: The Social Regulation of Economic Relations the authors ask: · Are structures of work and business organization changing? Are we seeing a move away from large-scale (Fordist) mass-production systems that have dominated the industrialized world in the 20th century? · What are the local/national determinants of business organization? · Can we speak of different national business systems if so, how do these interact with the operations of international companies in global competition?

**The Intergalactic Guide to Humans: Volume 1** Skye MacKinnon,2021-11-06 Three steamy alien abduction romance novels in one boxset! If you love hot aliens, strong heroines and hilarious misunderstandings, read this collection today! These aliens have no idea how to abduct a human. Alien abductions aren't easy. Havel, Matar and Xil have failed too many times to count. Their only hope is enrolling in an abduction course at the prestigious Intergalactic University. To complete their course, these three sexy aliens need to abduct, probe and tame a human female - and they're graded on it. They think they've found their perfect human abductee, but Trish has no intentions of making it easy for them. Being probed by aliens wasn't on her to-do list, no matter how good-looking they are. But they are persistent and she soon finds herself wooed with chocolate, awful lingerie and a space bunny pet. When one of their university professors turns into a murderous maniac, Trish needs to decide whether to play along and save her aliens. Together, they might stand a chance, but is she ready to become their mate? A laugh-out-loud sci-fi reverse harem with clueless aliens and the human woman they're trying to seduce (and probe). Beware, these aliens have fangs and tails and are ready to put them to good use. If you want hunky aliens who will protect their mate at all cost, a sassy female who doesn't need protecting, a happy end, plus every single alien abduction trope imaginable, scroll up and read this box set today.
