From bestselling kindle sensation and the queen of Christmas love stories Catherine Walsh comes a brand-new short story collection for romance readers - featuring some of her best-loved characters from *Snowed In* and *Holiday Romance*. And if you can't get enough of Catherine Walsh, her next novel *How to Write a Love Story* is available for preorder now!

Snowed In Catherine Walsh, 2023-11 Megan is dreading going home for the holidays. She's the village pariah, the she-devil who left local golden boy Isaac at the altar four years ago and ran away to the big city. She could really do without the drama. Particularly as he's engaged again, and she's just been dumped for the fourth time this year. Christian's fed up of being on his own every Christmas. He doesn't mind being alone, but he hates his family's sad eyes and soft tones as they sit around coupled up. Because he's actually, totally, fine. So when Megan literally bumps into Christian in a Dublin pub, they come up with a pact to see them through the holiday season. They're going to be the very best fake dates for each other, ever. Rules are drawn up, a contract is signed on a wine-stained napkin. They will sit through each other's family gatherings and be outrageously in love until freed from their annual obligations. After all, it's only for a few weeks. But with everyone home for the holidays, two big families to deal with alongside old friends, old flames and old feelings, things are bound to get messy. And when a snowed-in cabin and a little Christmas magic are added to the mix, anything could happen... A swoonworthy and utterly gorgeous romantic comedy that will make you laugh out loud and fall completely in love. Fans of Emily Henry, Sophie Kinsella and Abby Jimenez won't be able to put this down! Holiday Romance Catherine Walsh, 2025-10-07 She's meant to be catching flights, not catching feelings... Molly and Andrew are just trying to get home to Ireland for the holidays, when a freak snowstorm grounds their flight. Nothing romantic has ever happened between them: they're friends and that's all. But once a year, for the last ten years, Molly has spent seven hours and fifteen minutes sitting next to Andrew on the last flight before Christmas from Chicago to Dublin, drinking terrible airplane wine and catching up on each other's lives. In spite of all the ways the two friends are different, it's the holiday tradition neither of them has ever wanted to give up. Molly isn't that bothered by Christmas, but--in yet another way they're total opposites--Andrew is a full-on fanatic for the festive season and she knows how much getting back to Ireland means to him. So, instead of doing the sane thing and just celebrating the holidays together in America, she does the stupid thing. The irrational thing. She vows to get him home. And in time for his mam's famous Christmas dinner. The clock is ticking. But Molly always has a plan. And--as long as the highly-specific combination of taxis, planes, boats, and trains all run on time--it can't possibly go wrong. What she doesn't know is that, as the snow falls over the city and over the heads of two friends who are sure they're not meant to be together, the universe might just have a plan of its own...

Exact Change Yearbook 1995 Peter Gizzi, 1995 The Yearbook is an anthology which takes its inspiration from classic publications like New Directions and the Evergreen Review. It gives readers a unique opportunity to sample challenging experimental writing of the international avant-garde, too often lost in small magazines, samizdat and the smokes of controversy.

Silence and Articulacy in the Poetry of Medbh McGuckian Maureen E. Ruprecht Fadem, 2019-12-03 Silence and Articulacy in the Poetry of Medbh McGuckian is an innovative contribution to the scholarship on Belfast poet, Medbh McGuckian. This book considers the entire oeuvre of this globally respected Irish woman writer, a member of the contemporary avant-garde with now fifteen (U.S. published) volumes and numerous individual publications. The author positions McGuckian's oeuvre as political and historical poetry and offers a provocative new assessment of its crafted

silences. This work argues that it is the muted character of McGuckian's poems—a consequence of a defamiliarized language, the overwhelming sway of the image, and a profusion of intertextual quoting—that constitutes their agency and force. The silences are read as a response to the precarious positionality of poet and speaker at the site of “disaster” and the limits of articulacy. In line with Rukeyser's notion of the life of poetry, the life of McGuckian's silences is located, Fadem argues, in the poems' production, as revealed self-reflexively, and in their prolonged consumption. This oeuvre operates as a formidable counter-discourse by converting poetry's reception into a much protracted task that redistributes the temporal economy of poem and reader and disrupts the given structures of time, place, and the order of things.
