The Manual for the Demon King to Pamper His Wife Jeffrey Sanders, 2017-12-30 Xiao Ran woke up slowly, and felt as if something was constantly moving at the tip of his nose. The tingling feeling made him panic, and he couldn't help but want to sneeze! Slowly opening his eyes, he saw a beautiful face. He was startled for a moment, then smiled bitterly and said, Mom, why do you always come to tease me so early in the morning? You won't even let me get a good night's sleep!

Bound to Daddy's Bed Ruby Falls, 2013-07-25 Bound to Daddy's Bed Blurb Adriana is sneaking in a boy for a little too much late night fun. She is getting into all kinds of trouble much to her step father's disappointment, but can he put an end to her slutty ways by disciplining her in a new way? He interrupts one of her sleepovers and in his anger he ties her naked body up to his bed, providing a much too tempting display of her wet pussy. He is going to let her know what it's like to be with a real man. After he gets through with her deliciously fuckable young body, she won't settle for boy in her bed again. For Adults only! This 7000 word short story contains graphic language and depictions of sex including daddy/daughter themes, rough sex, bondage, and unprotected sex. All of the characters are over 18 and none of the sexually active characters are blood

related. Excerpt:What the hell am I going to do with you?I don't know. You already grounded me. I rolled my eyes.Don't roll your eyes at me young lady!But Daddy, I was in my room just like you asked me to be. I didn't do anything wrong.Stop rolling your eyes at me. You don't see anything wrong with sneaking in a boy after dark?No. We were being responsible. He used protection. Just because you don't have a sex life doesn't mean I don't have to. I couldn't believe he was drilling me like this. He knew I had sex. He was my OBGYN, and not only did he take care of all my exams, he gave me my birth control pills when I was sixteen. That's it. This time you've gone too far, Adriana. He stalked over to the side of the bed and ripped the sheets from my prone body. It had been the first time in years he had seen my body without a stitch of clothing. I didn't make any attempt to hide my nudity from him, but I did press my legs together tightly. My nipples were puckered with the chill of the air and my father stopped for a moment to admire my body. He started with my flushed face but then his dark eyes dropped to my breasts and then finally slid along my lower anatomy to my legs and then back up to meet my face again. He reached down and wrapped his fist around my wrist, yanking me sharply from the bed. No, Daddy.I fought him, trying to pull away. I didn't know where he was taking me, but he was so angry I didn't feel he was not safe to be around.Jesus, Adriana. Stop fighting me and it won't hurt as much.Stop! What are you doing?Something I should have done a long time ago, he growled. He dragged me into his bedroom. The sheets to the King size bed were mussed up as if he had tried to sleep. He must have overheard Todd and me going at it. He stopped next to the bed and let go of my hand.Stay here, he commanded.I looked towards the door-my only escape-and then back to my stepfather, John. What would I be risking to make a run for it? Would I be kicked out of the house forever? Would Todd welcome me into his house and what would happen to me? If I risked it, I also risked he wouldn't be helping me anymore. Forget school, I didn't have the money to make my car payments. In a matter of months it would be repossessed. I didn't move. He seemed satisfied and left to rummage through his closet. He came out with a leather belt and snapped it between his hands. Goosebumps rose on my arms. He couldn't possibly be planning to use that on me. My butt muscles clenched involuntarily. What is that for?Adriana, we have to come to an understanding between us. If you can't have any self discipline, then I have to take you under my wing. I never thought I would have to do this, but you have left me no choice. His white knuckles gripped the leather. He looked determined to make this happen.More than anything I did not want to feel my Daddy's belt. I have never been whipped before. I was afraid of the pain, and the humiliation. Daddy, you don't have to do this.

Father Loss Elyce Wakerman,2015-11-03 As Elyce Wakerman found in the scores of interviews she conducted, the loss of a father— through death, divorce, or abandonment—is the event that shapes a girl's life and all her future relationships. "In my fantasy," one woman commented, "he remains the perfect, all-giving man"—a difficult role for any other man to fill. Based partly on the author's experience, partly on her in-depth interviews, and partly on a questionnaire she developed with psychologist Holly Barrett to which almost six hundred women responded, *Father Loss* provides the clearest portrait yet of a

very special group of women. As a group, they express their insecurities ("Sometimes I wonder if I'll ever be able to love a man totally . . . because that would mean I didn't love my father anymore." —Leslie). Yet individually, many have become outstanding achievers, including Eleanor Roosevelt ("He dominated my life as long as he lived and was the love of my life for years after he died."), Helen Gurney Brown ("People in business, my bosses, I look to them all as fathers."), Barbara Streisand, Gloria Steinem, Geraldine Ferraro and many others. A bestseller when it was first published twenty-five years ago and now updated and revised, *Father Loss* gives information and insight to fatherless daughters, to widows and divorcees with daughters, and to every father who needs to understand the vital role he plays in his daughter's life—as the first man she ever loves.

Appealing to God or Man Nicholas J. Campbell, 2025-03-31 *Appealing to God or Man: Contrasting Barrenness and Family Death Narratives in the Hebrew Bible and Ancient Near East* argues for a reevaluation of barrenness-type scenes in the Hebrew Bible and ancient Near East. More specifically, the argument is for a distinction: women in family death narratives appeal to men, while women in barrenness narratives appeal to God. Even the male-centric epics of the ancient Near East show that women interact with the divine more during barrenness crises (e.g., the wife's prophetic dream in the Etana myth) than during family death crises (e.g., male-divine narratives in Kirta and Aqhat). This distinction not only clarifies the narrative tropes but emphasizes the role of women in these crises and intersects with discussions of household roles in the ancient Near East. Male and female roles in marriage and fertility drive the responses of characters in these idealized narrative worlds, especially in family death and barrenness narratives.

Strong Mothers, Weak Wives Miriam M. Johnson, 1988 For years I have been impressed by the originality and insight of Johnson's articles on gender, sexuality, and male dominance. This book continues and expands the excellent quality of the earlier work. . . [It] provides an original argument about the central structural locus of gender inequality, and makes a major advance in its insightful and insistent focus on the role of the father in gender differentiation and sexual dominance. . . . It will surely be recognized as a major work of feminist theory.—Nancy Chodorow, author of *The Reproduction of Mothering* This thoughtful and provocative book greatly deepens the debate over the effects of mothers and fathers on their children.—Arlie Hochschild, author of *The Second Shift: Inside the Two-Job Marriage*

Oedipus Anne Diana Hume George, 1987 Merging feminist and Freudian psychoanalytic approaches, this volume creates an illuminating portrait of Anne Sexton--a female hero in the tradition of Oedipus and his tragic quest for truth. George shows how Sexton's quest for knowledge transformed her into an embattled prophet as well as a tragic victim of her culture's malaise; and how she explored the cultural myths and archetypal relationships between parent and child, man and woman, divine and human. She contends that out of this exploration blossomed a poetry that is powerful, moving, and significant to mid-20th century artistic and psychic life. ISBN 0-252-01298-4: \$24.95.
