Raymond H. Thompson

The Return of Merlin Deepak Chopra, M.D.,1996-03-05 The author of the million-copy best-seller *Ageless Body, Timeless Mind* emerges as a powerful new force in fiction with a luminously written novel about the final act of the Arthurian legend playing out in modern England. *The Return of Merlin* is a brilliantly realized narrative that begins in Arthurian times and jumps boldly to our own 20th-century dark age of war, pollution, predation, and hatred--with a message of hope.

The Return of Merlin Deepak Chopra,1995 Dramatic fantasy novel in which characters from legendary Camelot come to life in an English Industrial town. The author's other publications include 'Restful Sleep' and 'The Seven Laws of Success, and the bestselling 'Ageless Body, Timeless Mind'.

The Return of King Arthur Beverly Taylor,Elisabeth Brewer,1983 The revival of interest in Arthurian legend in the 19th century was a remarkable phenomenon, apparently at odds with the spirit of the age. Tennyson was widely criticised for his choice of a medieval topic; yet *The Idylls of the King* were accepted as the national epic, and a flood of lesser works was inspired by them, on both sides of the Atlantic. Elisabeth Brewer and Beverly Taylor survey the course of Arthurian literature from 1800 to the present day, and give an account of all the major English and American contributions. Some of the works are well-known, but there are also a host of names which will be new to most readers, and some surprises, such as J. Comyns Carr's *King Arthur*, rightly ignored as a text, but a piece of theatrical history, for Sir Henry Irving played King Arthur, Ellen Terry was Guinevere, Arthur Sullivan wrote the music, and Burne-Jones designed the sets. The Arthurian works of the Pre-Raphaelites are discussed at length, as are the poems of Edward Arlington Robinson, John Masefield and Charles Williams. Other writers have used the legends as part of a wider cultural consciousness: *The Waste Land*, David Jones's *In Parenthesis* and *The Anathemata*, and the echoes of *Tristan and Iseult* in *Finnigan's Wake* are discussed in this context. Novels on Arthurian themes are given their due place, from the satirical scenes of Thomas Love Peacock's *The Misfortunes of Elphin* and Mark Twain's *A Connecticut Yankee at King Arthur's Court* to T.H. White's serio-comic *The Once and Future King* and the many recent novelists who have turned away from the chivalric Arthur to depict him as a Dark Age ruler. *The Return of King Arthur* includes a bibliography of British and American creative writing relating to the Arthurian legends from 1800 to

the present day.

Prospero School of Magick A P Whitfield,2021-03-12 Even in the realm of magick, they only think fairytales are only fairytales, but what if they are not just fairytales? What if they were real? King Arthur, Morgana, and Merlin. What if they were all real? In this book, the things only ever in storybooks come to life and it is not all sunshine and daisies. It is heartbreaking and deadly. Can the school survive what is to come and can our hero's all live through the events that will unfold? Will Merlin really come back and is he really as he has been portrayed for centuries or does he have his own dark past? Only one way to find out, and that is to go on this adventure and find out what is in store. Clara Cameron only ever thought she was a normal witch that went to the most upscaled School of Magick in the New England territory with a crush on Daniel Smith Jr. a boy that she has been smitten over since she was a little girl and much to her surprise he has had the same feelings for her as well. Little does she know her whole world is about to change with everyone and everything she loves is going to be in danger. Things from her past will be uncovered with more surprises in store for them all.

Finding a Light in the Darkness of War A P Whitfield,2021-10-09 Hi, I'm Stella and I am taking control for a bit and telling you my story. Now now, don't get all upset. Don't worry all your favorites will be in this story of mine but I just want to tell you what's been going on. Plus it is good to have a fresh set of eyes and someone with a fantastic personality telling the story! It is a new year and so much has been going on. I know he had hopes that what he did would help make things better but, sadly he was wrong. Things have only gotten worse and it seems like we are running out of time to save everyone. So many has been killed or gone missing and even worse... those we trust are turning on us. Either to stay alive or because they want things to be this way. Darkness wants to take over. They want to make those without power or that are weaker bow down to them. We cannot let this happen! There is always a brighter light that will shine through the darkness, we just have to not give-up. We have to have hope. Hope he comes back and hope that it won't be too late before he does. Oh and hope I do not lose my ever loving mind. I never thought I would be one to get caught up in a love triangle but here I am... well okay it is worse than that. Oh god I sound like a whore. Okay, okay back to what's important. Saving everyone.

Darkness Unfolds A P Whitfield,2022-05-26 'Time is running out and darkness is spreading across the land. Ophelia is still at large, and she will stop at nothing until she has brought the human race to its knees, with her ruling over it. Her thirst for power and vengeance has stripped away what little humanity she used to have... sadly, I know I am the cause of it. Not only are we faced against her but against so much more. They're all returning. They're awakening and remembering who

they are... If I do not stop them who will? If they remember... if they find...' I rest my head in my hands and let out a shaky breath before looking back at Clara sleeping next to the spot I should be rested in. Tapping my pen on my journal I look back down at the words written. The writing rushed and panicked. Matching my own feelings, 'I cannot let them take her again. I have to stop them this time. At any cost.' I scribbled down. My vision darkened over with flashbacks of one of the nights I lost her. Those seven cloaked men, only thing showing through was their rings with the Freemason symbol on them. Her red hair hid her face as she landed in the snow with her blood bleeding out and running into the markings on the ground from where they sacrificed her. 'Her name was Sophia then. A name and life that they deleted from history and it was all my fault. I couldn't get to her. I couldn't save her. Her or my child she was pregnant with.' Hearing shifting behind me I closed my journal and look back to see Clara slowly waking up. Good morning my dear. Merlin. She said to me with beautiful sleepy blue eyes and a sweet sleepy smile that rested on her pink supple lips. The autumn sun shone through the curtains in our room at the B&B brightly making her golden locks shine. The white sheets left little to the imagination that clung to her bare skin.

The Return of Merlin: Emrys Richard Bernard, 2020 Merlin was heartbroken after the death of King Arthur Pendragon. This is because he felt he had failed in his quest to protect the King. He stayed in the wooden cottage for months, away from everyone, as self-punishment until Kilgharrah (the old dragon) visited him. The dragon told him about new events at Camelot. According to legend, King Arthur's spirit could not enter the spirit world because Diamair had to pay a debt owed to King Arthur. Diamair uses magical power to return Arthur as a baby. Dochraid got angry as a result of Arthur's reborn. She brought Morgana Pendragon back to life in human form like she did to Sir Lancelot. Morgana Pendragon wages endless battles after discovering that King Arthur was reborn into the Pendragon family as the baby King. Could Merlin remain the undefeated force preventing Morgana Pendragon from achieving her desires this time? Even though Morgana Pendragon failed the last time, she cannot die again this time. This is because she remains the only sorceress that has resurrected from the dead in human form. Find out what happened in many series that eventually took place.

The Return of King Arthur Diana Durham, 2005 An elegant, sweeping, modern-day Jungian interpretation of the two strands of Arthurian myth: the Round Table, Camelot, and King Arthur on one side, and the Grail quest on the other. The quest for the Holy Grail is, in a larger sense, the story of the individual's path to wholeness, while the King Arthur legends represent a collective narrative of humanity. In *The Return of King Arthur*, Diana Durham analyzes the key symbols from the intertwined Arthurian myths. Woven through the narrative are discoveries from her personal search for wholeness. Her exploration of the individual path-the Grail quest-and the collective process-the court of King Arthur-eventually resolves itself as one story, offering the reader insights into how they can have a more satisfying existence. Durham has deciphered the deepest meaning of the Arthurian myths as they relate to our modern lives, and, in the process, uncovered the reasons why

they have held our fascination for so long.

The Collected Letters of C.S. Lewis, Volume 3 C. S. Lewis,2009-07-14 This collection, carefully chosen and arranged by Walter Hooper, is the most extensive ever published. Included here are the letters Lewis wrote to such luminaries as J.R.R. Tolkien, Owen Barfield, Arthur C. Clarke, Sheldon Vanauken, and Dom Bede Griffiths. To some particular friends, such as Dorothy L. Sayers, Lewis wrote fifty letters alone. The letters deal with all of Lewis's interests—theology, literary criticism, poetry, fantasy, children's stories—as well as his relationships with family members and friends. The third and final volume begins with Lewis, already a household name from his BBC radio broadcasts and popular spiritual books, on the cusp of publishing his most famous and enduring book, *The Lion, the Witch and the Wardrobe*, which would ensure his immortality in the literary world. It covers his relationship with and marriage to Joy Davidman Gresham, subject of the film *Shadowlands*, and includes letters right up to his death on November 22, 1963, the day John F. Kennedy was assassinated. This volume also

includes both a special section of newly found letters from earlier time periods covered in volumes one and two and mini-biographies of Lewis's regular correspondents.
