

# The Source Book James A Michener

**Rebecca Rupp**

**The Source** James Albert Michener,1965 In this compelling novel, Michener sweeps readers back through time to the very beginnings of the Jewish faith, thousands of years ago, to experience the entire colorful history of the JewsQfrom the lives of the early Hebrews to the impact of Christianity, the Crusades, and the Spanish Inquisition to present-day Israel and the Middle-East conflict. Copyright © Libri GmbH. All rights reserved.

**The Source** James A. Michener,2002-07-09 In his signature style of grand storytelling, James A. Michener transports us back thousands of years to the Holy Land. Through the discoveries of modern archaeologists excavating the site of Tell Makor, Michener vividly re-creates life in an ancient city and traces the profound history of the Jewish people—from the persecution of the early Hebrews, the rise of Christianity, and the Crusades to the founding of Israel and the modern conflict in the Middle East. An epic tale of love, strength, and faith, The Source is a richly written saga that encompasses the history of Western civilization and the great religious and cultural ideas that have shaped our world. Praise for The Source “Fascinating . . . stunning . . . [a] wonderful rampage through history . . . Biblical history, as seen through the eyes of a professor who is puzzled, appalled, delighted, enriched and impoverished by the spectacle of a land where all men are archeologists.”—The New York Times “A sweeping [novel] filled with excitement—pagan ritual, the clash of armies, ancient and modern: the evolving drama of man’s faith.”—The Philadelphia Inquirer “Magnificent . . . a superlative piece of writing both in scope and technique . . . one of the great books of this generation.”—San Francisco Call Bulletin

*The Source* James A. Michener,2009-09-30 In his signature style of grand storytelling, James A. Michener transports us back thousands of years to the Holy Land. Through the discoveries of modern archaeologists excavating the site of Tell Makor, Michener vividly re-creates life in an ancient city and traces the profound history of the Jewish people—from the persecution of the early Hebrews, the rise of Christianity, and the Crusades to the founding of Israel and the modern conflict in the Middle East. An epic tale of love, strength, and faith, The Source is a richly written saga that encompasses the history

of Western civilization and the great religious and cultural ideas that have shaped our world. Praise for *The Source* “Fascinating . . . stunning . . . [a] wonderful rampage through history . . . Biblical history, as seen through the eyes of a professor who is puzzled, appalled, delighted, enriched and impoverished by the spectacle of a land where all men are archeologists.”—*The New York Times* “A sweeping [novel] filled with excitement—pagan ritual, the clash of armies, ancient and modern: the evolving drama of man’s faith.”—*The Philadelphia Inquirer* “Magnificent . . . a superlative piece of writing both in scope and technique . . . one of the great books of this generation.”—*San Francisco Call Bulletin* From the Trade Paperback edition.

*The Source* James Albert Michener, 1900

***The Source*** James Albert Michener, 1965

**Centennial** James Albert Michener, 1974 Written as a tribute to America’s bicentennial celebration. *Centennial* is an epic novel of the history, land, and people of Colorado. Centered around the fictional town of Centennial, the story contains an extensive cast of characters including Native Americans, French fur trappers, English noblemen, and American cowboys, all caught up in the dramatic events and violent conflicts that shaped the destiny of the legendary West.

**A History of Us: Sourcebook and Index** Joy Hakim, 2007-02-11 Updated with a complete listing of the constitutional amendments and a listing of the presidents with key information about them, the Sourcebook and Index is arranged chronologically, beginning with the Magna Carta and ending with Ronald Reagan’s 1988 speech at Moscow State University. Each document is introduced and placed in historical context. Difficult vocabulary is defined in the margins along with explanatory notes and commentary that aids in understanding the meaning and historical importance of each document. Neatly cross-referenced with key sections of *A History of US*, the Sourcebook and Index is an easy-to-use collection of the documents most essential to understanding American history.

*Alaska* James A. Michener, 2002-11-12 In this sweeping epic of the northernmost American frontier, James A. Michener guides us through Alaska’s fierce terrain and history, from the long-forgotten past to the bustling present. As his characters struggle for survival, Michener weaves together the exciting high points of Alaska’s story: its brutal origins; the American acquisition; the gold rush; the tremendous growth and exploitation of the salmon industry; the arduous construction of the Alcan Highway, undertaken to defend the territory during World War II. A spellbinding portrait of a human community fighting to establish its place in the world, *Alaska* traces a bold and majestic saga of the enduring spirit of a land and its people. Praise for *Alaska* “Few will escape the allure of the land and people [Michener] describes. . . . Alaska takes the reader on a journey through one of the bleakest, richest, most foreboding, and highly inviting territories in our Republic, if not the world. . . . The characters that Michener creates are bigger than life.”—*Los Angeles Times Book Review* “Always the master of exhaustive historical research, Michener tracks the settling of Alaska [in] vividly detailed scenes and well-developed

characters.”—Boston Herald “Michener is still, sentence for sentence, writing’s fastest attention grabber.”—The New York Times

**The World Is My Home** James A. Michener, 2014-04-15 Literary legend James A. Michener was “a Renaissance man, adventurous, inquisitive, unpretentious and unassuming, with an encyclopedic mind and a generous heart” (The New York Times Book Review). In this exceptional memoir, the man himself tells the story of his remarkable life and describes the people, events, and ideas that shaped it. Moving backward and forward across time, he writes about the many strands of his experience: his passion for travel; his lifelong infatuation with literature, music, and painting; his adventures in politics; and the hard work, headaches, and rewards of the writing life. Here at last is the real James Michener: plainspoken, wise, and enormously sympathetic, a man who could truly say, “The world is my home.” BONUS: This edition includes an excerpt from James A. Michener’s *Hawaii*. Praise for *The World Is My Home* “Michener’s own life makes one of his most engaging tales—a classic American success story.”—Entertainment Weekly “The Michener saga is as full of twists as any of his monumental works. . . . His output, his political interests, his patriotic service, his diligence, and the breadth of his readership are matched only by the great nineteenth-century writers whose works he devoured as he grew up—Dickens, Balzac, Mark Twain.”—Chicago Tribune “There are splendid yarns about [Michener’s] wartime doings in the South Pacific. There are hilarious cautionary tales about his service on government commissions. There are wonderful inside stories from the publishing business. And always there is Michener himself—analyzing his own character, assessing himself as a writer, chronicling his intellectual life, giving advice to young writers.”—The Plain Dealer “A sweepingly interesting life . . . Whether he’s having an epiphany over a campout in New Guinea with head-hunting cannibals or getting politically charged by the melodrama of great opera, James A. Michener’s world is a place and a time worth reading about.”—The Christian Science Monitor

**The Complete Home Learning Sourcebook** Rebecca Rupp, 1998 Lists all the resources needed to create a balanced curriculum for homeschooling—from preschool to high school level.

**Chesapeake** James A. Michener, 2003-09-09 In this classic novel, James A. Michener brings his grand epic tradition to bear on the four-hundred-year saga of America’s Eastern Shore, from its Native American roots to the modern age. In the early 1600s, young Edmund Steed is desperate to escape religious persecution in England. After joining Captain John Smith on a harrowing journey across the Atlantic, Steed makes a life for himself in the New World, establishing a remarkable dynasty that parallels the emergence of America. Through the extraordinary tale of one man’s dream, Michener tells intertwining stories of family and national heritage, introducing us along the way to Quakers, pirates, planters, slaves, abolitionists, and notorious politicians, all making their way through American history in the common pursuit of freedom. Praise for *Chesapeake* “Another of James Michener’s great mines of narrative, character and lore.”—The Wall Street Journal

"[A] marvelous panorama of history seen in the lives of symbolic people of the ages . . . an emotionally and intellectually appealing book."—The Atlanta Journal-Constitution "Michener's most ambitious work of fiction in theme and scope."—The Philadelphia Inquirer "Magnificently written . . . one of those rare novels that are enthusiastically passed from friend to friend."—Associated Press

**Space** James A. Michener, 2014-03-18 "A master storyteller . . . Michener, by any standards, is a phenomenon. Space is one of his best books."—The Wall Street Journal Already a renowned chronicler of the epic events of world history, James A. Michener tackles the most ambitious subject of his career: space, the last great frontier. This astounding novel brings to life the dreams and daring of countless men and women—people like Stanley Mott, the engineer whose irrepressible drive for knowledge places him at the center of the American exploration effort; Norman Grant, the war hero and U.S. senator who takes his personal battle not only to a nation, but to the heavens; Dieter Kolff, a German rocket scientist who once worked for the Nazis; Randy Claggett, the astronaut who meets his destiny on a mission to the far side of the moon; and Cynthia Rhee, the reporter whose determined crusade brings their story to a breathless world. BONUS: This edition includes an excerpt from James A. Michener's Hawaii. Praise for Space "A novel of very high adventure . . . a sympathetic, historically sound treatment of an important human endeavor that someday could be the stuff of myth, told here with gripping effect."—The New York Times Book Review "Space is everything that Michener fans have come to expect. Without question, the space program's dramatic dimensions provide the stuff of great fiction."—BusinessWeek "Michener is eloquent in describing the actual flights into space, as well as the blazing, apocalyptic re-entry of the shuttle into earth's atmosphere."—The New York Times

**Return to Paradise** James A. Michener, 2014-03-18 James A. Michener, the master of historical fiction, revisits the scenes of his first great work, *Tales of the South Pacific*, the Pulitzer Prize winner that brought him international acclaim. In this sequel collection, Michener once again evokes the magic of the extraordinary isles in the Pacific—from Fiji and Gaudalcanal to New Zealand and Papua New Guinea—through stories that burst with adventure, charm, and local color. For Michener's many fans around the globe, *Return to Paradise* is a precious second look at a land of enchantment by one of the most gifted storytellers of the twentieth century. BONUS: This edition includes an excerpt from James A. Michener's Hawaii. Praise for *Return to Paradise* "A brilliant book and a worthy successor to *Tales of the South Pacific*."—The Atlanta Constitution "This is a book that should be read by everyone. . . . All who have seen the South Pacific will find on every page the odors of frangipani, copra, blood, and beer."—The New York Times "There's drama and pathos and adventure and humanity . . . and a very high degree of excellence. Michener can write."—Kirkus Reviews

**The Sourcebook of Architectural & Interior Art** Jill Schaefer, 2004-09

**Texas** James A. Michener, 2002-11-12 Spanning four and a half centuries, James A. Michener's monumental saga

chronicles the epic history of Texas, from its Spanish roots in the age of the conquistadors to its current reputation as one of America's most affluent, diverse, and provocative states. Among his finely drawn cast of characters, emotional and political alliances are made and broken, as the loyalties established over the course of each turbulent age inevitably collapse under the weight of wealth and industry. With Michener as our guide, Texas is a tale of patriotism and statesmanship, growth and development, violence and betrayal—a stunning achievement by a literary master. Praise for Texas “Fascinating.”—Time “A book about oil and water, rangers and outlaws, frontier and settlement, money and power . . . [James A. Michener] manages to make history vivid.”—The Boston Globe “A sweeping panorama . . . [Michener] grapples earnestly with the Texas character in a way that Texas's own writers often don't.”—The Washington Post Book World “Vast, sprawling, and eclectic in population and geography, the state has just the sort of larger-than-life history that lends itself to Mr. Michener's taste for multigenerational epics.”—The New York Times

### **The Sourcebook of Architectural & Interior Art 20 ,2005**

The Source Book James A Michener: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels enthraling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a

wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
