**The Island Where Time Stands Still** Dennis Wheatley, 2013-11-21 'Before there was James Bond, there was Gregory Sallust.' Tina Rosenberg, Salon.com The Island Where Time Stands Still is the ninth in Dennis Wheatley's bestselling Gregory Sallust series featuring the debonair spy Gregory Sallust, a forerunner to Ian Fleming's James Bond. On a pleasure cruise on the South Seas, Sir Pellinore Gwaine-Cust's yacht hits a coral reef and sinks in minutes. Only one survivor is washed to the safety of the shore: Gregory Sallust. But this is no ordinary Pacific island. When Gregory regains consciousness he finds himself among a Chinese community, ruled by descendants of the ancient Imperial House. Within days the throne becomes vacant, and Gregory joins an expedition to find the true heir - a hazardous search that takes him to San Francisco, and deep into the forbidden heart of China itself.

**The Methuen Drama Guide to Contemporary American Playwrights** Christopher Innes, Peter Paul Schnierer, Martin Middeke, Matthew C. Roudané, 2013-12-19 Unrivalled in its coverage of recent work and writers, The Methuen Drama Guide to Contemporary American Playwrights surveys and analyses the breadth, vitality and development of theatrical work to emerge from America over the last fifty years. This authoritative guide leads you through the work of 25 major contemporary American playwrights, discussing more than 140 plays in detail. Written by a team of 25 eminent international scholars, each chapter provides: · a biographical introduction to the playwright's work; · a survey and concise analysis of the writer's most important plays; · a discussion of their style, dramaturgical concerns and critical reception; · a bibliography of published plays and a select list of critical works. Among the many Tony, Obie and Pulitzer prize-winning playwrights included are Sam Shepard, Tony Kushner, Suzan-Lori Parks, August Wilson, Paula Vogel and Neil LaBute. The abundance of work analysed enables fresh, illuminating conclusions to be drawn about the development of contemporary American playwriting.

**I Don't Need an Acting Class** Milton Justice, 2021-11-01 I Don't Need an Acting Class explores critical aspects of the technique of acting, utilizing conversations via email with countless actors. Some are aspiring students, others are seasoned professionals. The conversations document the challenges these diverse actors face as they digest what they have learned in a class or rehearsal while exploring in practical terms how to use their growing technique. Milton Justice first began

receiving emails from actors in 2008. In this book, Justice brings together email conversations between teacher and student, along with observations and commentary about acting technique and craft. Not all of the emails in the book are overly thought-out or complete. Quite the contrary, they are meant to capture the feeling of a living, breathing process as it happens. When an actor sends a teacher or director an email with a problem, be it a simple comment or confusion, it is evidence of a creative artist exploring new ground. Many years ago, Stella Adler sent Justice a letter in response to a panicked note he had written to her while lost in the weeds during rehearsals for a new play. She set a tone for him as she succinctly defined the problem and reminded him of its elegant solution. He was overwhelmed by the care she had given him. That letter still hangs over his desk, perfectly demonstrating the power of a written exchange between a teacher and a student.
