**What Matters Most** Katherine Draper, 2014-10-17 It is easy to view the world without hope; to stand back and feel helpless. But what if that were simply not true? What if we weren't victims who were done for and done to? What if we started to set a different standard by living fully, creatively and spiritually? Brian Draper shows how we can change the world around us, by first changing ourselves. *What Matters Most* is incisive and full of practical, spiritual wisdom. Draper goes in search of the positive, the infinite and the good and wants to pass them on. It is time to see the world with fresh eyes, to be

inspired and to help others. But it's not just about spreading a positive message - it's about transforming lives because transformed people, transform people. Change starts with us. And that's when it spreads.

Secrets to Lasting Love Gary Smalley,1999-05 Smalley believes that couples who want to move from a superficial to an ultimate, deep level of intimacy and a lasting and loving relationship must master three key skills. First and foremost is honor - respecting your spouse for all of his or her individual qualities as well as differences from you; next is communication - speaking to one another in a way that moves conversations into deeper realms of understanding; and, last, constant renewal - recharging your spouse emotionally, mentally, physically, and spiritually. But it is not easy to recognize and then apply these skills. Secrets to Lasting Love shows everyone how to do just that. Once these skills are successfully applied to a relationship, the couple is able to move into what Smalley calls the fifth, or ultimate, level of intimacy.--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc.
