

Back To Black On Piano

Jenni Norey

Back to Black Donald Brackett, 2016-11-01 (Book). Be a fly on the wall of sound: get the inside history and behind-the-scenes events in the making of a masterpiece. In this refreshing book which focuses solely on Amy Winehouse's musical artistry, stylistic influences, and creative collaborations with great producers and musicians, instead of her personal problems Donald Brackett explores pertinent questions about the importance of pop music in contemporary culture. In this incisive and fascinating study of Amy Winehouse's second, and last, album (released in 2006), *Back to Black*, he opens the door not only to the full experience of this great record but also explores the seductive sonic hook that pop artists always strive for and unearths what makes the record unique, influential, and unforgettable. He reveals the creative steps in its inception and production, the technical virtuosity that makes it special, and why it deserves to be considered a pop classic. In an album that continually strips down the branches of popular music to draw from its muscular trunk, Amy Winehouse (with significant help from producers Mark Ronson and Salaam Remi) used the deep longing of '60s girl-group pop, such as the Ronettes, to fuel the torch sound she perfected in her debut. Brackett fully considers Winehouse's legacy ten years after her multi-Grammy winning album exploring the origins of a global cultural phenomenon by examining her roots as a storyteller; studying her swift arrival as a demonic pop diva; the crucially important creative role played by her gifted producers in the studio; the historical musical influences on her style; the soul magic of her superb backup band, the Dap-Kings; her live performance style onstage; and her magnetic public image as a video star. *Back to Black* is also explored song by song in an appreciation of its status as a true pop-art artifact. In the end, it's the songs that make up *Back to Black* which go far beyond our potentially prurient fascination with the unique singer's early demise five years ago and instead bring vibrantly to life the surprising pop majesty she personified.

Shreveport Sounds in Black and White Kip Lornell, Tracey E. W. Laird, 2008 Shreveport, Louisiana, is one of America's most important 'regional-sound cities', its musical distinctiveness shaped by individuals and ensembles, record label and radio station owners, announcers and disc jockeys, club owners and sound engineers, music journalists and musicians. The area's music is a kaleidoscope of country, blues, R & B, rockabilly, and rock. This book presents that evolution in a collection of scholarly and popular writing that covers institutions and people who nurtured the musical life of the city and its surroundings.

Studies in black and white Nicolas Slonimsky,1929

Dressed in Black Lisa MacKinney,2025-03-18 The first full-length history of the Shangri-Las, one of the most significant—and most misunderstood—pop groups of the 1960s. Sisters Mary and Betty Weiss, together with twins Mary Ann and Marguerite Ganser, were schoolgirls when they formed the Shangri-Las in 1963, and had a meteoric rise to fame with songs like “Leader of the Pack” and “Remember (Walking in the Sand).” Their career was cut short for reasons largely beyond their control, derailed by the machinations of Mafia-linked record executives, and heartbreak and tragedy followed. Historian Lisa MacKinney marshals an impressive array of new evidence to tell the Shangri-Las’ story, dispelling many myths and long-standing mysteries along the way. Equally importantly, *Dressed in Black* radically rewrites the accepted narrative of the Shangri-Las’ place in rock history. As young women, they were permitted little agency within a male-dominated industry that viewed teenagers as fodder to be manipulated and exploited by producers, songwriters, and label owners. For decades, this has served as an excuse for critics to deny the musical input of the group members, to trivialize the Shangri-Las as a girl group, and to assign their work a lesser rank in the canon of authentic rock and roll. MacKinney’s great achievement here is to foreground the Shangri-Las’ considerable abilities and musicality, and establish the centrality of their performance of their songs to the group’s underappreciated artistic achievement. This is not to deny the critical role in the group’s success of professional songwriters (including Ellie Greenwich and Jeff Barry) and writer/producer George ‘Shadow’ Morton, a pioneering and eccentric figure whose self-mythologizing has generated a level of obfuscation that rivals that of the Shangri-Las themselves. MacKinney’s clear-sighted account reveals Morton in a completely new light—and as part of a complex ecosystem of musical relationships. Morton wrote and produced highly emotional material specifically for the Shangri-Las because he knew they had the skills to make his mini-operas not only believable, but enthralling. The group members, particularly Mary Weiss, channeled personal anguish into their extraordinary performances, which are central to the songs’ impact—no less so than for such classic singers as Ella Fitzgerald and Elvis Presley, who also relied on producers and songwriters for their body of work. The Shangri-Las’ impassioned delivery elicited a massive response from their audience of fellow teenagers at the time and has continued to connect profoundly with audiences ever since. MacKinney backs up these arguments with in-depth analysis of key Shangri-Las’ recordings, and makes a powerful case that their achievements warrant a far more prominent place for the Shangri-Las in the history of popular music.

The Secret Principles in Black and White Gerald Colbert,Perry Dawsman,Howard Skinner,2008-05 What can I tell you about Paul? I've known him for years, a really great guy um-can you buy me a beer?-Joyce Decker If he only knew what his wife had in store for him.-Unknown Character He's like a second dad to me, I just wouldn't know how to break the truth to him.-Blaine Decker Paul Clark? I haven't heard that name since the year we both forfeited the championship game, that's the same year those crackers killed my father.-Bob Gifford Paul can't see the horrors soon to appear in his life but I can, it's all in

the cards. Since you're here, let me show you a card trick.-Train Station Hobo Let me tell you a story about a fella named Paul Clark.-Narrator
