

Blue Moon Series Lucy Score

Mrs. Lucy Caroline Cummings Smith

No More Secrets Lucy Score, 2024 Carter Pierce isn't interested in being fixed up. This wounded ex-soldier just wants to enjoy the peace and quiet of his quirky small town. Too bad that solitude is about to be interrupted by big-city, workaholic journalist, Summer Lentz. Sprung on him by his own mother, she's there to write a story about his family farm. Thanks, Mom. Carter sees the interruption as a barely tolerable irritation. The town sees it as the perfect matchmaking opportunity. Under the watchful eyes of every Blue Mooner, Carter grudgingly agrees to let Summer stay... under his roof. Every single thing about her—from her perky questions to her designer wardrobe to those kissable lips—gets under his skin. While his brothers have been happy to let him heal his wounds in solitude, Summer seems hell-bent on digging up the truth... without sharing her own. She's not there to spill her life story to a sexy, scowling blue collar stranger. And she's certainly not planning to fall in love with Blue Moon and its spirited shenanigans. She has a job, a life, an apartment in New York. Carter throws her headfirst into farm life in hopes of sending the curious journalist packing. But he can't help but notice the mysterious Summer doesn't just stick, she flourishes. His single brothers notice it too, leaving Carter no choice but to stake his temporary claim. As these two dance around their reluctant mutual attraction, the town's attempts to pair them off permanently reach ridiculous heights and have them questioning everything they thought they knew. But when Summer's story takes an unexpected turn, will they be willing to rewrite the ending together?--

Fall Into Temptation Lucy Score, 2024 Beckett Pierce is the most eligible bachelor in the nosiest small town in upstate New York. But after his last girlfriend handcuffed herself to his porch and set his welcome mat on fire when he broke up with her, he's not looking for any more romance. Even if it lands right in his backyard. Gianna Decker has her hands full. With two kids, a useless ex, and a brand new yoga studio, the last thing on her mind is finding a man who'll cause her more problems. Dating her broody landlord? Yeah, that would be a problem. Dating the sexy mayor of the town she just moved to? Definitely a problem. Dating the favorite son of her father's new lady friend? It seems like Beckett is a bad idea just waiting to happen. But he's a bad idea she can't seem to resist. As Beckett and Gianna find themselves thrown together again and again, they can't help but fall into the temptation of sizzling stolen kisses, of a desire so hot it brands. And soon they're much, much closer than they ever wanted. Tempers flair when their families complicate things and the interfering citizens of Blue Moon Bend step in with their special brand of chaos. Can Beckett and Gianna manage to disentangle themselves before it's too

late? Or is the temptation too much for either of them to deny?--

Where It All Began Lucy Score, 2022-10-07 This would be a lot easier if you had a sense of humor. This would be a lot easier if you were a man. John Pierce has plans for these two hundred rundown acres. He sees a farm, a family, a future here. He's not about to drag someone in on the ground floor. Not before he's put in the work to turn rubble into a home. But his nosy neighbors have other ideas. Now, he's saddled with a grad student who was supposed to be a he. But the curvy, opinionated Phoebe is a smart-mouthed woman who seems to do nothing but question his every move. She's ruining his nice, quiet life. And if she doesn't finish her thesis and get out of his guest room soon, he's going to have to scare her off. Phoebe desperately needs this degree and the money it will bring. What she doesn't need is this stubborn farmer's attitude and his pathological need to avoid her. She's trapped in this tiny hippie town, trying every trick in the book to get the stalwart John to open up. Her future is on the line. Her family needs her. And she's not going to let a stubborn farmer stand in her way. Author's Note: John and Phoebe's story is a prequel to the Blue Moon series. It follows the heart-warming, hilarious story of how they met, fell in love, and raised their boys together. But do NOT, I repeat, DO NOT read this book first. Read it sometime after book four. I'm protecting your reader experience here. I promise.

Not Part of the Plan Lucy Score, 2022-10-07 He's the kind of man who would talk you into dropping your panties in a coat closet at a party, dole out orgasms like after-dinner mints, and then never call you again. Photographer Nikolai Vulkov is a love 'em and leave 'em bad boy with a leather jacket, motorcycle, and sexy-as-sin grin. He is not Emma Merrill's type. The feisty brewery manager isn't impressed by Niko's charm or his no strings attached offer. She's the kind of girl a man settles down with. And the small town of Blue Moon is where she and her sisters have decided to put down roots. In Niko's experience, relationships only lead to heartache. Besides, he's only in town until he finds a way to get his creative mojo back. He and Emma are completely wrong for each other. Even the matchmaking Beautification Committee agrees. They should definitely stay in the friend zone. Okay. So maybe they gave in to their attraction that one time. Fine. Five times. Who's counting? But once Emma's ex-boyfriend shows up in town, she'll come to her senses, and Niko will go back to New York. Right?

Holding on to Chaos Lucy Score, 2022-10-07 I want to be upfront with you. No surprises, no secrets. I want you, Eva. And I think you might be it for me. Romance novelist Eva Merrill is a hot mess running from her past. She doesn't mind telling a fib or two to protect her secrets and her family. It's too bad that she moved to the nosiest small town in the world with Sheriff Sexy--the tall, built, human lie detector. He's showing way too much interest in her and treating every conversation like it's an interrogation. Maybe that's because she accidentally showed him her boobs in the middle of downtown Blue Moon. Or maybe it's because he thinks she's about to commit a crime. It's definitely not that he's attracted to her. That only happens in her novels. Donovan Cardona loves his nice, quiet hometown, and he's got some pretty strong

feelings when it comes to a certain klutzy redhead too. But his gut says she's hiding something. Just when he starts to peel back those layers to get to the naked truth, the entire town loses its collective mind--and inhibitions. Can he save the girl from her past and the town from itself?

The Mistletoe Kisser Lucy Score,2022-10-07 Just because I don't run around with a stupid grin on my face all day every day doesn't mean I'm grumpy. Ryan Sosa, grumpy former corporate accountant, has had it up to here with surprises. He didn't see getting fired coming. And he certainly didn't anticipate flying across the country to the world's hippie-est, happiest, most annoying town to save his great-uncle from some mysterious emergency. Not only is there actual snow on the ground, it also appears that elves on psychedelics have decked Blue Moon's halls. But he doesn't have time to be snarky about the impending Winter Solstice and Multicultural Holiday Celebration--whatever the hell that is. Not when he's got a farm to save, a free-range sheep that he may or may not have nudged with his stupid microscopic rental car, and some small-town veterinarian telling him she can't take the animal off his hands. Dr. Sammy Ames has a practice to manage and a fundraising crisis to attend to. She doesn't have time to deal with a big-city grouch who doesn't remember being her first kiss ever. Especially not since he wants to dump a sheep named Stan on her. So not happening. No matter how cute--and pantless--Ryan is when he's drunk. Besides, as soon as he solves his uncle's problem, he'll be on the first flight out of Blue Moon, never to return again. It will take a Winter Solstice Miracle or perhaps some matchmaking interference from the Beautification Committee to get these two to see eye-to-eye under the mistletoe...unless he's the wrong Ryan after all.

Not Part of the Plan Lucy Score,2017-04-13 He's the kind of man who would talk you into dropping your panties in a coat closet at a party, dole out orgasms like after dinner mints, and then never call you again. From the Wall Street Journal and #1 Amazon bestselling author comes a new installment to the Blue Moon small town romance series. A womanizing bad boy with a motorcycle and sexy-as-sin smile is not part of Emma's life plan. She moved cross-country to be close to family and finally settle down in hippie, trippy, nosy Blue Moon Bend. But when famed fashion photographer Niko shows up with his leather jacket, underwear-melting voice, and a problem, she sees nothing but trouble. He's all wrong for Emma, but that doesn't stop the attraction from boiling over. Niko doesn't let being friend zoned get in his way. Once he gets his hands-and his mouth-on her, will their friendship survive? Or will he lose everything he's worked for back in New York to the redhead who dominates his every thought?

The Last Second Chance Lucy Score,2025-05-06 From the New York Times and USA Today bestselling author of Things We Never Got Over You were made for me. Shut up, Jax. There are two things Joey Greer is great at- Raising horses and holding grudges. Eight years ago, her high school sweetheart abandoned her, skipped out on his family, and fled to Hollywood of all places. She vowed never to forgive or forget. Now big-shot screenwriter Jackson Pierce is back in Blue Moon demanding another chance. No place is safe from him. Not the stables. Not the only bar in town. Not even the clawfoot tub

on her own deck. No matter how good it feels when he sneaks past her defenses to land a kiss or a compliment, she is determined to pretend he doesn't exist. Except maybe when he's naked in her bed. Jax can't tell Joey the truth about the night he left. It would ruin far more than just their relationship. All he can do is sweep her off her reluctant feet with orgasms, flowers, bacon, and a rescue dog. Oh, and maybe handcuff himself to her for charity too. The Beautification Committee has a few tricks up its devious sleeve where Jax and Joey are concerned. Tricks that will either leave the past in the past or ensure these two lovebirds can never be in the same room again.

The Fine Art of Faking It Lucy Score, 2022-10-07 Davis Gates. Naked. Tossing her a handful of orgasms like he was on a lust-themed parade float. Innkeeper Eden has got it all. Well, mostly. She's cornered the hospitality market in Blue Moon offering visitors a place to stay in her hippie-dippie hometown. Business is booming, she's close--but not too close--to family, and she's got her dogs and her friends to keep her company. Unfortunately, she also shares a property line with the crush who broke her teenage heart. Davis spends his days wrestling control of the family winery from his father's semi-retired hands. He doesn't have time for things like dating or dealing with his grudge-holding next-door neighbor. Besides, they're just the latest generation to participate in their families' fifty-year feud. When the Beautification Committee resorts to an unprecedented--and disastrous--matchmaking scheme, enemies Eden and Davis join forces to take them down. These two frenemies can survive being fake lovers for a few weeks if it means teaching their neighbors all's not fair in love and war.

The Blue Moon Laurence Housman, 2004-10 Nillywill and Hands-pansy were the most unimportant and happy pair of lovers the world has ever gained or lost. With them it had been a case of love at first blindness since the day when they had tumbled into each other's arms in the same cradle. And Hands-pansy, when he first saw her, did not discover that Nillywill was a real princess hiding her birthright in the home of a poor peasant; nor did Nillywill, when she first saw Hands, see in him the baby-beginnings of the most honest and good heart that ever sprang out of poverty and humble parentage. So from her end of their little crib she kicked him with her royal rosy toes, and he from his kicked back and laughed: and thus, as you hear, at first blindness they fell head over ears in love with one another.
