Interpersonal Skills for Portfolio, Program, and Project Managers ,2010-08 Improve Your Interpersonal Skills to Achieve Greater Management Success! Any formula for management success must include a high level of interpersonal skills. The growing complexity of organizational portfolios, programs, and projects, as well as the increasing number and geographic dispersion of stakeholders and employees, makes a manager's interpersonal skills critical. The frequency and variety of interpersonal interactions and the pressure to perform multiple leadership roles successfully while ensuring customer satisfaction have never been greater. Interpersonal Skills for Portfolio, Program, and Project Managers offers practical and proven tools and methods you can use to develop your interpersonal skills and meet the challenges of today's competitive professional environment. Develop the interpersonal skills you need to:

- Build effective, high-performing teams
- Work efficiently with virtual teams
- Develop approaches to build and maintain relationships with stakeholders at all levels
- Handle stress and deal with unexpected critical incidents
- Motivate your team

Whatever your level of experience, you will find these practical and proven methods to be the best formula for improving your interpersonal skills-and enhancing your management success. The chapters include discussion questions, making this a perfect text for use in academic or workshop settings.

Leadership Through People Skills R. E. Lefton, Victor Buzzotta, 2003-09-08 The pioneers of the Dimensional Model for managerial behavior demonstrate how to master skills that boost productivity Robert Lefton and Victor Buzzotta, cofounders of Psychological Associates, have revolutionized managerial procedure with their Dimensional Model--a behavioral standard that has been adapted and imitated by companies all over the world. Leadership Through People Skills outlines this model, as the authors explain in detail how people skills work and provide exercises designed to improve them. They also offer strategies for using these skills in the right situations, at the right times, in the right ways with direct reports, peers, and bosses. Managers will learn how to improve their:

- Sizing-up skills: interacting effectively through appropriate action
- Communication skills: strategies for finding out what others are thinking
- Motivational skills: giving people a compelling reason to do their best
- Adaptive skills: fitting actions to the people for whom they are intended

Organizational Behavior Stephen P. Robbins, Tim Judge, 2009 Robbins/Judge provide the research you want in the language your students understand; accompanied with the best selling self-assessment software, SAL. Some topics include

management functions; the social sciences; helping employees balance work and other responsibilities; improving people skills; improving customer service; motivational concepts; communication; power and politics; conflict and negotiation; culture; and stress management. Globally accepted and written by one of the most foremost authors in the field, this is a necessary read for all managers, human resource workers, and anyone needing to understand and improve their people skills.

Improve Your People Skills Patrick King,2022-05-31 Become the ultimate people person and social butterfly. Your qualifications and intelligence aren't what will move you forward in life. People skills (soft skills, interpersonal skills, social skills, and likability) are. They allow you to effortlessly glide through life and roll with the punches, as well as maximize the situations you'll find yourself in. When your relationships are harmonious and authentic, the whole world opens up. Understand people's psychological drives. Improve Your People Skills is a book of action that allows you to truly understand others and speak their language, no matter what it is. It will fundamentally change your approach to others and you'll instantly understand where you've gone wrong. It goes beyond social intelligence and gives you a blueprint to the psychology of people. People skills open the doors for your life in a way that literally nothing else can. Become a captivating, comforting, and desired presence. Whether it's winning at work politics, making new friends, or strengthening current relationships, people skills are your quickest and surest route to success - no matter the situation. Patrick King is an internationally bestselling author and sought-after social skills coach and trainer. He knows firsthand the value of people skills because they rescued him from lackluster grades and jumpstarted his career - the value of "just fitting in anywhere" cannot be understated. Build trust, create emotional depth, and cultivate intimacy. How to use empathy on a daily basis What proxemics are and how to use them The types of humor that you should and shouldn't use Navigating tense situations and conflict How to argue better How to respond to people to make them feel heard and valued Learn how to fit in anywhere, and make any interpersonal situation pleasurable.

Successfully Negotiating in Asia Kim Cheng Patrick Low,2020-09-28 Successful negotiation requires understanding your counterpart's culture, their feelings, habits and values. When planning to do business with suppliers and other partners

in Asia, thorough preparation is essential in order to avoid misunderstandings, confrontations and disappointments, and to ensure the mutually desired success. This book offers a comprehensive guide to communication, argumentation, and negotiation by demonstrating success pathways with a focus on specific types of negotiator or negotiation partner from the different regions of the Asian continent. Readers will learn to negotiate the Chinese, the Indian and the Japanese way, and come to understand how Asians approach negotiations. Written by a truly international author, both academic and practitioner, with extensive experience in both Eastern and Western cultures, this book offers a valuable resource for anyone who relies on successfully negotiating with Asian partners.

Same Game, Different Rules Jean Hollands, 2001 In this groundbreaking book, top executive coach and bestselling author Jean Hollands focuses on a dangerous obstacle that continues to thwart many a talented woman's ambition the Bully Broad factor. Tough, assertive, authoritative, often intimidating, Bully Broads have been the driving forces behind some of today's most successful companies. Unfortunately, Holland explains, many successful women are discovering, too late, that those same qualities that propelled them up the corporate ladder can just as easily ruin them in today's relationship-building, teamwork-oriented corporate culture. Drawing upon her 20 years of experience coaching thousands of executives at many of today's top companies including Cisco, Intel, Hewlett-Packard, Sun, and Netscape Hollands develops a set of 25 rules that help women pass through, or completely avoid, the Bully Broad stage, without compromising their goals or sacrificing their hard-won power and success.
