The Administrative Dental Assistant - E-Book Linda J. Gaylor, 2023-11-17 Gain the knowledge and skills you need to manage a modern dental practice! The Administrative Dental Assistant, 6th Edition explains how to perform key office tasks such as patient scheduling, inventory control, basic bookkeeping, and records management. Not only does the book guide you through day-to-day office functions, but it helps you master problem-solving skills and learn communication tools and skills as you become an effective member of the healthcare team. Written by respected Dental Assisting educator Linda J. Gaylor, this practical guide also includes online exercises and downloadable Dentrix practice management software for plenty of realistic, hands-on practice. - Comprehensive coverage and a clear, concise organization make it easier to understand how to organize and operate today's dental office. - Procedures boxes provide step-by-step instructions on a wide variety of dental office duties. - Anatomy of... illustrations help to describe common office functions, computerized forms, and dental office equipment. - Patient Records provide examples of electronic and paper forms with an explanation of how to use and fill out the forms. - What Would You Do?, Food for Thought, and HIPAA boxes highlight key information and help you to apply what you have learned and to develop critical thinking and problem-solving skills. - Career-Ready Practices activities at the end of each chapter provide assignments allowing you to practice the specific skills needed in today's dental office. - NEW! Content addresses managing a dental office during national and worldwide public health emergencies, such as the COVID-19 pandemic, and includes updated information on digital office systems. - NEW! Enhanced coverage of bookkeeping and financial problem-solving skills is added. - NEW! Updated Dentrix Learning Edition based on Dentrix G7.3 provides experience working with practice management software to prepare for externships, and may be downloaded from the Evolve website. - NEW! Updated computer assignments on Evolve correlate with the new Dentrix Learning Edition, providing realistic on-the-job practice.

The Administrative Dental Assistant Linda J Gaylor, 2016-03-01 Prime yourself for a successful career in the modern dental office with The Administrative Dental Assistant, 4th Edition. As it walks through the functions of today's dental business office, you'll learn how to master critical thinking, effective communication, and common tasks such as scheduling, patient records, and insurance processing along the way. This new edition also boasts a variety of new features, including: expanded information on the electronic health record (EHR) and the paperless dental office; professional tips and insights;

the most recent HIPAA and OSHA guidelines; important soft skills, including Career-Ready Practice exercises; and all the latest technology, equipment, and procedures in use today. Paired with its companion workbook and online learning tools, The Administrative Dental Assistant is the sure fire way to keep you on top of this ever-changing profession. Comprehensive coverage provides everything you need to know to manage today's dental office. Approachable writing style presents need-to-know content in a way that is easy to grasp, regardless of your reading level or setting. Trusted author Linda Gaylor lends years of experience as a practicing dental assistant, instructor of dental assisting, and curriculum director. Procedure boxes provide step-by-step instructions on a wide variety of dental office duties. HIPAA boxes keep you well-versed in the key concepts and applications of the Health Insurance Portability and Accountability Act. Anatomy of images with annotated text break down common dental office equipment, forms, and administrative to further comprehension. What Would You Do? boxes present common situations you may face in the work place. Patient file folder with examples of both electronic and paper clinical forms and records provides you experience working with confidential documents. Art program showcases images of electronic and traditional paperwork, actual offices, equipment and technology to help reinforce the text. Bolded vocabulary terms and glossary give you a foundation for effective office communication. Key points allow you to ensure that you have grasped key content before graduating to the next chapter. Dental office simulation tool on the Evolve companion website allows you to practice many of the typical office functions in a realistic virtual environment. Did You Know? boxes feature snippets of helpful background information to context or rationales to office processes and procedures. Food for Thought boxes highlight key concepts and call readers attention to various ways the concepts are used in everyday life. NEW! Electronic content more comprehensively addresses the electronic health record (EHR) and the paperless dental office. NEW! Emphasis on 21st century job skills is seen throughout the book as chapters discuss the soft skills like work ethic, collaboration, professionalism, social responsibility, critical thinking, and problem-solving that dental assistants must possess. NEW! Career-Ready Practice exercises are included at the end of each chapter asking readers to recall and assimilate information learned within the chapter and demonstrate its application in the dental office. NEW! Content updates include HIPAA changes, insurance updates (including the new claim form), dental terminology overview, new hazard communication procedures, and more. NEW! Additional artwork incorporates new images focused on technology in the dental office and new, paperless ways to manage the day-to-day functions.

Essentials of Dental Assisting - E-Book Debbie S. Robinson, Doni L. Bird, 2016-08-03 - NEW!
