Leading with Heart and Soul Irvin L. Scott,2024-03-19 A spiritually grounded source of inspiration and answers for education leaders in troubling times Public confidence in schools is waning, and there remains an unprecedented teacher shortage in the United States. Leading with Heart and Soul: 30 Inspiring Lessons of Faith, Learning, and Leadership for Educators shows leaders how to use spiritual principles to care for teachers, students, and other stakeholders despite these obstacles. Principals, superintendents, and others will gain motivation from the stories and strategies inside. Drawing on spiritual principles and Dr. Irvin Scott's experience as a classroom, school, district, and non-profit leader, this book will reinvigorate you and your team as you try to answer your most pressing questions about the future of education, including: How do we empower innovative, servant-hearted educational leaders to meet the needs of students? How do we inspire whole communities to support the learning journeys of their youth? How do we engage the entire educational ecosystem—including nonprofits and other organizations—to uplift equitable opportunities to learning and ensure that every

student has the resources needed to thrive? This is not a time for leaders to turn away from our children, their caregivers, and the educators who teach and nurture them. Instead, it is a time to lift them up and celebrate the work they do while navigating our own administrative mandates and challenges. *Leading with Heart and Soul* speaks directly to the individuals in a position to achieve that goal. It is perfect for book clubs; personal study; and within public, Christian private, and faith-based charter schools.

The Soul of Sex Thomas Moore, 1999-08-04 A highly original approach from best selling author Thomas Moore, restoring sex to its rightful place in the human psyche as an experience of the soul. In *The Soul of Sex*, Thomas Moore at last restores sex to its rightful place in the human psyche. Describing sex as an experience of the soul, Thomas Moore here brings out the fully human side of sex – the roles of fantasy, desire, meaning, and morality – and draws on religion, mythology art, literature, and film to show how sex is one of the most profound mysteries of life. While finding spirituality inherent in sex, Moore also explores how spiritual values can sometimes wound our sexuality. Blending rather than opposing spirituality and sexuality, *The Soul of Sex* offers a fresh, livable way of becoming more deeply sexual and loving in all areas of life.

Care of the Soul In Medicine Thomas Moore, 2010-04-15 The New York Times–bestselling author of *Care of the Soul* shares his vision for a holistic healthcare system where illness is treated not just in the body but in the spirit. Few experiences stir the emotions and throw a person into crisis like an illness does. It affects not only the body but also the spirit and soul. Illness is about life and death, fear and hope, love and conflict, spirit and body. And yet, the healthcare system is not structured around these considerations—our doctors and other medical professionals are not trained to deal with the whole person. *Care of the Soul in Medicine* is Thomas Moore’s manifesto about the future of healthcare. In this new vision of care, Moore speaks to the importance of healing a person rather than simply treating a body. He gives advice to both healthcare providers and patients for maintaining dignity and humanity. He provides spiritual guidance for dealing with feelings of mortality and threat, encouraging patients to not only take an active part in healing but also to view illness as a positive passage to new awareness. While we don’t fully understand the extent to which healing depends on attitude, it has been shown that healing needs to focus on more than the body. The future of medicine is not only in new technical developments and research discoveries—it is also in appreciating the state of soul and spirit in illness.

The Lost Soul of the American Presidency Stephen F. Knott, 2020-07-14 The American presidency is not what it once was. Nor, Stephen F. Knott contends, what it was meant to be. Taking on an issue as timely as Donald Trump’s latest tweet and old as the American republic, the distinguished presidential scholar documents the devolution of the American

presidency from the neutral, unifying office envisioned by the framers of the Constitution into the demagogic, partisan entity of our day. The presidency of popular consent, or the majoritarian presidency that we have today, far predates its current incarnation. The executive office as James Madison, George Washington, and Alexander Hamilton conceived it would be a source of national pride and unity, a check on the tyranny of the majority, and a neutral guarantor of the nation's laws. The *Lost Soul of the American Presidency* shows how Thomas Jefferson's "Revolution of 1800" remade the presidency, paving the way for Andrew Jackson to elevate "majority rule" into an unofficial constitutional principle—and contributing to the disenfranchisement, and worse, of African Americans and Native Americans. In Woodrow Wilson, Knott finds a worthy successor to Jefferson and Jackson. More than any of his predecessors, Wilson altered the nation's expectations of what a president could be expected to achieve, putting in place the political machinery to support a "presidential government." As difficult as it might be to recover the lost soul of the American presidency, Knott reminds us of presidents who resisted pandering to public opinion and appealed to our better angels—George Washington, John Quincy Adams, Abraham Lincoln, and William Howard Taft, among others—whose presidencies suggest an alternative and offer hope for the future of the nation's highest office.

Tasting The Divine Romance Shree Anand Krishna, 2025-01-14 Embark on a poetic journey into the heart of Hindu philosophy with *Tasting The Divine Romance*. This evocative collection weaves together the timeless wisdom of the Vedas, Upanishads, and Bhakti traditions into verses that sing of love, unity, and spiritual awakening. Each poem is a meditative dance between the human soul and the infinite, capturing the intimate and eternal relationship with the Divine. Whether you are a seeker or simply a lover of soulful poetry, this book invites you to taste the nectar of the eternal romance, where the finite dissolves into the infinite, and every moment becomes a prayer.

Soul Matters for Mothers Mark Gilroy Communications, Inc Staff, 2005 A unique devotional for mothers, providing encouragement and renewal of the soul. The demands on a mother can be enormous. The physical, emotional, and spiritual needs of her children are constant and can seem never-ending. Much-needed support and encouragement can, at times, be in

short supply. Soul Matters for Mothers, part of the popular Soul Matters series, is the perfect devotional for refreshing the mind and uplifting the heart of any mother, no matter the age. A wide variety of topics are presented in a format that's easy to follow and fun to read. Each devotional includes a quote, Scripture, To Think About and Life Lesson sections, followed by a Real Life Story, an action step, and finally, a prayer. It's a wonderful way to help mothers be the best they can be, doing one of the hardest jobs in the world!
