**Mike Jess**

*Destroy Me* Michelle Heard, 2023-01-11 From USA Today & Wall Street Journal bestselling author Michelle Heard, is a new STANDALONE, full-length MAFIA ROMANCE novel. Our first meeting was at a nightclub, and it was something straight out of my most romantic fantasies. My ovaries exploded at the sight of the Russian God. And by God, I mean he was ripped, tall, dark, and deadly attractive. There were enough sparks between us to light up a city. Then an explosion blasted through the nightclub, and we got trapped together for three hours, sharing our most personal details... everything but our names. Two years later, our second meeting is the complete opposite of the first. It's clear Misha Petrov, a Russian enforcer for the bratva, despises me. The emotional night we shared meant nothing to him. You see, my family is sworn enemies with the bratva and Italian mafia, which means Misha considers me a threat. I wish I could hate him the way he hates me. But nooo, my stupid heart wants what it wants. Every rough touch from Misha makes my skin tingle. Every low-rumbling threat growled through his clenched teeth has my breath speeding up. We might be sworn enemies, but I can't stop myself from wanting this dangerous man. Then there's the other problem. If I can, by some miracle, get Misha to fall in love with me, we'll only have to face the entire bratva and my family. What could possibly go wrong? STANDALONE: A Mafia/Bratva Romance, standalone, full-length novel.

*Most Precious Blood* Susan Beth Pfeffer, 2015-01-06 You can buy a lot of things with enough money, but you can't buy the truth After Val skips one Sunday dinner with her cousin Michelle's family, everything changes. Val and Michelle's fathers aren't getting along, and she just wanted to avoid the tension that she knew would be on the menu. Val's mom died of cancer two years ago, and now her father's love and her mother's memory are all she has. But Michelle can't let it go, and in her anger she drops a bombshell: "You're not really family. You don't really count." Is it true? How come no one—not her teachers, not her classmates, not their parents—seems surprised? Other kids at school are adopted; it's not a secret. So why hasn't anyone told Val? Slowly Val starts to see that things are different for her. Other kids don't have bodyguards or a dad who gives them whatever they want with his piles of money. Up till now, Val has repaid her father's love by being the obedient daughter he expects, but now she needs something else: She needs the truth.

**Joy Comes in the Morning** Ashea S. Goldson, 2013-06-01 Sister Alex Carter is seemingly a pillar of spiritual strength, working diligently in the ministry, trying to help everyone. But she has a secret, and as a result, she is unable to help herself.

In fact, she is really a ticking time bomb. Although the one thing she wants more than anything else is to marry Deacon Joshua Bennings, a Bishop's son and the church's most eligible bachelor, she can't seem to escape the mistake from her past. So instead, she distracts herself with drama, striking a moral indictment against the church, competing with a flirtatious church sister for the man she loves, holding onto a job that's pulling her further away from the will of God, and trying to block an old lover's selfish attempt to expose her. As Alex wrestles to hang on to her spotless reputation, her pre-packaged life begins to unravel, bringing her to the brink of losing everything she has worked so hard for. Alex is forced to face not only her past, but her future, as well. Will she ever learn that through Christ, no matter how dark it gets, joy comes in the morning?

**Keep Moving** Dick Van Dyke, 2015-10-13 Show-business legend Dick Van Dyke is living proof that life does get better the longer you live it. Who better to offer instruction, advice, and humor than someone who's entering his ninth decade with a jaunty two-step? Van Dyke isn't just a born song-and-dance man; his irrepressible belief in embracing the moment and unleashing his inner child has proved to be the ultimate elixir of youth. When he was injured during the filming of Chitty Chitty Bang Bang, his doctor warned him he'd be using a walker within seven years, but Dick performed a soft shoe right there and never looked back. In *Keep Moving*, Dick Van Dyke offers his own playful anecdotes and advice, as well as insights from his brother, actor Jerry Van Dyke; his friend and creator of *The Dick Van Dyke Show*, Carl Reiner; and other spirited friends and family. Whether he's describing the pleasure he takes in his habitual visits to the grocery store; how he met his late-in-life-love Arlene; or how he sprung back, livelier than ever, from a near-death experience, Dick's optimistic outlook is an invigorating tonic for anyone who needs a reminder that life should be lived with enthusiasm despite what the calendar says. You don't have to act your age. You don't even have to feel it. And if it does attempt to elbow its way into your life, you do not have to pay attention. If I am out shopping and hear music playing in a store, I start to dance. If I want to sing, I sing. I read books and get excited about new ideas. I enjoy myself. I don't think about the way I am supposed to act at my age - or at any age. As far as I know, there is no manual for old age. There is no test you have to pass. There is no way you have to behave. There is no such thing as 'age appropriate.' When people ask my secret to staying youthful at an age when getting up and down from your chair on your own is considered an accomplishment, you know what I tell them? 'Keep moving.' - Dick Van Dyke
