Dying to Live James A. Harnish, 2003 ...Christian believers claim that the cross is God's action to set right what has gone wrong in human life--to heal the estrangement in our relationships with God and with one another, and to restore wholeness to this sin-damaged creation. My prayer is that as we make our way toward the cross during the days of Lent, exploring the questions and answers together, we will discover God's power to transform our lives.--adapted from the introduction This seven-session study, appropriate for both group and individual use, provides one lesson for each week in Lent and one for Easter. A brief reading for Good Friday is also included. Each lesson includes a Scripture reference, a brief reflection, questions for study or discussion, and a brief prayer. Sessions focus around the answers to the question, Why Did Jesus Die on the Cross? Abingdon Press

Dying to Live: Finding Life's Meaning Through Death Andy Chaleff, 2025-09-10 What if embracing death is the key to truly living? We spend our lives avoiding the thought of death-yet its presence shapes everything we do. In *Dying to Live*, Andy Chaleff takes readers on an intimate and eye-opening journey, revealing how making peace with mortality can unlock a richer, more meaningful life. Blending memoir, philosophy, and deeply personal reflections, Chaleff invites us to step beyond society's distractions and face death with curiosity rather than fear. Through poignant stories and thought-provoking questions, he helps us see that dying isn't the end of life's meaning-it's where we finally begin to understand it. Book Endorsements: This extraordinary book will help you relax into and enjoy the continuum of existence. - Deepak Chopra, pioneer in personal transformation This book is extraordinary, it's a treat, and it affects me deeply. Reading it, I feel I am going on a journey with a wise, caring, and perceptive friend whose honest opening of his own struggles with the deepest questions of life and death have not failed to stir the same reflections in me about my own. I warmly recommend you all go on this journey with Andy and within yourself soon, as carefully and enjoyably as I have. Wonderful, gracious, gently helps you to free yourself, bit by bit! - Robert Thurman, author of *Inner Revolution* and *Man of Peace* *Dying to Live* is a book every

living being should read to find freedom from the fear of death. With a message both simple and profound, Andy Chaleff offers a path toward liberation from the anxiety we all inevitably face. After reading it, I feel more at ease with death than I ever did before. - Satish Kumar, founder of Schumacher College Reading Dying to Live felt like sitting with a close friend who isn't afraid to talk about the things we usually avoid. Andy Chaleff doesn't just write about death-he invites us into an intimate conversation with it, and somehow, with ourselves. Brave, beautifully written, and profoundly illuminating. - Austin Hearst, media executive and philanthropist Our modern world treats death like a glitch in the system. But Andy Chaleff reminds us that death is the great clarifier-the one truth that can reorder our priorities and reconnect us to what matters. This book is an invitation to stop performing life and start inhabiting it. - Chip Conley, founder of the Modern Elder Academy (MEA) and author of Learning to Love Midlife Book Reviews: □□□□□ Andy Chaleff's Dying to Live is part memoir, part meditation, and all heart... a meandering, deeply personal journey through loss, fear, letting go, and making peace. - Reader Review A profound exploration of life, death, and finding meaning... This book doesn't cast a shadow but teaches us to live with quiet peace. - Independent Book Review Chaleff effectively extracts the fear and drama surrounding death and reduces it to a manageable and natural process... RECOMMENDED. - US Review of Books Layered and moving... this enlightening guide looks at death both physically and metaphorically, working to center it as a propeller to living actively. - BookLife Review A thoughtful book about a difficult topic. - Kirkus Reviews

Dying, We Live Kenneth Grayston, 1990 This critical study provides a book-by-book survey of every New Testament reference to the death and resurrection of Christ. Drawing on a rich arsenal of both literary and historical exegetical tools, Grayston introduces a vast range of scholarship, offers brilliant and original insights, illuminates disputed points, and portrays the distinctive features of each New Testament author's theology. In the process, he maintains that talk and thought about the death of Christ have as much to do with human problems as they have with questions of belief.
