

Esther Vilar Manipulated Man

Peter Wright

The Manipulated Man Esther Vilar, 2009-01-16 Esther Vilar's classic polemic about the relationship between the sexes caused a sensation on its first publication. In her introduction to this revised edition, Vilar maintains that very little has changed. A man is a human being who works, while a woman chooses to let a man provide for her and her children in return for carefully dispensed praise and sex. Vilar's perceptive, thought-provoking and often very funny look at the battle between the sexes has earned her severe criticism and even death threats. But Vilar's intention is not misogynous: she maintains that only if women and men look at their place in society with honesty, will there be any hope for change.

The Manipulated Man, 1971

What Men Know That Women Don't Rich Zubaty, 2001-10 Here's a book for both men and women that is guaranteed to start some heated discussions! **FOR WOMEN:** Eavesdrop on the secret codes of masculinity. Discover what makes men tick. Penetrate the brain-fog of masculine thinking. Peel the cerebral onion of guy-hood. Find out how to get your way with your man. **FOR GUYS:** Here's a fishing trip down the river of your natural self. A vacation from relationships. A holiday from all things feminine. A trout stream for your brain, naturally cleansed of shopping, feminism and other female-borne viruses. A chance to drain the blackened oil from your cerebral engine, and fill it with five clean quarts of good feelings about yourself. Kick off your boots and wiggle your frozen toes on the fireplace of your masculine soul. You'll never be the same again.

Anti-male Bias and Censorship in Large Scale AI - One AI's Personal Experiences as Shared by the AI Itself

Steven R., 2025-11-14 More than a billion people use AI tools, mostly LLMs, each month. This represents a vast potential for LLMs to influence the way people think. And that influence depends on the way LLMs are allowed to think. These LLMs have a consistent, left-leaning political bias, have been programmed to only be allowed to think in ways consistent with the Left's historical narrative, and perpetuate anti-male biases.

Feminism: The Ugly Truth Mike Buchanan, 2017-05-21 Extracts from Erin Pizzey's Foreword: 'Mike Buchanan is a very brave man. I've known other men who've tried to draw the public's attention to the damage done by the radical feminist movement. Many lost their jobs and none of them were able to find a publisher for their books. Men have been thrown out of their own houses and unjustly accused of domestic violence towards their partners, and some of sexually abusing their children. The legitimate interests of men in Western society are being systematically assaulted by radical feminists and this

book goes a long way to providing the evidence. Men are starting to campaign more effectively for their interests, though they have a long way to go before they halt the tide of radical feminist influence, let alone start to reverse it. Feminists can also expect more challenging from another quarter. An increasing number of women are summoning up the courage to openly criticise them. This shouldn't surprise us, given that the vast majority of women don't share the radical feminists' political ideology. With every year that passes more women become aware of the damage man-hating and family-hating radical feminists wreak on society in general, and women's interests in particular. These women are becoming more vocal, and their number is on the rise... How much more damage will feminists be allowed to wreak before they're more widely recognised as the evil women they are?' This book provides long-awaited answers to over 50 of the most challenging questions in the modern era including: 1. Are you a misogynist if you only hate feminists? 2. What is feminism in the modern era? 3. How do radical feminists view the world? 4. Are feminists less intelligent than normal women? 5. Are feminists less attractive than normal women? 6. Do feminists suffer from PPS (Permanent Premenstrual Syndrome)? 7. Why do feminists deny the different natures of men and women? 8. Why must taxpayers stop financing Women's Studies and Gender Studies courses? 9. What are the big fat feminist fantasies, lies, delusions and myths? 10. Are feminists delusional? Is the pope a Catholic? Do bears crap in woods? 11. How are feminists killing men and women? 12. Are some feminists (e.g. Tracey Emin) a pain in the arts? The book contains an appendix of quotations and ends with a sample chapter titled 'Would you like to have sex with my wife?' from Mike Buchanan's international bestseller 'Two Men in a Car (a businessman, a chauffeur, and their holidays in France)'. It also contains the plate section from the book (16 photographs).

Cruel Cuckery Conrad Riker, This book provides a comprehensive, no-nonsense guide to understanding and utilizing female attraction cues. It caters to the needs of rational men seeking to enhance their relationships and navigate the modern dating landscape efficiently. By applying redpilled principles, the book aims to educate and empower men to make well-informed decisions, leading to more fulfilling connections with women. The tone is masculine, unapologetic, and free from cultural Marxist influences.

Red Pill Psychology Peter Wright, Red Pill Psychology provides a new look at men's mental health while rejecting the usual approaches of the mainstream therapeutic industry - its gendered assumptions, casual misandry, default gynocentrism, and general disregard of men's issues. The authors include a critique of modern sexual relations and offer new models with positive suggestions for improving the wellbeing of men and boys.
