Rayan's Adventure Learning the Five Pillars of Islam The Sincere Seeker Collection, 2022-06-24 The Religion of Islam is based upon Five Primary Foundations or Pillars. Just as a building or a bridge would lack stability without strong pillars, a Muslim's relationship with Allah, his God, would lack a focus and a secure connection without the observance of and adherence to these fundamental Five Pillars. These Five Pillars or religious duties are mandatory. Every Muslim must follow and practice them with the utmost devotion. Failure to comply and practice any of these dictates can be considered the commission of serious sin, some resulting even in the expulsion of a believer from the fold and faith of Islam. These Five Pillars are mentioned individually throughout the Holy Quran, and through the narrations of Prophet Muhammad, peace be upon him; known as Hadith. The Five Pillars of Islam are: □ Testimony of faith in the Oneness of God (Allah) & the last & final Prophet, Muhammad, PBUH □ □ Establishment of the five mandatory prayers; Salah Prayer/ Namaz for kids □ □ Zakat; the concern and almsgiving to the needy □ □ Fasting during the month of Ramadan (for self-purification) □ □ Hajj; The pilgrimage to Makkah, or Mecca (at least a once-in-a-lifetime journey for those who can do it and can afford it) □ Like the Ten Commandments of the Jewish and Christian faiths, these Pillars provide a spiritual foundation and a framework to guide a Muslim's life. Fulfillment of these Five Pillars provides blessings and rewards for those who follow them in both this life and the next. These Pillars help Muslims establish a closer relationship with their Creator and build a spiritual connection with Him. A faithful Muslim prioritizes these Pillars over all worldly matters, principles, or regulations in their lives, as they form the foundation and starting point for all other good deeds and acts of worship to their Creator. Five Pillars of Islam Recep Dogan, 2019-08-27 Islam aims to bring happiness to the lives of human beings in this world and the afterlife by providing them with the most suitable lifestyle for the human condition. Islam is not imposed on individuals; it is practiced by the free will of human kind, and therefore leaves people free and respects their decisions. The religion of Islam has two main categories: the theological and the practical. Kalām, the theoretical aspect, is the belief system. Worship and life make up the practical aspect. Worship includes purification (wudu), the five daily prayers (salah), charity (zakat), fasting (sawm), pilgrimage (hajj) and similar activities. Life, is applying the religion to every aspect of human existence; individual, family, society and so on. This book focuses on worship and its relevant topics. To be able to perform sound and healthy worship, a Muslim must have an accurate knowledge of the religion. Islamic religion is a set of rules conveyed by Allah to human beings through messengers. Allah revealed Islam through Prophet Muhammad (pbuh) giving Muslims two main sources from which to learn their duties and worship: the Qur'an and Sunnah (the behavior and words of Prophet Muhammad (pbuh)). In order to worship in the most authentic way, a Muslim must know both the Qur'an and Sunnah. Understanding the Qur'an and Sunnah has such an importance in Islam that prominent scholars with exemplary knowledge such as Abū Ḥanīfa (699-767 CE / 80-148 AH), Mālik (c. 711-795 CE / 93-179 AH), Shāfi (767-820 CE / 150-204 AH) and Aḥmad bin Hanbal (780-855 CE / 164-241 AH), established law schools enabling ordinary Muslims to practice Islam correctly in their daily lives by following their instruction. This book addresses the topic of worship from the perspective of the Ḥanafī School of Thought and explains the evidence for their rulings from the Qur'an, Sunnah and other sources. Since the emergence of the Ḥanafī School of Thought, its scholars have controversially been accused of neglecting the Sunnah and giving legal rulings based on personal opinions. During his life, Abū Ḥanīfa was able to successfully defend his position, proving that he followed the way of the Prophet (pbuh) precisely. This book also presents evidence that the Ḥanafī School of Thought gave rulings based on the Qur'an and Sunnah. If there was more than one piece of evidence for a ruling, they chose the strongest, most authentic evidence from the Sunnah and ruled accordingly. Abū Ḥanīfa belongs to the Kūfa School of Thought which goes all the way back to prominent jurists and Companions such as 'Alī bin Abū Tālib and 'Abdullah ibn Masud. Both of these Companions spent most of their time with the Prophet (pbuh) from the beginning of his prophethood until his death, not only did they witness the practices of Islam at first hand, but also had a deep understanding of the whole religion. When giving a ruling, if there were any conflicting pieces of evidence, Abū Ḥanīfa preferred the narration of a Hadith from these Companions over the others. In this book I have covered the pillars of Islam; the book of purification

(wudu), the five daily prayers (ṣalah), charity (zakat), fasting (sawm) and pilgrimage (ḥajj). Before explaining these topics, I have described some concepts that are frequently used in fiqh terminology with the aim of making the topic easier to understand for those who are not familiar with such words.

The Five Pillars of Islam Hisham M Fahmi, 2024-08-27 In a world marked by diversity and pluralism, the five pillars of Islam stand as a testament to the unifying principles that guide the lives of over a billion Muslims around the globe. These foundational practices-Shahada (faith), Salah (prayer), Zakat (charity), Sawm (fasting), and Hajj (pilgrimage)-are more than just rituals; they are the framework for a life dedicated to spiritual growth, ethical conduct, and social responsibility. The Five Pillars are often referred to as the core tenets of Islam, but they represent much more than mere obligations. They encapsulate the essence of a faith that is deeply personal yet profoundly communal. Through them, Muslims connect with God, with one another, and with the world around them. Each pillar is a beacon of guidance, offering a path to inner peace, social justice, and an unshakable commitment to the divine. This book aims to delve deeper into the significance of each of the Five Pillars, not only as individual acts of worship but as interconnected elements of a holistic way of life. Through historical insights, theological reflections, and practical applications, we explore how these Pillars shape the character, relationships, and communities of those who practice them. Whether you are a lifelong follower of Islam, a curious seeker, or someone simply wishing to understand this beautiful faith more deeply, this book offers a simplified and accessible guide to the five pillars. It invites readers to consider the ways in which these timeless principles resonate with the human experience and how they contribute to a life of purpose and fulfillment.

The Druze and their Faith in Tawhid Anis Obeid,2006-07-06 As a small sect that emerged from Islam over a thousand years ago, the Druze religion and society has long been cloaked in a tradition of secrecy. Veiled from the outside world, the religious tenets have been vulnerable to distortion, misunderstanding, and misrepresentation. In this book Dr. Anis Obeid, a Druze layman, provides a penetrating analysis of Druze scriptures and beliefs (Tawhid). Presenting a chronological narrative of the foundation and development of the faith, he explains the historical conditions and religious rationale behind this closed religion. The Druze faith is the product of Abrahamic monotheism as it coalesced with other philosophies, belief systems, and political structures of the West and the East and, as Obeid maintains, should be recognized for its core monotheism, and not fundamentally different from Judaism, Christianity, or Islam. He argues convincingly, with examples and translations from the Druze scriptures, only now accessible to a non-initiate public, that Tawhid is a progressive and dynamic spiritual process based on freedom of choice. This rich exploration of their faith, the author's appeal for a sincere cultural dialogue will resonate with a wide audience in the West and in the Middle East.
