Bible Doctrine Wayne A. Grudem, 2014-10-28 How do we know the Bible is God's Word? What is sin and where did it come from? How is Jesus fully God and fully man? What are spiritual gifts? When and how will Christ return? If you've asked questions like these, then systematic theology is no abstract term. It's an approach to finding answers every Christian needs to know. Bible Doctrine takes a highly commended upper-level textbook on systematic theology and makes it accessible to the average reader. Abridged from Wayne Grudem's award-winning Systematic Theology, Bible Doctrine covers the same essentials of the faith, giving you a firm grasp on seven key topics: The Doctrine of the Word of God The Doctrine of God The Doctrine of Man The Doctrine of Christ The Doctrine of the Application of Redemption The Doctrine of the Church The Doctrine of the Future Like Systematic Theology, this book is marked by its clarity, its strong scriptural emphasis, its thoroughness in scope and detail, and its treatment of such timely topics as spiritual warfare and the gifts of the Spirit. But you don't need to have had several years of Bible school to reap the full benefits of Bible Doctrine. It's easy to understand—and it's packed with solid, biblical answers to your most important questions.

Israel and the Covenants in New Testament Times Peter Williams, 2016-05-23 Second Edition - Updated and Revised A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness, in the final generation before Jesus Christ returns in glory, is being fulfilled now and is shortly to end. Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this – or that Christ's return is therefore now almost upon us! How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God. In God's saving plan for the world, everyone must in time make a free will choice to become part of the 'Israel of God' in order to access eternal life in the kingdom of God. The route to take is the "strait and narrow" way (Mat 7:13-14) that very few have so far found, and it involves the biblical new and old covenants which both apply to this Israel. Embark on this voyage only if you are willing to: be challenged about some basic Christian preconceptions, be a serious open-minded Bible student, and trust what the Bible teaches - but remember that time is short. "What the Bible has

taught me I see as both vital and urgent for our eternal salvation; yet I know of no church or individual theologian who teaches what this book deals with in any substantive way” “Be prepared for major challenges to your understanding just as God has challenged me.” “In the epistles, Paul refers to two Israels whom he calls Israel after the flesh (I Cor 10:18) and the Israel of God (Gal 6:16); I focus mainly on the latter (but I also explain an unexpected but critically important connection between them)” “Dependent on the teaching, nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me. Looking back, I find this absolutely staggering!” “Very few [Christians] understand that the new covenant also only applies to Israel (as I will clearly show).” “I no longer believe that the NT [New Testament] can be fully understood without this extra Israel dimension” “Had I felt I could deliver this in a more light-hearted way I would have done so, but its implications are too awesome and fundamental to our eternal life prospects for that”

The Patristic Witness of Georges Florovsky Georges Florovsky, 2019-09-19 Georges Florovsky (1893-1979) was one of the most prominent Orthodox theologians and ecumenists of the twentieth century. His call for a return to patristic writings as a source of modern theological reflection had a powerful impact not only on Orthodox theology in the second half of the twentieth century, but on Christian theology in general. Florovsky was also a major Orthodox voice in the ecumenical movement for four decades and he is one of the founders of the World Council of Churches. This book is a collection of major theological writings by George Florovsky. It includes representative and widely influential but now largely inaccessible texts, many newly translated for this book, divided into four thematic sections: Creation, Incarnation and Redemption, The Nature of Theology, Ecclesiology and Ecumenism, and Scripture, Worship and Eschatology. A foreword by Metropolitan Kallistos Ware presents the theological vision of Georges Florovsky and discusses the continuing relevance of his work both for Orthodox theology and for modern theology in general. The introduction by the Editors provides a theological and historical overview of Florovsky theology in the context of his biography. The book includes explanatory notes, translation of patristic citations and an index.
