Bibliographic Guide to Music GK Hall,2002-07 The holdings of the Music Division of the New York Public Library cover virtually all musical subjects; its scores represent a broad spectrum of musical style and history.

Ku Klux Klan Sheet Music Danny O. Crew,2003-03-31 The Ku Klux Klan has received much attention for its violent activities, but comparatively little research has been done on its musical legacy. The printed music that still exists is spread throughout the nation in both public and private collections. This work presents, chronologically, the music associated with the Klan from 1867 to 2002, thus enabling readers to sense the arguments and attitudes of the Klan as they developed and changed over time. Because of the relative scarcity of Klan-related music, non-Klan music that mentions the word Klan is included. These obscure references help place the Klan in a larger social perspective and are very important in documenting anti-Klan musical reaction. In instances where a song merely mentions the Klan, usually in only one verse or in the chorus, then only that verse containing the Klan reference, plus appropriate context, is included. The catalogue also includes Klan-related music that does not have lyrics, such as marches, waltzes, two-steps, and several Klan-related pieces that were published in Europe. Sheet music was virtually nonexistent after the 1930s, so in order to capture a feeling of Klan-related music today, a limited discography of Klan-related recordings from 1920 to 2002 is also included.

Scoring to Picture in Logic Pro Prof. Chris Piorkowski,2023-09-29 Learn from a seasoned Hollywood film composer the intricacies of synchronizing music to picture in Logic Pro 10.6 and later versions, and apply these lessons to elevate your

own projects in this part-color guide

Key Features Learn essential film music terminologies and practices used in Hollywood with this illustrated guide Explore crucial synchronization techniques using a hands-on example of writing music to picture Prepare yourself for a real gig as a film, TV, and multimedia composer Purchase of the print or Kindle book includes a free PDF eBook

Book Description This book will help you leverage the Logic Pro digital audio workstation (DAW) for scoring to picture. With the help of expert insights from a Hollywood film composer, you'll understand how the film music industry works and be ready to meet the demands of film directors or producers, exploring common scenarios and the process of post-production and final film score delivery. Packed with all the technical and practical skills needed when scoring to picture in Logic Pro, along with insights into real film scoring tasks, this book will prepare you for success in the industry. You'll start by getting acquainted with film scoring terminology and then advance to working with QuickTime video and its components, getting an overview of how to set up and sync a movie file in Logic Pro. You'll see the different methods of creating tempo maps, find a suitable tempo for a film scene using hit points and scene markers, and work with time signature and beat mapping functions. You'll also work with a pre-composed score of a Mercedes commercial that you can analyze and emulate in your own Logic Pro session. By the end of this book, you'll have gained new skills and the knowledge of commonly used industry scenarios to help you enter the professional market of scoring to picture.

What you will learn Master film and multimedia tasks as a film composer Use QuickTime video in Logic Pro Create tempo maps and calculate the best tempos for film cues Understand advanced concepts to deal with timing in film music Acquire essential skills to thrive in the competitive film music industry Gain the knowledge necessary to communicate confidently with film industry professionals Develop the technical skills of scoring to picture

Who this book is for This book is for aspiring multimedia composers and musicians as well as advanced film, TV, and game music composers. Music supervisors, editors, and orchestrators will also find this book useful. Basic knowledge of Logic Pro, music theory, composition, and film scoring is expected.

Tin Pan Alley and the Philippines Thomas P. Walsh, 2013-04-04 In this innovative resource, Thomas P. Walsh has compiled a unique collection of some 1,400 published and unpublished American musical compositions related to the Philippines during the American colonial era from 1898 to 1946. For the guide, Walsh surveyed a wide array of sources: published songs listed in WorldCat, online catalogs of sheet music collections of university libraries and major public and private research libraries, bibliographic compilations of popular music, periodical literature on music and popular culture, published collections of "soldier songs," and sheet music listed for sale on commercial auction websites. The guide also identifies from song registrations in the U.S. Copyright Office's Catalog of Copyright Entries (CCE) forty-eight years of musical compositions relating to the Philippines. By systematically going through the CCE, year by year, Walsh discovered hundreds of unpublished songs written by average Americans expressing their varied views about historical events and personal experiences in America's faraway Southeast Asian colony. Although most of the chronologically listed songs will be new to

scholars and students, songs like “Ma Little Cebu Maid,” “My Own Manila Sue,” “My Fillipino Belle,” “Down on the Philippine Isles,” “Beside the Pasig River,” “My Philippino Pearl,” and “I Want a Filipino Man” were all published and widely promoted by Tin Pan Alley, as well as performed on stage, and listened to on records and piano rolls across America. The lyrics often illustrate popular American attitudes, from shrilly patriotic numbers about the Battle of Manila Bay and the later Fall of Bataan and Corregidor to wistful, romantic, and even charming reminiscences of happy days spent in “old” Manila to racially charged pieces rife with deprecating stereotypes of Filipinos. The book reprints a number of hard-to-find song lyrics, making them available to readers for the first time in more than a century. It also provides copyright registration numbers and dates of registration for many published and unpublished songs. Finally, more than 700 notes on particular songs and numerous links provide direct access to bibliographic records or digital copies of sheet music in libraries and collections. Exhaustive in scope, *Tin Pan Alley and the Philippines* is an invaluable resource for scholars and students of American history, Pacific studies, popular culture, and ethnomusicology.

Music in the Disney Parks Gregory Camp,2025-11-26 Gregory Camp shows that the choice and use of music in Disney theme parks is very much grounded in Disney’s experience with storytelling on film and television, and that Disney’s musical storytelling in the parks is built upon the concept of nostalgia. Camp illustrates how the instrumentation and composition of the music impacts audience experience and shapes perceptions. The book is an essential guide for anyone seeking to understand the intricate interplay between music and narrative nostalgia. Ever since its founding in 1923, the Disney Company has foregrounded music in its storytelling in film, television, and live entertainment. Music was important at Disneyland from its opening day on 17 July 1955, when a widely viewed television broadcast included many musical performances of the type guests could hear in the parks. Since then, as Disneyland has expanded and the company has opened many more parks all around the world, music has remained fundamental to how the parks’ designers (Imagineers) tell their stories. The book will be of interest to musicologists and those working in film studies, as well as those from the wider Disney scholarship community, who come from urbanism, fandom studies, and various other branches of sociology and ethnography, as well as to others who study various aspects of music’s role in live and virtual spaces and places.

Early Broadway Sheet Music Donald J. Stubblebine,2002 This work, a companion to Broadway Sheet Music: A Comprehensive Listing of Published Music from Broadway and Other Stage Shows, 1918 through 1993 (1996, \$75), provides information about sheet music published over the 75-year period from June 1, 1843, to May 31, 1918--the early days of modern American theatre. It covers all sheet music published from all Broadway productions--plus music from local shows, minstrel shows, night club acts, vaudeville acts, touring companies, and shows on the road that never made it to Broadway. Also included are all the major musicals from Chicago, which rivaled Broadway in original productions during that period. Each piece of sheet music has been assigned a number by the author, and the following information is given: production title (as listed on sheet music cover), year the production officially opened or tour began, name of the theatre (applicable only to New York productions), number of performances (applicable only to New York productions), performers, song titles, composer and lyricist, original publisher of each song, and cover description. Also included are comments from the author.
