**A Pastor's Story** Pastor Dave, 2016-01-23 What makes an ordinary man, husband, coach, or restaurant owner suddenly wake up one morning and wonder about God. David Stevens was just a regular guy making a living and providing for his wife

and family and who loved to spend his weekends with friends having drinks, dancing, and sleeping in on Sunday morning. Dave figured he had plenty of time left to get things right, until the night he had the dream that made him realize that his life could end at any moment before he got things right with God. Daves search brought him to the realization that his life was not about Dave, but it was about God. Dave discovered that God had not just a plan for him but a calling on Daves life to go and tell people about the saving grace of Jesus Christ. Dave went from just an ordinary man to an extraordinary man of God who preaches and teaches about the salvation we can all receive through Jesus Christ. Through the incredible teachings of Christ in the Bible and the testimonies of other godly men, Daves life was transformed from a man centered on what the world said was acceptable to a man who desired on what God said was acceptable. He met men and women whose lives had been changed because of their interaction with Christ through dreams, through life experiences, or through the revelation of Christ. Pastor Dave, as he is now known, shares his journey of coming to Christ through his own experience of meeting the Savior. As he was mentored by other men of God, Pastor Dave began to see the urgent need to share the love, mercy, and grace of surrendering ones life to Christ and sharing that message with his friends and family and finally to others. Minister Bonetta J. Hutson

**The Collected Works of Witness Lee, 1953, volume 1** Witness Lee, Brother Witness Lee traveled to Manila, Philippines, on December 10, 1952, and stayed there until June 30, 1953. During this time he released messages that compose the first six chapters of The Bridge and Channel of God, which appears in volume 1 of this set. A collection of his personal notes written in January is included in volume 1 of this set. On June 1 through 14 he conducted a training on service in the mornings with brothers who attended from the Philippines as well as from other Southeast Asian countries. The main subject of these meetings was on the conditions for God to use man and on the knowledge needed for those who serve the Lord. In the evenings he spoke to the whole church on God's need for man and the life of service. After this, he conducted meetings in Baguio, Philippines, for three days beginning on June 15, with two meetings every day. The subject of these meetings was on the life and living of the Lord's serving ones and the revelation and way for service. These messages were originally published in The Ministry of the Word, Issue Nos. 27 and 28, and are included in volume 1 of this set under the title The Ministry of the Word, Miscellaneous Messages, 1953. After returning from Manila on June 30, Brother Lee remained in Taiwan for the rest of the year. Beginning on August 9 he conducted an eleven-day conference on life and the church with over two thousand in attendance. These messages are included in volume 1 of this set in the section entitled Knowing Life and the Church. The most significant event of this year was a sixteen-week training that began in September and ended in the middle of December. This was the most crucial training during the first few years of the work in Taiwan. All the sections in the remainder of the 1953 set are from messages released during this training. These include The Knowledge of Life and The Experience of Life, both of which have become crucial books in the Lord's recovery since that time. Some of the

messages in these sections were given in 1954. The Collected Works of Witness Lee, 1953, volume 1, contains messages that Brother Witness Lee gave in 1953. This volume also includes notes, articles for publication, and an outline written in the same year. Additionally, prayers offered by Brother Lee in meetings from 1953 through 1957 are included in this volume. Historical information concerning Brother Lee's travels and the content of his ministry in 1953 can be found in the general preface that appears at the beginning of this volume. The contents of this volume are divided into nine sections, as follows: 1. Eight messages given in Taipei, Taiwan, and Manila, Philippines, in 1953. These messages were previously published in a book entitled The Bridge and Channel of God and are included in this volume under the same title. 2. A collection of personal notes written in January 1953. These are included in this volume under the title Witness Lee's Personal Notes. 3. Two messages given in Manila, Philippines, on June 12 and 13, 1953. These messages are included in this volume under the title Concerning the Lord's Work and God's Move. 4. Twenty-three messages given in Taipei, Taiwan, in August 1953. These messages were previously published in a book entitled Knowing Life and the Church and are included in this volume under the same title. 5. Nine articles and reports that appeared in various issues of The Ministry of the Word in 1953. They are included in this volume under the title The Ministry of the Word, Miscellaneous Messages, 1953. 6. Four messages given in Taipei, Taiwan, on August 18 and 20, 1953. These messages are included in this volume under the title Fellowship in Preparation for the Service Training in Taipei. 7. A detailed outline written in 1953 showing the subjects that were covered in the training on service in Taipei, Taiwan. This outline is included in this volume under the title Outline of the Service Training in Taipei. 8. Five messages given during an intensified sixteen-week training on service in Taipei, Taiwan, on September 1 through December 18, 1953. These messages are included in this volume under the title The Human Conduct and the Ministry of the Word of the Lord's Serving Ones. Most of the content of the service training and the fellowship that followed the training is published in volume 2 of this set in the section entitled Messages and Fellowship Given during the Service Training in Taipei. 9. A collection of nineteen prayers offered by Brother Lee in meetings held in Taipei, Taiwan, and Hong Kong from 1953 through 1957. They are included in this volume under the title A Collection of Prayers.
