Invitation to the New Testament Ben Witherington III, 2017 Includes bibliographical references and index.

*Christian Origins in Ephesus and Asia Minor* Mark R. Fairchild, 2017 In a region where most artifacts remain in the field, the enormous work of documenting and analyzing the early history of Christianity is open to original research. Often the first scholar to reach isolated communities in remote parts of Turkey who guide his work, Dr. Fairchild has taken over 200,000 photographs capturing the remains of churches and Christian homes in remote locations. This second edition of *Christian Origins in Ephesus and Asia Minor* adds the current research underway on the cities of Priene and Tripolis in western Turkey to Mark Fairchild's work, documenting isolated and previously unstudied sites across eastern Turkey, some that have not been visited in the past 1,400 years. In the first two centuries after Christ, the cradle of the Early Church was in Asia Minor, modern day Turkey, home to Ephesus, Colossae, and all twelve churches addressed in the book of Revelation. The ancient city of Ephesus was the largest city in Asia Minor, where the gospel was first shared in the middle of the first century. Gathering together a wealth of information, original photographs, and detailed maps of the region, *Christian Origins in Ephesus and Asia Minor* describes the progress and perils of the developing Christian community as it struggled to find its way in a hostile world. This volume provides crucial context for the biblical account with historical information gathered from ancient literary sources, archaeological discoveries, and a variety of early Christians, charting the growth and development of the early Christian church as ministry from the community at Ephesus produced Christian congregations throughout Asia Minor.

**The Underwater Basilica of Nicaea** Mark R. Fairchild, 2024-11-05 In 2014, aerial photography revealed a structure that appeared to be in the shape of a basilica submerged beneath Lake Iznik, near the ancient city of Nicaea. Including excavation images and dig site maps, biblical scholar and archaeologist Mark Fairchild's work reveals what he argues is likely the location of the First Council of Nicaea.

**The Invisible Bestseller** Kenneth A. Briggs, 2016 How can a book -- one that's found in courthouses, libraries, and millions of households across the land -- be everywhere and nowhere at the same time? In this book, veteran religion writer Kenneth Briggs asks how, even as the Bible remains the best-selling book of all time, fewer Americans than ever can correctly articulate what it says, much less how it might offer guidance for their lives. In a quest to make sense of the Bible's

relative disappearance from public life, Briggs shares with readers his own two-year cross-country journey to a variety of places. Brigg's narrative incorporates pertinent interviews throughout with preachers, pollsters, scholars, and ordinary citizens from California to Texas to Florida to Massachusetts. As he probes and reflects on his varied findings, Briggs offers keen insight into why and how the Bible's place in American public life has shifted and shrunk -- and he suggests what role the Bible may play in the US in years to come. -- adapted from book flap.

**Lands of the Bible Then and Now** Dave Branon, 2025-08-05 Bring the Bible to life with an adventure through the ancient Mediterranean world! Step foot into the lands of the Bible with a visual tour of every significant location within the book of Acts—from Jerusalem to Rome. As you follow the spread of the gospel by Jesus's earliest disciples, each chapter allows you to: Explore over 80 biblical landmarks Learn what the land looks like now with 60 full-color photos Discover interesting details about the first-century Mediterranean region Find reference verses for each place Enjoy historic and geographic facts about each location as they are today With surprising insights, you'll gain new perspectives as you study these important New Testament places.

From Here to Maturity Thomas E. Bergler, 2014-11-27 Expert guidance on how to grow up in Christ This book is a follow-up to Thomas Bergler's acclaimed work *The Juvenilization of American Christianity*, which documents how church youth ministries over the past several decades have contributed to a process of adolescent spiritual traits becoming accepted and even celebrated by Christians of all ages. This "juvenilization" in the church is a real problem that must be addressed, says Bergler, and in his new book he addresses it head-on. Bergler's *From Here to Maturity* is an accessible guide for helping both individuals and whole faith communities to grow spiritually. Bergler claims that spiritual maturity -- defined as "basic competence in the Christian life" -- is both desirable and attainable, and he effectively presents a biblical theology of spiritual maturity, identifying its traits from pertinent New Testament passages. Adapting Dallas Willard's model of spiritual formation and applying it to congregational life, Bergler offers a wealth of practical, research-based guidance as to how Christian leaders can effectively foster spiritual maturity in their congregations. He also identifies six key faith-sustaining factors and provides a system for evaluating a church's state of spiritual maturity and steps for improving it. Ecumenically friendly, *From Here to Maturity* will be useful to individuals and leaders from many different churches and theological traditions.

*The Jerusalem Files* Corjan Mol, Christopher Morford, 2024-02-13 A non-fiction Da Vinci Code for the 21st century, this thrilling treasure hunt traces the voyage of the legendary Jewish Menorah from the Jerusalem of the Knights Templar through France, Portugal and North America, providing mind-blowing history and mystery for fans of *The Curse of Oak Island*. The Jewish Menorah is one of the world's most sacred artefacts, a man-size lampstand with seven arms, made from a single block of gold, that is an iconic symbol for the Jewish people. King Solomon placed it in the inner sanctum of the Temple of Jerusalem, but by the 5th century AD, all trace of it had disappeared from the official record, and it was assumed

lost. Two historical researchers, Corjan Mol and Christopher Morford, now reveal the astounding secret of what happened to the Menorah. Through their meticulous research as well as a jaw-dropping stroke of luck, Mol and Morford discovered that the Menorah was dug up from the Temple Mount in Jerusalem in the time of the Crusades by the Knights Templar and smuggled to France with the help of the French King Louis IX. From there it was taken to Portugal, to end up in North America after interventions by Thomas Jefferson, Benjamin Franklin and George Washington. The secret was hidden in plain sight in both France and North America, on a scale so big that it took 800 years for it to be discovered.

Theology as Retrieval W. David Buschart, Kent Eilers, 2015-04-15 Buschart and Eilers identify six critical areas—Scripture, theology, worship, spirituality, mission and culture—where contemporary Christians are retrieving aspects of our Christian past for life and thought today. The result is a fascinating tour and wise reflection on how Christians might receive, employ and transmit the treasures of their past.

## Mark Fairchild Huntington University Introduction

In the digital age, access to information has become easier than ever before. The ability to download Mark Fairchild Huntington University has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Mark Fairchild Huntington University has opened up a world of possibilities. Downloading Mark Fairchild Huntington University provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With

the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Mark Fairchild Huntington University has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Mark Fairchild Huntington University. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but

also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Mark Fairchild Huntington University. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Mark Fairchild Huntington University, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Mark Fairchild Huntington University has transformed the way we

access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
