One Touch Lena Hendrix, 2023-06-30 Falling hard for my ex-boyfriend's rugged older brother was never in the plan. Beckett Miller may be my brother's best friend, but he's also the last person on earth I want to ask for help. He's stubborn, demanding, and doesn't care at all what people think of him—everything his little brother wasn't, and definitely everything I should not want. Thanks to my own stubbornness and my three infuriating siblings, he is the only one who can help me renovate my beloved aunt's farmhouse. Beckett thinks I'm a doormat, and I know he's an arrogant prick, but toss in one late-night game of tipsy strip poker, and before long, endless summer days turn into scorching nights. Every stolen touch—every kiss—is wrong in the best ways. I can fix everything around me: my friends' problems, my brothers' love lives, maybe even the decades-old rivalry that divides our cozy coastal town. So Beckett's snarl and heavy sighs are no match for me. The only thing I can't seem to fix is the way my body reacts when he swings a hammer. I built walls to protect my heart after what his brother did to me, but I'm finding it could all come crumbling down with just one touch.

Just My Luck Lena Hendrix, 2025-11-25 Unexpected sparks ignite a slow burn in this grumpy/sunshine workplace romance when a single mom proposes a marriage of convenience to save her boss's brewery. Fans of Lucy Score, Elsie Silver, Carley Fortune, and B.K. Borrison will find their next obsession with this second standalone in bestselling author Lena Hendrix's spicy, emotional, deeply romantic Kings Series set in small town Michigan. You might think it's reckless for a

single mom to enter into a marriage of convenience with her boss. You would be correct. To make matters worse, Abel King is a grumpy local brewer with a criminal past. He also happens to be my boss and a total stick-in-the-mud. Every time I come to work with a smile and wave, I'm lucky if I can get a grunt in response. When I accidentally-on-purpose overhear that he's having trouble securing a business loan due to his criminal record, I hatch a plan to help the both of us. The arrangement is perfect—a business transaction and nothing more. Like having a roommate without the hassle of other people bugging you for dates. I will definitely not be falling in love with him—no matter how many times he says “my wife” and tingles dance in all the right places. Trouble is, as time goes on, things stop feeling like business and start feeling a whole lot like pleasure . . . and really, that's just my luck . . .

Just Say Yes Lena Hendrix, 2025-11-25 Getting tangled up with an Olympic rugby player seems like the perfect way to forget about how my life is falling apart. Until I discover he's my ex-boyfriend's best friend. Logan Brown walked into my small town with a charming grin and mischief in his eyes. He's a world-class flirt and his confident masculinity is almost as distracting as those rugby thighs. Given my inexperienced history, I'm no match for our undeniable chemistry. I vow to keep him at arm's length. But with Logan, every lingering stare—every forbidden touch—awakens something inside of me I thought I had buried for good. We both know we shouldn't cross that line, but I have spent my entire life being a good girl, and suddenly I'm tempted to be very, very bad. Especially when Logan tells me to just say yes.

Just Like That Lena Hendrix, 2025-11-25 In bestselling author Lena Hendrix's fourth Kings novel, JP King finds his position as head of the King family's powerful empire compromised by some unexpected news—and the irresistible woman who delivered it . . . He's my sister's ex, a stubborn jerk, and completely off-limits. Getting a man to give up custody of a son he didn't know existed should have been easy. Trouble is, nothing with JP King is ever easy. Suave, grumpy billionaires aren't supposed to have strong hands or filthy mouths, and I never expected our snippy banter to be so much fun. JP regards me as something he scraped off the bottom of his dress shoe, but when this reluctant single dad looks at my nephew, there's a softness there he struggles to keep hidden. He may be gruff and uptight, but something simmers beneath his controlled, polished exterior. Sure, I'm wild and reckless, but when we're forced together as guardians, everything changes. His cold and calculated exterior melts into hushed conversations and lingering stares. The more we fight, the harder we fall. I'm scatterbrained, unconventional, and everything he's been missing. The closer we get, the less we understand why we were ever at odds. . . . until just like that our lives are turned upside down.

Just This Once Lena Hendrix, 2025-11-25 In a rugged small town on the coast of Michigan where heartbreak lingers but love always finds a way, sparks fly between a fireman and the daughter of the fire chief after an unforgettable one night stand. Fans of Lucy Score's Knockmeout Series, Elsie Silver, Carley Fortune, and B.K. Borrison will swoon over book 1 in Lena Hendrix's bestselling Kings Series! Cocky, pierced firefighters are perfect for late-night rom-coms, but in real life

they're nothing but trouble. Especially when you find out they work for your dad—after you've already slept with them. Moving to my parents' small town was supposed to be the fresh start I was looking for. When a disastrous Valentine's Day leads to an unexpected encounter with a sexy stranger, it ended with the hottest night of my life. I didn't think I would ever see Whip again. Imagine my surprise when one of my sixth-grade students has a medical emergency and it's Whip who shows up, looking hot as hell, to save the day. I should be embarrassed at how we left things, but instead I'm furious he doesn't seem to remember me. So I scrape my pride off the floor, lift my chin, and pretend there's nothing between us. But that can last only so long. Stolen glances melt into forbidden touches, and once we give in to temptation, we can't keep our hands off each other. Nothing has ever felt so right, but my guarded heart won't let me believe in happily ever after with a man like him. Opening up to Whip may be the hardest thing I've ever done, and every time we agree to one last time, we both know it's a lie. How many times can we keep telling ourselves just this once before we realize that, when it comes to love, once is never enough?

American Ghost Janis Owens, 2012 A compelling, deeply rewarding novel from a unique southern storyteller, *American Ghost* is Janis Owens' richly woven story about how unresolved family history and the racial tensions of the past threaten a love affair between two young Floridians--

One Chance Lena Hendrix, 2023-10-20 Fake dating my best friend? Total disaster. With his cocky grin and devilish charm, firefighter Lee Sullivan makes every woman in our small town swoon. Every woman except for me. Which is why I'm shocked when he steps in at the town's Matchmaker's Gala and outbids my crush during the charity auction, committing us to six prearranged dates. Six dates where we, very publicly, pretend to be falling in love. Despite my objections and our efforts to set each other up with other people, Lee is convinced pretending to date each other is the perfect opportunity to get the women in town off his back (and out of his bed), while also helping to nudge my non-committal crush in the jealousy department. Stupidly, I agree. After the disastrous blind dates he set me up on, what's a few months of letting Lee worship the ground I walk on? He owes me. Trouble is--every fake kiss, every lingering touch, every filthy word he whispers when no one is around--is starting to feel very, very real. We know everything about each other--from my orphaned past to his irrational hatred of dolls. The only secret I have ever kept from Lee spans all the way back to his time in the Army and it's the one thing that could ruin our friendship forever. Because where Lee is concerned, I have learned to guard my heart. Suddenly, he's asking for the opportunity to feel something real. He's asking for the one thing he wouldn't want if he ever

knew the truth: one chance.
