**A Loxley**

Walker's Hibernian Magazine, Or, Compendium of Entertaining Knowledge ,1808

**The Neyer/James Guide to Pitchers** Bill James,Rob Neyer,2008-06-16 Preeminent baseball analyst Bill James and ESPN.com baseball columnist Rob Neyer compile information on pitches and their origins, nearly two thousand pitchers, and more in this comprehensive guide. Pitchers, the pitches they throw, and how they throw them—they're the stuff of constant scrutiny, but there's never been anything like a comprehensive source for such information...until now. Bill James and Rob Neyer spent over a decade compiling the centerpiece of this book, the Pitcher Census, which lists specific information for nearly two thousand pitchers, ranging throughout the history of professional baseball. Their guide also includes a dictionary describing virtually every known pitch, biographies of great pitchers who have been overlooked, and top ten lists for fastballs, spitballs, and everything in between. James and Neyer also weigh in on the debate over pitcher abuse and durability, offer a formula for predicting the Cy Young Award winner, and reveal James's Pitcher Codes. Learn about the origins and development of baseball's most important pitches and more knuckleballers and submariners than you ever thought existed! Baseball's action always starts with the pitchers. Begin to understand them and join in on entertaining debates while having a great deal of fun with the history of the game that captivates so many with this one-of-a-kind guide.

*World Series '48* John G. Robertson, Carl T. Madden, 2022-12-12 The 1948 World Series gave fans an unusual showdown--neither of the contestants had seen the Fall Classic for a generation. The Cleveland Indians had last won the American League pennant in 1920. The Boston Braves had not been atop the National League since 1914. Both teams featured excellent pitching. Boston's aces were Warren Spahn and Johnny Sain. Cleveland had stalwarts of the mound Bob Feller and Bob Lemon, and surprise knuckleball phenom Gene Bearden. Despite being prohibitive favorites, Cleveland battled through six hard-fought games for the championship. This book recounts every at-bat of the 1948 Series, along with key moments of the regular season, including the antics of colorful Indians' owner Bill Veeck and a near fatality on the diamond.
