

# Quarantine Series By Lex Thomas

## L Towne

The Loners Lex Thomas, 2024-11-01 It was just another ordinary day at McKinley High—until a massive explosion devastated the school. When loner David Thorpe tried to help his English teacher to safety, the teacher convulsed and died right in front of him. And that was just the beginning. A year later, McKinley has descended into chaos. All the students are infected with a virus that makes them deadly to adults. The school is under military quarantine. The teachers are gone. Violent gangs have formed based on high school social cliques. Without a gang, you're as good as dead. And David has no gang. It's just him and his little brother, Will, against the whole school. In this frighteningly dark and captivating novel, Lex Thomas locks readers inside a school where kids don't fight to be popular, they fight to stay alive.

**The Burnouts** Lex Thomas, 2014-08-01 Readers of *The Maze Runner* and *Divergent* will devour this dark survival series that's *Lord of the Flies* in a 21st-century high school setting. In the third Quarantine book, David and Will are alive...but on the outside of McKinley High. Lucy is the last of the trinity left inside, where Hilary will exact a deadly revenge before taking over McKinley and bringing one final reign of terror to the school before the doors open for good. But the outside world is just as dangerous for carriers of the virus.

**The Saints** Lex Thomas, 2014-07-08 A cross between the *Gone* series and *Lord of the Flies*, *Quarantine #2: The Saints* continues this frenetically paced and scary young adult series that illustrates just how deadly high school can be. Nothing was worse than being locked in—until they opened the door... McKinley High has been a battleground for eighteen months since a virus outbreak led to a military quarantine of the school. When the doors finally open, Will and Lucy think their nightmare is finished. But they are gravely mistaken. As a new group of teens enters the school and gains popularity, Will and Lucy join new gangs. An epic party on the quad full of real food and drinks, where kids hook up and actually interact with members of other gangs seemed to signal a new, easier existence. Soon after, though, the world inside McKinley takes a startling turn for the worse, and Will and Lucy will have to fight harder than ever to survive. *The Saints* brings readers back to the dark and deadly halls of McKinley High and the Quarantine series.

**Quarantine PB Boxed Set** Lex Thomas, 2015-09-29 *Lord of the Flies* in a 21st century high school setting with a deadly ebola-like virus outbreak. The Quarantine Box set contains three high octane paperbacks in one nicely-priced package and includes a locker sized poster. Perfect for fans of Kami Garcia, James Dashner, and Veronica Roth.

**The Giant** Lex Thomas,2018-08-01 In the violent early days of the quarantine, Gonzalo joins a gang of thieves who live in the ductwork of McKinley High School. There he falls in love with Sasha, but as he grows too big to fit, he is forced to leave without her. A year later, he scours the infected zone for her. No matter how many murderers, puncture wounds, or militia he has to survive, Gonzalo can't give up on Sasha. In the fourth installment of the Quarantine series, Lex Thomas delivers two intertwined stories about love and longing, which merge in a conclusion where the fate of the entire infected zone hangs in the balance.

Hostile Territory Paul Greci,2025-06-25 In Paul Greci's *Hostile Territory*, a catastrophic earthquake strands four teens in the Alaskan wilderness—and leaves them without a civilization to return to. Josh and three other campers at Simon Lake are high up on a mountain when an earthquake hits. The rest of the camp is wiped out in a moment—leaving Josh, Derrick, Brooke, and Shannon alone, hundreds of miles from the nearest town, with meager supplies, surrounded by dangerous Alaskan wildlife. After a few days, it's clear no rescue is coming, and distant military activity in the skies suggests this natural disaster has triggered a political one. Josh and his fellow campers face a struggle for survival in their hike back home—to an America they might not recognize. An Imprint Book In Greci's intense survival tale with a thriller component, four teens endure a harrowing trek across the Alaskan wilderness . . . It's clear that Greci ( *The Wild Lands*) knows his landscape—Alaska's beauty and natural hazards become their own vivid character in his handling. — Publishers Weekly Readers will feel like they are in Alaska alongside the characters... Recommended for teenagers who like postapocalyptic adventure or are fans of Gary Paulsen's *Hatchet* . — School Library Journal

**The Loners** Lex Thomas,2015 It was just another ordinary day at McKinley High-until a massive explosion devastated the school. When loner David Thorpe tried to help his English teacher to safety, the teacher convulsed and died right in front of him. And that was just the beginning. A year later, McKinley has descended into chaos. All the students are infected with a virus that makes them deadly to adults. The school is under military quarantine. The teachers are gone. Violent gangs have formed based on high school social cliques. Without a gang, you're as good as dead. And David has no gang. It's just him and his little brother, Will, against the whole school. In this frighteningly dark and captivating novel, Lex Thomas locks readers inside a school where kids don't fight to be popular, they fight to stay alive.

*The Giant* Lex Thomas,2016-01-01 In this fourth book in the Quarantine series, Gonzalo, now released from the high school quarantine, travels across a ravaged America looking for his beloved girlfriend Sasha.
