Two Suns of the Southwest Nancy Beck Young, 2022-11-15 Over time the presidential election of 1964 has come to be seen as a generational shift, a defining moment in which Americans deliberated between two distinctly different visions for the future. In its juxtaposition of these divergent visions, *Two Suns of the Southwest* is the first full account of this critical election and its legacy for US politics. The 1964 election, in Nancy Beck Young's telling, was a contest between two men of the Southwest, each with a very different idea of what the Southwest was and what America should be. Barry Goldwater, the Republican senator from Arizona, came to represent a nostalgic, idealized past, a preservation of traditional order, while Lyndon B. Johnson, the Democratic incumbent from Texas, looked boldly and hopefully toward an expansive, liberal future of increased opportunity. Thus, as we see in *Two Suns of the Southwest*, the election was also a showdown between liberalism and conservatism, an election whose outcome would echo throughout the rest of the century. Young explores how demographics, namely the rise of the Sunbelt, factored into the framing and reception of these competing ideas. Her work situates Johnson's Sunbelt liberalism as universalist, designed to create space for all Americans; Goldwater's Sunbelt conservatism was far more restrictive, at least with regard to what the federal government should do. In this respect the election became a debate about individual rights versus legislated equality as priorities of the federal government. Young explores all the cultural and political elements and events that figured in this narrative, allowing Johnson to unite disaffected Republicans with independents and Democrats in a winning coalition. On a final note Young connects the 1964 election to the current state of our democracy, explaining the irony whereby the winning candidate's vision has grown stale while the losing candidate's has become much more central to American politics.

The Rise of a Prairie Statesman Thomas J. Knock, 2016-03-01 The first major biography of the 1972 U.S. presidential candidate and unsung champion of American liberalism *The Rise of a Prairie Statesman* is the first volume of a major biography of the 1972 Democratic presidential candidate who became America's most eloquent and prescient critic of the Vietnam War. In this masterful book, Thomas Knock traces George McGovern's life from his rustic boyhood in a South Dakota prairie town during the Depression to his rise to the pinnacle of politics at the 1968 Democratic National Convention in Chicago where police and antiwar demonstrators clashed in the city's streets. Drawing extensively on McGovern's private papers and scores of in-depth interviews, Knock shows how McGovern's importance to the Democratic Party and American

liberalism extended far beyond his 1972 presidential campaign, and how the story of postwar American politics is about more than just the rise of the New Right. He vividly describes McGovern's harrowing missions over Nazi Germany as a B-24 bomber pilot, and reveals how McGovern's combat experiences motivated him to earn a PhD in history and stoked his ambition to run for Congress. When President Kennedy appointed him director of Food for Peace in 1961, McGovern engineered a vast expansion of the program's school lunch initiative that soon was feeding tens of millions of hungry children around the world. As a senator, he delivered his courageous and unrelenting critique of Lyndon Johnson's escalation in Vietnam—a conflict that brought their party to disaster and caused a new generation of Democrats to turn to McGovern for leadership. A stunning achievement, *The Rise of a Prairie Statesman* ends in 1968, in the wake of the assassinations of Martin Luther King and Robert Kennedy, when the Draft McGovern movement thrust him into the national spotlight and the contest for the presidential nomination, culminating in his triumphal reelection to the Senate and his emergence as one of the most likely prospects for the Democratic nomination in 1972..
