(2) How do the novels portray their female characters? and (3) Why do even those novels whose titles promise female protagonists ultimately focus on other topics and characters?

Adulthood in Children's Literature Vanessa Joosen,2018-09-06 While most scholars who study children's books are pre-occupied with the child characters and adult mediators, Vanessa Joosen re-positions the lens to focus on the under-explored construction of adulthood in children's literature. *Adulthood in Children's Literature* demonstrates how books for young readers evoke adulthood as a stage in life, enacted by adult characters, and in relationship with the construction of childhood. Employing age studies as a framework for analysis, this book covers a range of English and Dutch children's books published from 1970 to the present. Calling upon critical voices like Elisabeth Young-Bruehl, Margaret Morganroth Gullette, Peter Hollindale, Maria Nikolajeva and Lorraine Green, and the works of such authors as Babette Cole, Philip Pullman, Ted van Lieshout, Jacqueline Wilson, Salman Rushdie and Guus Kuijer, Joosen offers a fresh perspective on children's literature by focusing not on the child but the adult.

Sacred Dreams & Life Limiting Illness Rev. Terrence P. McGillicuddy,2013-01-21 Sacred Dreams & Life Limiting Illness is about friendship. It is about soul-friendship and the writers two decade experience as an Anam Cara (soul friend), Chaplain and Pastoral Counselor to persons with life-limiting illnesses. Many people living with a life-limiting illness report dream intensification and acceleration as their medical condition progresses. This book examines the psychological and spiritual significance of end-of-life dreams and how these dreams can be transformative to those searching for meaning and psychospiritual-healing in the midst of a terminal illness. The book also investigates the therapeutic value of dream therapy as a method that helps persons more effectively interface and process the existential and psychospiritual distress that

accompanies life-limiting illness. Finally, this work explores through case studies how dreams can connect patients and clients to an authentic experience of the Divine and the Holy.

Twice-Told Children's Tales Betty Greenway, 2013-09-13 It is only in childhood that books have any deep influence on our lives--Graham Greene The luminous books of our childhood will remain the luminous books of our lives.--Joyce Carol Oates Writers, as they often attest, are deeply influenced by their childhood reading. Salman Rushdie, for example, has said that The Wizard of Oz made a writer of me. Twice-Told Tales is a collection of essays on the way the works of adult writers have been influenced by their childhood reading. This fascinating volume includes theoretical essays on Salman Rushdie and the Oz books, Beauty and the Beast retold as Jane Eyre, the childhood reading of Jorge Luis Borges, and the remnants of nursery rhymes in Sylvia Plath's poetry. It is supplemented with a number of brief commentaries on children's books by major creative writers, including Maxine Hong Kingston and Maxine Kumin.

Perversions, Originals, and Redemptions in Paradise Lost Thomas Ramey Watson, 2007-06-20 In his epic Paradise Lost, John Milton employs, extends, and deepens the typological scheme that he believed to be embodied in, and known by, a close comparison of the scriptures of the Old and New Testaments. Using biblical typology as a point of departure, whereby the Hebraic scriptures are interpreted as prefigurations of the Christian New Testament, Milton developed a sign theory, or semiotics, of his own. Like Saint Augustine, the first great and foremost framer of sign theory and Christian typology in the West, Milton believed that knowledge of typology and sign theory was crucial to understanding God's existence, power, and purpose in creation. Milton's achievement was to dramatize this sign theory in his poetry, especially Paradise Lost. Professor Thomas Ramey Watson's analysis of Milton's sign theory begins with the context and framework of Augustinian sign theory and Milton's adaptation thereof. Professor Watson then explores the essential conflicts between St. Augustine's City of God and City of Man to contrast the godhead in Paradise Lost with the satanic underworld. Emphasizing Adam's dream-vision in Books 11 and 12, and the instruction he receives from the Archangel Michael in reading signs correctly, Professor Watson explores indepth the trajectory of Adam and Eve's downfall and subsequent resignation and regeneration.

Annie Dillard Linda L. Smith,1991 Annie Dillard's reputation as one of America's outstanding essayists was established with *Pilgrim at Tinker Creek*, which won the Pulitzer Prize in 1975 and was hailed as a masterpiece in the tradition of Thoreau's *Walden*. Dillard's writing is directly descended from the transcendentalists, but her essays address contemporary issues ranging from theology, philosophy, aesthetics, and history to community, memory, imagination, and spirituality. She has published six prose books since *Pilgrim at Tinker Creek*, among them *Teaching a Stone to Talk*, *Living by Fiction*, and *The Writing Life*. In *Annie Dillard* Linda L. Smith provides an essential framework for the study of Dillard's life and writings. Smith lucidly traces the major themes in Dillard's work, notably her attempt to reconcile life's beauty with its horror, her concern with every aspect of consciousness, and her meditation on how life should be lived in the face of suffering and death. Inherent in all Dillard's work, Smith argues, is a return to spiritual concerns and a preoccupation with the nature of human consciousness, both beautifully expressed in an inimitable style. In emphasizing Dillard's vision of the natural and spiritual worlds, Smith provides a new appreciation of Dillard's lasting achievements, as well as an inspiring introduction to one of America's most talented and invigorating stylists.--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc.
