

Quotes On Ignoring Me

Herbert Victor Prochnow

Marry Christmas Linda Phillips,2021-11-16 Growing up with an undiagnosed learning disability and a name that screams intelligence, Britanica Jaymes suffers ridicule as a child. Pudgy, frazzled hair and a face plastered with freckles added to the ridicule. The support of family, friends and God provided all the love she needed. But there was one serious problem: candy canes are her form of kryptonite. Desperate, she made a secret Christmas wish. Most everything is coming true, except for true love. Signs of reverting back to the learning disability and still seeking true love, the magic of Christmas lingers in the air, and a dose of Shakespeare, Rambo and snowflakes help to create a perfect Christmas recipe of hope. Skip the final ingredient: peppermint At least for now, until the cure is found.

Cincinnati Magazine ,2006-02 Cincinnati Magazine taps into the DNA of the city, exploring shopping, dining, living, and culture and giving readers a ringside seat on the issues shaping the region.

Never Try to Teach a Pig to Sing Alan Dundes,Carl R. Pagter,1991 *Never Try to Teach a Pig to Sing* documents the thriving folklore tradition that circulates in the workplace. *Never Try to Teach a Pig to Sing* documents the thriving folklore tradition that circulates in the workplace. Alan Dundes and Carl Pagter have collected more than two hundred and fifty signs of the times--the office memoranda, parodies, cartoons, and poems that daily make their way through copy machines, interoffice mail systems, and fax machines and are affixed to bulletin boards and water coolers. The rich vein of urban folklore tapped by this imaginative volume constitutes a great testament to one of the world's most prolific authors--anonymous. The popularity of the items featured in this timely book is apparent by their reproduction in mass or popular cultural form--as greeting cards, plaques, and bumper stickers--reminding us of the inevitable interplay between folklore and mass culture. Dundes and Pagter clearly demonstrate the existence of folklore in the modern urban technological world and refute the notion that folklore reflects only the past.

Do Down Horace Helmick,2017-05-21 Here we have a quirky city guy who sleeps in trees, not always the same tree. He moves around, from place to place. What is he doing? Thinking. Call it philosophic introspection. All the time he is thinking, ruminating, examining his self, his thoughts, and his world. Friends find him, talk to him, know him and much of his history; yet he recognizes no one. Or at the least, tries very hard not to acknowledge his history with them. He avoids remembering having a name-which is Jolty Jone to everyone else-because by avoiding his name, he can avoid remembering the life that

goes along with that name. Jolty wants privacy and solitude and time to think, to create, to understand, and to laugh at the absurdities of life.

Simple Glory John Clendening, 2018-10-10 "They're called the WHAT?!!" Young California journalist Marshall McDougal can't believe what he sees on the water tower that welcomes him to his new home of small-town Frisco, Texas. Within hours of taking up his first newspaper job, he finds himself smack in the middle of a battle royal for the soul of the town, all centered on the racially-charged nickname of the high school sports teams. SIMPLE GLORY follows Marshall as he navigates through a dizzying array of opinions, facts, stories, histories, legends and traditions, which leads him to find out just how hard some people are working to keep Frisco from changing . . . even as others hold out hope that the new century will mean a new Frisco. (And seriously, what ABOUT that name?) Can this fish-out-of-water find his way? Will Frisco find its way? Can a small town maintain its soul even as it grows and expands with the times? Find the answers—and perhaps create some of your own—with this dramatic yet heartwarming story about a changing America at the dawn of the 21st century.

Episodes Blaze Ginsberg, 2009-09-01 EPISODES is a memoir like no other. Debut writer, Blaze Ginsberg, offers a unique perspective on his life as a highly-functioning autistic 21 year old. Inspired by the format of the Internet Movie Database, Blaze organizes his life events as a collection of episodes. Some episodes are still running, some are in syndication, and some have sadly come to an end. With an innovative style and approach that is all its own, EPISODES reinvents the traditional memoir; and it will inspire young readers to see the world as they've never seen it before.
