## Rebecca Fittery

**Beauty** Robin McKinley, 1993-05 Kind Beauty grows to love the Beast, at whose castle she is compelled to stay, and through her love releases him from the spell which had turned him from a handsome prince into an ugly beast

*Beauty* Robin McKinley, 1993-06-30 A strange imprisonment Beauty has never liked her nickname. She is thin and awkward; it is her two sisters who are the beautiful ones. But what she lacks in looks, she can perhaps make up for in courage. When her father comes home with the tale of an enchanted castle in the forest and the terrible promise he had to make to the Beast who lives there, Beauty knows she must go to the castle, a prisoner of her own free will. Her father protests that he will not let her go, but she answers, Cannot a Beast be tamed? Robin McKinley's beloved telling illuminates the unusual love story of a most unlikely couple: Beauty and the Beast.

**Beauty** Robin McKinley, 1978-01

Belle Cameron Dokey, 2017-02-07 Belle, who lacks her sisters' beauty, spends her time alone with her wood carving, until she must carve the fabled Heartwood Tree to save her father from the Beast.

Beauty Robin McKinley, Charlotte Parry, 2013-05-24

**Beast** Jane Wynters, 2020-02-14 Falling out of a window didn't hurt as much as falling for her. Tove Savage. When the most beautiful girl in the world treats you like her dirty little secret, you're reminded that beasts are meant to live in the dark. Tove used me to get back at her boyfriend, breaking something inside that left a scar far deeper and uglier than the one marring my face. Three years later Tove arrives at my hospital broken and without her memories. So, what am I meant to do? Try to forget how much I love her or exact my revenge? BEAST is a twisted Beauty and the Beast retelling. Beauty is more than skin deep.

**The Beast** Jo Schneider, 2019-02-13 Every curse can be cured If you find the condition Prince Adem isn't attending the Academy to make friends, meet girls or flex his political muscles. He's going to cure his people. If he can't find the condition to their curse, he and everyone he knows will turn into vicious beasts. The first person Adem meets at the Academy is Belle, a beautiful and intelligent second-year student that happens to know all about curses. Belle agrees to help him in his search, which gives Adem an excuse to spend time with her. When Adem is confronted by a First Fey, the creatures that cursed his kingdom, his transformation speeds up, and suddenly time is short. Can he and Belle find the condition before he turns into a

beast, or will he lose everything? If you're a fan of Beauty and the Beast, twisted fairy tales and unexpected heroes, this book is for you. Download your copy today! \*Note: This is a 100 page novella\*

Before Beauty Brittany Fichter, 2023-08-10 Before Beauty is a clean fairy tale retelling of Beauty and the Beast, targeted at young adult audiences. While it's the first book in the Becoming Beauty Trilogy and the Classical Kingdoms Collection fairy tale world, Before Beauty can be read as a stand-alone novel. This book is a full-length novel and includes clean romance, magical mystery, and heroic happily-ever-afters.

**Beauty** Robin McKinley, 1993-01 Kind Beauty grows to love the Beast at whose castle she is compelled to stay and through her love releases him from the spell which had turned him from a handsome prince into an ugly beast.

Before Beauty Brittany Fichter, 2015-03-10 Can the accursed prince and broken beauty move beyond their hatred for one another, not only to break the curse and save their kingdom...but to find love as well? Prince Everard's father forged him into a warrior. Upon the king's death, however, Everard loses himself in his pain and brings a dark curse upon himself and the great Fortress that has long guarded the people of Destin. The prince's sin doesn't solely affect those of his citadel, however. Isabelle, the daughter of a local merchant, has suffered the prince's hasty temper before, and it changed her life forever. So when Everard's curse cuts off his people's source of protection, and he demands that she, a crippled commoner, help him break it, her shock and horror are rivaled only by her indignation and even stronger desire to protect her family. All the while, Destin's enemy crouches at the foot of the Fortress's mountain, waiting for the right moment to capture the stronghold that has stood for a thousand years. Can Everard and Isabelle move past their brokenness to save Destin together? Or will they and their beloved kingdom remain under darkness forever? If you want the magic of Narnia and the romance of fairy tales, read this clean fantasy retelling of Beauty and the Beast today to escape into the Becoming Beauty Trilogy, as well as the Classical Kingdoms Collection, a series of fairy tale retellings with magical mystery, clean, passionate romance, and heroic happily-ever-afters. Author's Note: Before Beauty is an introduction to both series, but it can be read as a stand-alone as well.

**Dark Tales: Beauty and the Beast** Jeanne-Marie Leprince, 2018-03-06 Beauty is in the eye of the beholder. This modern retelling of the classic fairy tale of Beauty and the Beast is told here in a graphic novel format. More than 100 pages of illustrated action, adventure, and love teach a lesson to look beyond the surface and learn to love what's underneath. A merchant takes shelter in a castle during a thunderstorm, and ends up striking a bargain with its beastly master. His youngest daughter, Beauty, returns to the castle to live in exchange for a restoration of the family's previous wealth. Beauty befriends Beast, but longs to see her family again. He allows her to visit her former home, but when she doesn't return at the designated time, consequences ensue.

Belle & Beast Rebecca Fittery, 2020-11-20 A war hero. A prince with a secret. A distressed damsel intent on beating the

odds. They're not the fairytale characters you're used to. After proving himself a hero during the war, Eddie Marchand returns home to marry his childhood sweetheart, Lady Belle. Lady Belle chafes at the life she's led in a quiet backwater, patiently waiting to restore her family's fortune. When a beastly Prince disrupts their lives attempting to protect his secret, Belle makes a choice that plunges her into a world of magic and mystery. Will Eddie save his childhood sweetheart from a life of horror? Will the Prince resist the fate foretold to him? Can Belle crack the secrets of her new home and save them all? The threat of war is building again. This time the entire continent may be at stake unless long buried secrets can be uncovered.

Loved by the Beast T. Elliott, 2019-12-06 Audric and Léa have both grown up under the shadow of how others perceive them. One is seen as a Beast, the other a Beauty. Both long for something more--to be seen, to be known, to be loved for more than what is on the outside. When Léa is faced with the prospect of an arranged marriage or see her father imprisoned, it is a sacrifice she is willing to make. However, when she finds that the rumored beast is nothing more than a gentle and kind man, she is faced with another decision. Can her heart respond to his love even when she has had no power of decision in her life's story? Audric gave up on finding love long ago, so when his mother tells him she has made a match for him, he cannot help but be skeptical of her plans. The rumors he's heard about himself since childhood have even him convinced he's a beast and not worthy of the love of a woman. Should hope be rekindled or squashed entirely? Set in early 18th century France and based on the classic versions of the timeless fairy tale, with a hint of the beloved childhood favorite, this retelling explores the depths of what true love looks like and the lengths one is willing to go in its defense.

*A Tale of Beauty and Beast* Melanie Cellier, 2019-03 Princess Sophia has helped her twin sister Lily save the duchy of Marin. But now Sophie faces a greater threat when she sets out to free Palinar from its beastly prince. In this reimagining of Beauty and the Beast, Beauty will have to use all of her strength and intelligence if she is to outwit her enemies, break a curse and find true love.

Unsightly Amber Garza, 2017-01-26 Layla has grown up hearing the rumors of the beastly boy who lives in the forest on the edge of town, but she knows there is no such person. It's nothing more than an urban legend. On the night of her high school graduation she drives through the forest to get home from a party when her tire hits water on the road, sending her car spinning into the trees. She slams her head and is out cold. Fortunately, a mysterious stranger shows up to help her. Hours later she wakes up in an old abandoned house, her savior shrouded in darkness. Over the next couple of days, he nurses her back to health, but she never sees his face. He wears a mask and refuses to take it off. In the final minutes before her departure, curiosity gets the better of her and she yanks his mask off. Immediately, she is horrified. His face is deformed and unsightly. Angry, he tells her that she's made a terrible mistake, and now she can't leave. While held prisoner, her captor waffles between cold and kind. It's in those kind moments that Layla feels drawn to him in a way she's never been to anyone before. As days morph into weeks, the coldness melts away and the two grow closer. She realizes that the stories the town

has heard about the beastly boy are false. He's not the monster they've made him out to be. But Layla knows better than anyone that their love will never survive in the outside world. Therefore, she has a choice to make. One that she fears will end badly either way. This modern-day retelling of Beauty and the Beast reminds us that love is powerful, and it truly can conquer all.

**The Rose and the Mask: a Beauty and the Beast Retelling** Victoria Leybourne, 2017-02-25 A thieving beauty. A glass rose. A monstrous curse. Among the glittering masks of Venice, is anything quite what it seems? Faustina is a beauty and a thief, not necessarily in that order. She doesn't believe in magic, just luck, and hers has run out. The last thing she needs is to get roped into a ridiculous revenge plot by her brother-especially when that brother is Giacomo Casanova, Venice's most notorious libertine. Benedetto Bellini has never been particularly lucky. The fact that he's under a beastly curse proves that. Now he's got a second problem, one that's washed up on his island in its undergarments and attempted to steal his silverware. He finds Faustina intriguing and infuriating in equal measure. And, thanks to the curse, he's stuck with her. Faustina doesn't know what to make of the sweet, shy and deeply irritating man holding her captive. Does he have something sinister in mind, or is he just trying to keep her safe? And why won't he take off his mask?

Hunting the Beast Anna Santos, 2019-06-17 Belle has only one goal in life--kill the beast that killed her father. To achieve that goal, she agrees to consider marrying the town's best hunter if he trains her into becoming the first huntress of her kingdom. On her first mission, things go terribly wrong, and Belle is captured. Alpha Drake and his pack have been hiding in the Black Forest to protect a powerful magical object. They are shapeshifters and guardians, yet the humans of the neighboring kingdom believe they are nothing more than beasts. One night, in the woods, he saves a young woman who was being attacked by his archenemy, the Black Wolf. Belle survives, but she's turned into a werewolf, and the insufferable beast who saved her doesn't let her leave his domain. She's trapped and has no way to let her mother know that she's alive. The more time she spends with the pack, the more she questions everything she believed to be true. That doesn't stop her from trying to escape and return to her village. Alpha Drake has other plans for the new addition to his pack.

Beastly Secrets Laura Burton, Jessie Cal, 2021-07-16 Belle finds true love but dark secrets threaten her chance at a happy ending. Belle descends to a dungeon looking for a chemist she's heard is being kept prisoner. A chemist who knows how to make the cure she's been eagerly looking for. But that's not all she finds... Not only is the chemist wiped of his memories, but he's also the rightful king of the White Rose kingdom--the king who was presumed dead by his brother five years ago. Nathaniel, however, is nothing like his wicked brother. He is intelligent, kind, sweet, and everything Belle has ever dreamed of in a man. Except, she cannot fall in love with him. Belle knows that as soon as his memories return, Nathaniel will need to leave to fight for his kingdom. But she needs the cure, and the only way to get it is to help him get his memories back. It won't be easy. Not with such powerful foes after him, and a beast roaming around the forest devouring the villages. It's her

only choice if she wants to be set free once and for all... *Beastly Secrets* is the thrilling third installment of the Fairytale Reimagined series. This heart-pounding wolf shifter romance is full of adventure, sizzling kisses, and suspense. Scroll up and one-click now! Note: This interconnected series is best enjoyed when read in order.

**Classic Fairy Tales and Modern Retellings** Pauline Dewan, 2025-09-04 Drawing on the popularity of fairy-tale literature and its retellings, this guide provides insightful annotations to all the major picture books and novels for children and teens. Although popular fairy tales such as Cinderella are familiar, the broader genre of fairy-tale literature is less well known. This genre includes traditional fairy tales (often compiled in book collections), picture-book retellings of single fairy tales, fractured fairy tales, and fairy-tale-inspired novels for both children and teens. Designed to help librarians, teachers, and reading partners feel more confident in selecting and suggesting fairy-tale books for children and teens, this comprehensive guide offers themes, read-alikes, reading levels, awards, and curricular tie-ins for each book. Readers will learn about the distinguishing characteristics of fairy tales, key authors (contemporary and historical), major trends, and significant changes in the genre. They will also discover the therapeutic power of fairy tales, their empowering impact on children and teens, and the reasons that fairy tales continue to attract young readers. Insightful and engaging annotations of each book will increase their knowledge of the riches of the genre.

**Beauty and Beast** Emily Poirier, 2021-04-05 Who could love a beast? Plucked from her high society life, Beauty finds herself well-suited for the solitude of her new, humble home. However, when her father steals from an enchanted castle in her name, Beauty is left with a choice: marry her self-absorbed suitor while her father wastes away in a dungeon, or take his place as the prisoner of a beast. She chooses Beast, hopeful that his keen, human eyes mean that he can be manipulated like any other man. She doesn't realize that he means to keep her as a guest rather than a prisoner, and as her manners slip away the castle starts to feel like home. But Beast's curse is closing in, and everyone has an angle. Can Beauty find a way to keep her newfound happiness and freedom, or will time run out and destroy everything she loves? *Beauty and Beast* is a cheeky standalone retelling of the classic fairytale.
