Rise of the Weakest Summoner J R Sailer, 2021-09-29 One fateful day, a caravan was passing by the village of Teira, which had been raided and set ablaze by bandits. Within the burning rubble, a young woman found a baby, the sole survivor of the attack, and decided to take it with her and raise it as her own. As she was leaving with the little child in her hands, two falling stars lit up the night sky, and she named the boy Asterios. Years passed and the boy grew up in a caring and warm home, developing a passion for all magical beasts, choosing the path of a Summoner as his way of life. While his love and knowledge also grew boundless, his practical abilities clearly pointed out his complete lack of compatibility with that school of magic, but he never wavered in his resolution. Follow Asterios as his life of perpetual failure suddenly takes an unexpected turn, after just seconds short of his death, a powerful summon answers his call and saves his life. Wait... doesn't it look like... A GIRL?! Are those beast ears and tail?! This story includes: Mystery of the past looming in the background. Sudden strength gain with progressive development. Mild romance with a shy but strong heroine. Caring and devoted protagonist, albeit serious and decisive when confronted. Slowly growing harem. Chill and quite relaxed adventure story with a pinch of unabridged intimate situations.

Rise of the Weakest Summoner J R Sailer, 2021-12-14 After rescuing the party of young adventurers inside a dungeon and spending some time together, Asterios and Miria head out to hold a summoning ritual that could possibly allow them to find a fitting member for their small party. But, nothing is as simple as it usually seems. During their journeys, the duo of adventurers, or perhaps trio if the summoning succeeds, will have to work together through a few small obstacles on their path, some directly connected to Ast's family. Will they challenge the dungeon again? What will be their next destination? Will they learn more about Ast's unusual power? One thing is certain, their bonds will surely grow stronger. This story includes: Mystery of the past looming in the background. Sudden strength gain with progressive development. Mild romance with a shy but strong girl, and a mischievous refined lady. Caring and devoted protagonist, albeit serious and decisive when confronted. Slowly growing harem. Chill and quite relaxed adventure story with a pinch of unabridged intimate situations.

Rise of the Weakest Summoner J R Sailer, 2022-03-15 With the issues troubling his beloved mother fully resolved, Asterios decides to travel back to the place where she was born, the city of Tyrienheim, just to be sure that she would be completely safe from any retaliation from the prideful nobles. And for another reason, which is the nearby village of Teira,

Ast's own birthplace and where Kindra saved him from the merciless flames that took the lives of everyone else, including his real parents. Asterios, Miria, and Selene will finally embark on their journey of uncovering his mysterious past, naturally, starting with the place where everything began. To discover every single clue, they might require help from another powerful summon, and perhaps, Ast's very peculiar researcher friend. Another visit to the academy might be inevitable. But, is Grea the only person eagerly awaiting Asterios' return? This story includes: Mystery of the past looming in the background. Sudden strength gain with progressive development. Mild romance with a shy but strong heroine, a mischievous refined lady, and a very determined colleague. Caring and devoted protagonist, albeit serious and decisive when confronted. Slowly developing unconventional relationships. Chill and quite relaxed adventure story with a pinch of unabridged intimate situations.

Man Made God 006 Brandon Varnell, 2024-05-07 GAME ON! Adam's identity IRL has been outed, and while he managed to stave off Levon's initial assault, he can't stay in New York City. It isn't just problems in the real world that are causing headaches either. The Spider Queen is leading an assault on the Sun Continent. The Guild Association has decided to deal with the situation the only way they can. By combining several teams to form a Raid Party.

Starting Over: Life As A Summoner Nishad Clinard, On an otherwise peaceful morning, an unexpected event occurred. Lei Yunhui, who was supposed to be quietly studying and getting involved in the competitive grind at school, was suddenly transported to another world. He thought that, as the protagonist, he would gain a golden finger (a special ability) and rise to power, ruling over the world and forming his own harem. However, to his surprise, he was assigned to be the weakest summoner, with no special abilities! The creature summoned from his ten-pull summon was also a useless idiot — a prince who couldn't even defeat a slime. How will this weak summoner and his equally weak summon survive in the new world? Thus begins a hilarious, heartwarming, and action-packed adventure in a different world.
