The Truth about Tomorrow B Celeste,2019-07-15 Age is just a number.Just like he's just a boy and I'm just a girl. Except that's not true, is it?Because fifteen may be a number, but it's bigger than that. Bigger than us.It's a number that separates us.An excuse that keeps us apart. But I'm not willing to give in until I get what I want.After all, how many other girls can bring a grown man to his knees with one little smile?

Contingency, Time, and Possibility Pascal Massie,2011-01-01 In *Contingency, Time and Possibility*, Pascal Massie explores the inquiries of Aristotle and Duns Scotus into contingency and possibility, as well as the complex and fascinating questions they raise. Massie shows how Aristotle and Duns Scotus's ideas about contingency continue to influence how we think about the nature of being.

Apocalypses of Cataclysm and the World of Tomorrow! Bishop Dr. Wm. LaRue Dillard,2022-02-04 If you want to develop a fresh and deeper vision for your life, Wm. LaRue Dillard can help. This book of the Apocalypses of Cataclysm and the World of Tomorrow! The futuristic happening on earth for all humanity is pointed out simplistically. It gives chronological steps as listed in the book of Revelation starting with the message from Christ Jesus. The book points to the church age from the church's birth date in the spring of AD 30 in Jerusalem, Israel, to the day of Christ beginning with the raptured host's catching up of the saints worldwide. This phenomenon highlights the coming drama of the tribulation judgment period on planet earth ending with the fire baptism of the satanic trinity (Antichrist, false prophet, and Satan), with Satan's demons, and all unrighteous people of all the ages from the beginning of time. Here are the chronological steps: Demonic invasion from the bottomless pit. Antichrist's total control on the earth. Unification of the satanic trinity (Satan, Antichrist, false prophet). Four angels of God hold back the winds and don't let them blow until the 144,000 are sealed with the name of God in their forehead. The withholding of death for five months while touches increases. The war in the second heaven between Michael and Satan who will be cast down from the second heaven to earth. Abaddon and Apollyon followed by darkened sun, bloody moon, fallen stars, and a shaken earth. This is just the first half of the seven years of judgment following the sixty-

ninth week of Daniel's prophecy, and now comes the last half of the seventieth week of the prophecy. There is nowhere to run or hide from the terror of God Almighty. Whatever the Holy Bible teaches is believed, or nothing it teaches is believed. This book will help you take the first step toward achieving your impossible task on your pilgrimage with Christ Jesus our Lord. Bishop Dr. Wm. LaRue Dillard is the author of several other books including Biblical Ancestry Voyage.

Ray Carter stands where many have, on the edge of doubt, facing a future both limitless and suffocating. But this isn't just his fight; it's a reflection of our own power to shape reality. My Half of Tomorrow John L Dunegan,2011-11-10 What would you do if you were given the opportunity to travel in time? Would you renew a lost relationship, look into your mothers eyes one last time, or finish school while you are young? Or

would you do something more heroic, such as kill Hitler to save the lives of millions or alert the world of a natural disaster? For all the time you have spent wondering what you would do if you could time travel, have you considered what the consequences of changing history might be? So you kill Hitler, would you fool fate, or would another fanatic simply step up to take his place? Would a simple change of the past snowball into a catastrophe in the future? When John a young man of physics with an insatiable curiosity for science is accidentally given the opportunity to travel in time, he must face the questions that this ability presents to him. He must ask himself what he should do with this power. With the power to connect to the past and alter the future, John can change his life and the course of history forever. But when he takes action, the outcome is far from what he expected. Written into John's legacy are the words, History is the sum of all known knowledge, including the forbidden knowledge of change.
