At This Moment: The Story of Michael Bublé Michael Heatley, 2011-11-04 Michael Buble soared to overnight fame at the comparatively late age of 25 after performing at the Canadian Prime Minister's daughter's nuptials in 2000. Since then, the UK hit artist has sold over 25 million albums and has won two Grammy Awards. *At This Moment: The Story of Michael Bublé* tells the story of a humble fisherman's son in Vancouver who turned his back on MTV to embrace the music of the Forties, Fifties and Sixties. With exclusive details on his many recordings, including the hard-to-find pre-fame releases; his high profile love affairs; his ambivalent attitude to fame and his obsession with ice hockey.

From This Moment On Shania Twain, 2012-03-27 From superstar Shania Twain, a poignant, heartfelt, and beautifully told account of her hard-scrabble childhood, rise to worldwide fame, and personal tragedies. The world may know Shania Twain as many things: a music legend, a mother, and recently, a fixture in the news for her painful, public divorce and subsequent marriage to a cherished friend. But in this extraordinary autobiography, Shania reveals that she is so much more. She is Eillean Twain, one of five children born into poverty in rural Canada, where her family often didn't have enough food to send her to school with lunch. She's the teenage girl who helped her mother and young siblings escape to a battered woman's shelter to put an end to the domestic violence in her family home. And she's the courageous twenty-two-year-old who sacrificed to keep her younger siblings together after her parents were tragically killed in a car accident. Shania Twain's life has evolved from a series of pivotal moments, and in unflinching, heartbreaking prose, Shania spares no details as she takes us through the events that have made her who she is. She recounts her difficult childhood, her parents' sudden death and its painful aftermath, her dramatic rise to stardom, her devastating betrayal by a trusted friend, and her joyful marriage to the love of her life. From these moments, she offers profound, moving insights into families, personal tragedies, making sense of one's life, and the process of healing. Shania Twain is a singular, remarkable woman who has faced enormous odds and downfalls, and her extraordinary story will provide wisdom, inspiration, and hope for almost anyone.

A Ceremony Called Life Tehya Sky, 2016-07-01 When we gather in ceremony—to welcome a newborn, celebrate a marriage, or bid farewell to those we've lost—we are fully present to our lives and in touch with the deep meaning that feeds our souls. Imagine how our lives might change if we brought the same loving attention to every “ordinary” moment. This is

the invitation of *A Ceremony Called Life*, the debut book by new author Tehya Sky. For anyone struggling to find their place and purpose in our ever-changing world, Sky deconstructs our most common spiritual ideas and empowers readers to participate whole-heartedly in the magic and mystery of our human journey. Topics include recalibrating our vision of spirituality; moving through the obstacles that keep us feeling separate; embodying our sacred nature of creator and created; and engaging life as the spiritual practice.

Timing Grace Johan Cilliers, 2019-08-12 In this companion volume to *A Space for Grace*, Johan Cilliers delves into some of the most profound theological underpinnings of preaching. Drawing on his extraordinary depth and breadth of scholarship, Cilliers examines the aesthetic, qualitative, and relational dimensions of sermonic time. Faithful preaching, he argues, is an art of speaking the now of grace, which is inextricably linked to past and future, but is simultaneously a dynamic event filled with the revelatory presence of God. Along with helpful reflections on pieces of visual art, Cilliers provides numerous sample sermons, as well as several detailed sermon analyses.
