The Worldview of the Word of Faith Movement: Eden Redeemed Mikael Stenhammar,2021-12-16 This volume approaches the Word of Faith as a worldview, and analyses the movement through N. T. Wright's model for worldview-analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith. The reader receives insights into the movement's narrative, semiotic, practical and propositional dimensions, which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world. The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present

restoration of Eden's authority and blessings. This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith's causative power to affect a direct correspondence between present reality and Eden's perfection. The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism.

Spiritual Disciplines for Today R. Douglas Wardrop,2015-11-25 At your salvation, your spirit was renewed, but your soul and body was not changed. Spiritual Disciplines are given to us by God. They provide a way of sowing to the Spirit and they help you put off the "old man" and put on the "new man" (see Ephesians 4:22-24). By doing this, you "renew" your soul so it will agree with your renewed spirit. As the saying "means to an end" goes, the Spiritual Disciplines are the "means," while the "end" is intimacy with God. By exercising the Spiritual Disciplines, we are helped to mature spiritually and are put in a place where God can work within us to transform us. If we truly want to walk with God, we will exercise the Spiritual Disciplines. Spiritual Disciplines are for everyone to use and should be a natural part of a Christian's life, as natural as breathing. In this book, the eleven main Spiritual Disciplines - Meditation, Prayer, Fasting, Study, Simplicity, Submission, Confession, Solitude, Service, Guidance, and Worship - are described as well as how to apply them in today's world. The author's first two books are A Young Person's Guide to Christianity and A Christian Understanding of Deception - Gaining an

Appreciation of How Satan Uses Deception.
